Auburn Town Hall News

A new year begins in Town Hall each March after voters cast their ballots to finish Town Meeting. Our thanks to the election officials and ballot clerks who, as always, made the day go smoothly. We enjoyed a larger-than-expected turnout, with over 800 voters.

This election day was the last one for Moderator Tom Lacroix, who will be missed. Thank you Tom for your 6 years in that role, which of course included the extra-challenging Covid-era elections. This month we also say thanks to Ron Poltak, leaving the Planning Board after 18 years and highlighted in another Crier article. Thank you Ron.

We also appreciate the other volunteers who won election to boards, commissions, and offices. This year we re-elected all incumbents who stepped up for another term. The Board of Selectmen will be making appointments to other boards and committees this month.

The Household Hazardous Waste Day has been rescheduled for April 27, 8-12 in Raymond. This will be the only collection day in 2024. See the full details elsewhere here in the Crier.

Auburn Police Department News

**Do you have a United States, NH or POW/MIA flag that needs to be retired?
Did you know you could drop it off at the police department for proper disposal?**

Did you know that we have a box in our lobby for flags that need to be retired? The Auburn Police Department will be hosting a US Flag retirement ceremony, on **Flag Day Friday June 14**. We will be retiring any United States flag, State flag or POW/MIA flag that is no longer suitable for display.

The ceremony has a tentative start time of 11:00 am. Feel free to stay for the ceremony and if you are not able to attend drop off your flag and we will ensure that it is retired in a dignified

The warm weather is here!!!!

We had a mild winter, but with these really great days ahead we want to be sure we all work together to keep our community safe.

Just a reminder with the sun comes lots of kids playing, waiting for the bus, or walking to and from school, people walking and motorcycles out. Please use caution and remember those who may be sharing the road with you.

MARK YOUR CALENDARS

***DRUG TAKE BACK DAY** - will be **Saturday April 27th from 10AM to 2PM** at the Safety Complex. With Spring in the air and Spring cleaning remember this is a great way to safely dispose of unused prescription **AND** over the counter medications.

Great News From Your Library!

THE TOWN LIBRARY ARTICLE HAS PASSED:

Auburn friends, on behalf of myself and the best library staff in the business, I wanted to extend our warmest thanks for all the support and love the community showered on Griffin Free Public Library at the March vote. The library's 100k article passed by a significant margin which means we'll be able to begin moving forward this year on talks and plans with the town on how to expand and grow your library. We could not be more grateful and will push even harder to provide the programming and resources - and honestly, just a kind and supportive community gathering and event space - that you have all asked for. We are energized and ready to move into the future with you! Let's go!

~ Your staff, Dan, Mary, Jess, Wendy, Jordan and Bella

USAGE IS GROWING: Once again, our early-in-the-year numbers illustrate that large increases in library usage over the course of 2023 were not a fluke. Increases in events and event promotion led to increases in patron count, new patrons, digital usage and circulation across the board. We continue to highlight the expanding needs of the community and our need to grow. Some highlights: Overall circulation is up 20% from 2023 while Patron Count is up 37% from 2023!

News and Notes

Creative Bug for Crafts and Art: A couple weeks ago, we officially launched a new digital resource for Griffin Free Public Library patrons called **CREATIVE BUG!** This incredible FREE service offers library card holders the opportunity to watch or take digital classes of award-winning arts and craft videos to help you design, build, learn about or just explore thousands of projects. We are so grateful to our amazing Friends of Griffin Free Public Library for purchasing this resource for us. Town Wide Yard Sale

It's time to start planning for the Town-Wide Yard Sale. If you are spending the winter cleaning out your attics, basements and garages and are ready to get rid of your old stuff, join the Auburn Town-Wide Yard Sale. This event will be held on Saturday, May 11 from 8:00 am to 2:00 pm. You price and tag your own items, set the sale up outside at your own house and then you keep the profits. The registration fee is only \$15. When you register with the Parks and Recreation department, your house will be included on the official town wide yard sale map, you will receive location sign to help shoppers find your sale easily and we will take care of all the advertising for you.

Do you want to participate in the Town-Wide Yard Sale but live on a road that is too busy or unsafe for visitors to stop? Sign up to sell at a public location. (The location will be determined by how many need this option.) To sign up to be included in the Town-Wide Yard Sale, register at auburnparksandrec.com. The deadline to register is Monday, April 29.

Spring Senior Trip to Billings Farm in Vermont.

Thank You Ron Poltak

Longtime member and Chairman of the Planning Board Ron Poltak has just finished his final term on the board. He served a total of 18 years!

Beyond twice-monthly board meetings, Ron spent countless hours following projects in town hall and in the field. With deep family ties to Auburn, he grew up near St. Peter's Church and has lived most of his life in town. The town enjoyed the added benefit of Ron's professional expertise, which included jobs as State Planning Director and Executive Director of the Interstate Water Pollution Control Commission.

Ron said his greatest pride from time in service to the town is the commitment of Planning Board volunteers over the years. Their work is in many ways unseen, but the reason that Auburn stays, "the way people like it."

Looking forward, Ron sees Auburn staying much like it is today, with few remaining large land parcels, and with much of the town's land owned by the Manchester Water Works or otherwise conserved.

What to do with his new-found free time? "Grandkids and Travel." You've earned it Ron, thank you for tireless efforts to keep Auburn, 'The way we like it.'

April Notes from the Massabesic Garden Club

The big news for May is our Spring Plant Sale with the Friends of the Library ! This will be held on May 18th (time to be determined) at the Library. We are expanding our offerings this year for this sale.

We will be collecting donations of gently used garden related books, statuary, gardening supplies , pots, etc. Drop off will be likely the week prior at the library. Check back here in the beginning of May.

We are also looking for plant donations. This is a perfect excuse to split up those overcrowded perennials ! Please be mindful of asian jumping worms, as we want to try to reduce the spread. Please wash your roots off and use fresh soil to pot your plants up. UNH has more info on this topic on their cooperative extension website .

We are also looking for volunteer diggers, in case someone had plants to donate but cant dig them up . If you are interested in being a donor or a volunteer in this regard, please use the contact info below.

Other volunteer opportunities include: transporting pansy bowls from Frizz Home Gardens in Bedford (and perhaps babysitting said plants until the sale) , help with preparation for the sale, and also the day of the sale. More info to come on that.

If you are interested in volunteering for any of the above mentioned areas, you can email massabesicGC@gmail.com . You can also call or text Jess Traynor (603 505-2359).

We will also have Busy Beez honey and honey products for sale (local business in Hooksett!) as well as heirloom seeds. We are looking forward to this fun community day where the public can come and stock up on veggie plants, perennials, annuals and previously mentioned items.

Our May member meeting on the evening of on May 8th will be the season wrap up . Read here in May or check our website for more info as we plan this social event with garden related activities.

Please check our website for more information regarding meeting schedule or membership info : www.massabesicgc.org

EARTH DAY CELEBRATION 2024

April 20, 10am-3pm

On Saturday, April 20, NH Audubon's Massabesic Center is hosting their Earth Day Celebration. This year's theme is Planet vs. Plastics; join in the fun with games, crafts, and a special presentation. Don't miss a day of celebrating planet Earth while also learning to conserve wildlife and our natural resources.

Visit our Earth Day webpage for all of the event details and to register: nhaudubon.org/earth-day
Cost: \$10 for a family of four (members)/\$15 for a family of four (non-members).

SIGNS OF SPRING CAMP

April 22-26

Registration for 2024 New Hampshire Audubon April Vacation Camp is open! Learn to read the signs that nature is telling us spring is coming. From plants changing and animals awakening from hibernation or returning from migration, spring is an exciting time to be out exploring nature. Come prepared to spend much of the day outside and expect mud and rain! The camp runs from 9am-4pm Monday through Friday, April 22-26 for 6-10 year-olds. Before and after care (starting at 8am ending at 5pm, respectively) are available for an additional fee.

Online registration is available on our website and must be completed, along with all necessary forms, by April 8th, 2024. If you have any questions regarding camp registration, please contact Claire Adams, Camp Administrator, at cadams@nhaudubon.org or call (603) 224-9909 ext. 404.

CAMP OPEN HOUSE

April 11, 5-7pm

Join Camp Administrator Claire Adams at the McLane Center in Concord to learn more about the upcoming camp season. She will present a slide show about the camp philosophy, program, schedule, and staff. A panel of NH Audubon education staff and the Community and Education Manager from Media Power Youth will be on hand to answer questions and facilitate activities. Bring the kids! RSVP required.

RSVP on our Event Calendar: nhaudubon.org/events

CLIMATE-RESILIENT GARDENS: GARDENING FOR EXTREME WEATHER CONDITIONS

April 10, 6-7:30pm

As home and community gardeners, how do we prepare and adapt our practices to make our gardens more climate-resilient? From seasonal temperature shifts and extreme temperature swings to excess moisture or drought, we'll talk about some practical strategies to address these challenges, and what it means to grow a climate-resilient garden that can not only "weather" these changes.

Visit our Event Calendar to register by Apr. 8. Cost is \$10/NH Audubon members & Extension Master Gardeners or \$15/non-members.

APRIL BIRDING OUTINGS

All ages and skill levels of birders are welcome. If you are new to birding, come and learn the basics! If you are an avid birder, come to learn new techniques, network with other birders, or share your expertise with the group.

- APR. 6, 8:30-10am at Livingston Park in Manchester
- APR. 13, 8-9:30am at the McLane Center in Concord
- APR. 19, 8:30-10am at Cedar Swamp Preserve in Manchester
- APR. 27, 8-9:30am at Hebron Marsh Wildlife Sanctuary in Hebron

Tickets are \$8/Members, \$10/Non-members. Binocular rental is included in ticket cost. Please email sroosa@nhaudubon.org if cost is a burden to participate. See more information and reserve tickets by going to our Event Calendar: nhaudubon.org/events

Visit us Tuesday-Saturday, 11am-5pm! Come and explore the Center, meet our Animal Ambassadors, and pick up a souvenir from the Nature Shop. We are located at 26 Audubon Way in Auburn. Please follow Leave No Trace ethics and remember that dogs are not allowed on the Massabesic Center property. As a courtesy, our parking lot provides access to alternate dog-friendly trails on either end of Audubon Way.

As part of Auburn's efforts to reduce the impact of stormwater runoff on our lakes and streams, each month we will publish some tips for residents to help. SOAK up the rain NH is a program of the NH Dept. of Environmental Services.

What is Stormwater? Stormwater runoff is water from rain or melting snow that doesn't soak into the ground. In a forest, meadow, or other natural area, stormwater soaks into the ground and naturally filters through the soil. When forests and meadows are developed, they are replaced with neighborhoods, shopping centers, and other areas that introduce impervious surfaces such as roofs, roads, parking lots, and driveways. Impervious surfaces prevent rain or melting snow from soaking into the ground. This creates excess stormwater runoff and stormwater pollution.

Why is Stormwater a Problem? Excess stormwater runoff and the pollutants that it carries can cause many different problems including flooding, erosion, and water pollution. This can make the water unhealthy for fish and other animals to live in and unsafe for us to swim and play in.

Longmeadow Serves

Some of the Pharisees in the crowd said to him, “Teacher, order your disciples to stop.” He answered, “I tell you, if these were silent, the stones would shout out.” Luke 19: 39-40

What a glorious Holy Week and Easter we shared, and it was such a blessing to welcome people worshipping with us for the first time, whether it was on the shore of Lake Massabesic for the Sunrise Service or at 9:30 for our Family Worship at the church. And in this time of reflection following the resurrection, we look forward to more opportunities to give glory to God by serving God’s children,

We’d love to start by inviting you on a little “treasure hunt.” In our Palm Sunday worship service, we considered the scripture text above and decided to share some stones with our messages of love, Hope and Care with our Auburn friends and neighbors. We have left these stones around town, in various public and, we hope, very visible places. If you find any of these stones, we invite you to keep it, it was meant for you to find, with our wish that it may be a blessing to you. We also invite you to let us know by posting a photo of your stone on our church’s Facebook page <https://www.facebook.com/groups/Longmeadow> with the hashtag #StonesWillShout.

It has been such a joy over the past few months to watch the attendance at our Community Breakfasts grow. Held on the second Saturday of each month, we would love to serve you at these community gatherings where you can chat with neighbors over a delicious meal. Our Christian Education Committee have also been providing activity kits for children to grab at the breakfast either to use then or to take home.

The Save Our Steeple campaign is progressing well, thanks to the generosity of many of our neighbors and we are excited to be closing in on our \$60,000 goal. If you would like to contribute you can use the QR Code below or send a donation to the address provided.

We of the Longmeadow Congregational Church, UCC wish all of our Auburn friends the ability to stay warm this winter and seek to serve where we can, following with gratitude and trust in where God will lead us. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a community for worship, we invite you to join us. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 603-483-2907.

Since 1857 Longmeadow Congregational Church has been a beacon of light and hope, lovingly serving our Auburn neighbors and the surrounding communities. We have found our Church is in need of some critical repairs including some reconstruction of its iconic steeple. Our goal is almost \$60,000 and we are asking for your help to complete this project. No donation is too small and can be mailed in to: LCC-SOS, PO Box 356, Auburn, NH 03032-0356.

Thanks very much and God Bless

News from the Auburn Historical Association

Lost and Found

Written by Dan Carpenter

Researched by Jim Thompson and Barbara Coapland

Above left: photo of 30 Raymond Road that was taken in 2020. Above right: 1869 map showing where properties were located before the lots were sold to Manchester Water Works and all structures had to be moved.

Last year, David Jenkins replaced the front door at 30 Raymond Rd. In the wall he found a letter addressed to Dennis Dunaven (sometimes spelled Donovan) in Auburn NH.

In part, the letter reads:

“Enosburgh, Ver, 4/20/1873. Dear Cousins,.... Poor Mother is dead and gone. She was buried a week ago today. James wants to sell Den a span of grey horses. He has drawn logs with them this winter off the mountain. He hurt his ankle badly in the mill three weeks ago. Is just beginning to go without his crutches. Write often. I am always glad to get a letter from friends.”

Dennis Dunaven was born in Enosburgh, Vermont in 1828. He married Almena Chase of Auburn and they were living with her parents, Amos and Ruth Chase, when the 1860 Census was taken. Two years later, Amos turned over a 1/4 acre lot along Griffin Brook to Almena. Underhill's 1869 map of Auburn Village shows the young couple living on the East side of the brook across from where the Auburn Village Store is now. Amos Chase, a professional carpenter, probably built the house with Dennis' help.

Below Left: Home of Frank Prescott “big house” on the corner of Raymond and Chester Road. The house was built from two cottages that were moved from land sold to Manchester Water Works. Below Right: photo of 7 Chester Road taken in 2020. This is a replica of Prescott's “big house” built circa 2000 to replace the original that was destroyed by fire.

News from the Auburn Historical Association

(Lost and Found, continued...)

Amos Chase owned a rectangular lot in Auburn Village. It fronted on Griffin Brook and ran from the Chester Rd bridge to what is now the parking lot for the Auburn House of Pizza. From the bridge it crossed Chester Rd and followed what is now Raymond Rd to where the old Auburn Volunteer Fire Department building is located. In 1876, for the benefit of the Chase's, Dunaven headed a petition to build Raymond Rd from the 4 corners downtown to Eaton Hill Rd. Town Meeting allocated \$300. for the project. (The Chase's never developed their Raymond Rd property.)

Almena sold her property on Chester Rd to Simon Prescott, owner of the Auburn Village Store and a real estate investor in 1882. Prescott kept the property for a dozen years when he sold both the Dunaven property and his store lot (North of Chester Rd bridge and on the West side of the brook) to the Manchester Water Works in 1894. The Water Works stipulated that both buildings had to be removed.

Frank Prescott, Simon's son, purchased the Amos Chase lot. He took down the Cape Cod house facing the brook and used the bones of the house to build his "Big House" (on the corner of Chester and Raymond Roads). He jacked up and moved the store on log rollers, powered by yokes of oxen, to its new location (where the Auburn Supermarket stands today). Likewise, he moved the Dunaven house to 30 Raymond Rd. Frank Prescott would eventually move 3 other buildings to his Raymond Rd property. In 1894 alone, 6 buildings were removed from along Griffin Brook. The Prescott's new store location and their "Big House" completely changed the look of Auburn Village.

And that is how that cheery letter from the cousins was lost in a wall on Chester Rd and found 150 years later in the same wall on Raymond Rd.
