## FY 2021 Budget Near to Completion

The Board of Selectmen completed its work on the FY 2021 Town operating budget and warrant articles which should total approximately \$6 million. As we write this article, the Board's overall spending proposals are coming in ahead of the total budget and

warrant articles approved by the voters in March 2020.

While the general spending amounts are different, we are working with revenue sources that should lead to a near level standard in the Town portion of the tax rate.

The Board's budget effort is only a

part of the Town budgeting process. The Budget Committee is also near to completing their work on the Town and School budgets. They will complete their work by the January 14th, 2021 public hearing on the budgets they will propose to the voters.

## Looking Forward to 2021

As we look forward to the coming year and beyond, we want to take the time to acknowledge the hard work and dedicated efforts of our Town and Library work force, elected and appointed officials, as well as Auburn's first responders in fire, law enforcement and EMS service.

Without a doubt, 2020 has been a

very significant year and experience for Auburn's team, in addition to all local, county and state public officials throughout the State and country. This was a year that brought a deadly worldwide pandemic and all that it entails that was not foreseen or anticipated as we arrived at this point in time last year.

Through it all, Auburn residents continued to receive services needed, even if in a different style or format than what we have been used to. No one shirked their duty or responsibility – and it has been very satisfying to have been a small part of this effort.

On behalf of Auburn – Thank You!

## Save the Date . . . . .

Like past few years, the annual Deliberative Sessions of Town Meeting and the School District Deliberative Session will be held on the same date, one after the other. The meetings will be held on Saturday, January 30th beginning at

9 AM at the Auburn Village School, with a snow date of Saturday, February 7th.

This year the Town Deliberative Session will be held first, followed

by the School District Deliberative Session.

As the year 2020 is near to an end, we want to wish everyone a Happy, Safe and Healthy New Year!

# AUBURN POLICE DEPARTMENT NEWS

Hello Auburn Residents,

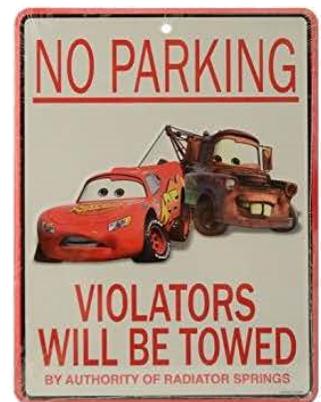

While we realize that these holidays have been unlike any other, we are very proud at how well the community has handled the many challenges that have come with COVID-19. Auburn has been doing a great job, at keeping everyone as safe as possible, and following safety protocols.

With the new year upon us, we've had a few storms so far, but we all know New Hampshire weather will be bringing plenty more in the coming months. We wanted to give you a couple of reminders:

Per New Hampshire State Law it is illegal to put any snow or ice into the roadway. When plowing your driveways please be sure to clear the snow and ice to the sides of your driveway. If you plow across a roadway, please clean up the street when you are done. Snow frozen in the street can become dangerous for plows and other vehicles.

Auburn Town Ordinance Parking Regulations says that from November 15<sup>th</sup> until April 1<sup>st</sup> there is no parking permitted on any public street between the hours of midnight and 6AM

Thank you all for your help with this year's Auburn Safety Complex Giving Tree. We had 16 families this year, 27 adults and 35 children ranging from age 1 to age 17. With your, help the Giving Tree was able to provide nearly EVERYTHING on these wish lists. We would also like to thank residents for the generous donations of turkeys, chickens, hams and various holiday dinners supplies to our families.

All the items have been successfully delivered to the families here in Auburn. With each delivery, the families were forever grateful for the assistance, and we wanted to pass that thanks along to each of you. Because of the overwhelming generosity of the residents, we can say with confidence that these Auburn families had a magical and happy Christmas.

Lastly, we wanted to say thank you to the community for the gifts of cookies and treats to our officers. We always enjoy the treats people have dropped off.

We hope everyone a safe and Happy New Years and looking forward to a wonderful 2021!

# Auburn Neighborhood Watch Group - See Something, Say Something

During the month of November, the Auburn Police Department:

- Made 5 Arrests
- Managed 27 Investigations
- Conducted 281 Traffic Stops
- Received 1,229 calls for service.

While these numbers seem high for such a small town, we the community are essential in making sure crimes are reported to the proper authorities. In general, only 50% of those who commit a crime are caught. That's why a strong Neighborhood Watch Program is so important.

The town of Auburn is currently revitalizing the Neighborhood Watch Group (NWG) and we wanted the chance to introduce the NWG Leaders, who act as liaisons to the Auburn Police Department. Each of the NWG Leaders cover a portion of Auburn. If you hear or see anything, please feel free to email your Leader, or any leader, covering your section of town.

Steve Grange - [smgrange@comcast.net](mailto:smgrange@comcast.net)

Central Auburn

- South/East of/to include Raymond Rd to North of/to include South Bunker Hill Rd, Spofford Rd and Chester Line.

Audrey and Thomas Heath - [ladybaboon@aol.com](mailto:ladybaboon@aol.com)

Patrick and Tarah Bergeron - [bergeron.patrick.d@gmail.com](mailto:bergeron.patrick.d@gmail.com)

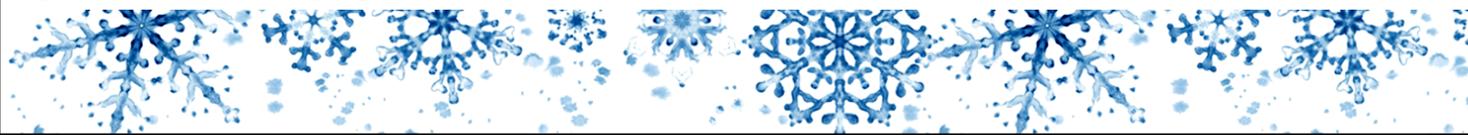

North Auburn

- North/East of Raymond Rd. to Hooksett and Candia Line to include North of Massabesic Lake

If you are unsure of your NWG Leader, please email anyone from the list and we will make sure the information reaches the right person.

Look for the Auburn Neighborhood Watch Group on Facebook. This is a private group open to town residents. Anybody wishing to join the group will be required to answer a few security questions. More information about the Auburn Neighborhood Watch can be found here. We encourage you and your neighbors to join and help keep Auburn safe.

## *News from the Auburn Historical Association*

### *A Recent History Of the Robie Cemetery*

In the Southwest corner of Auburn, a large chunk of property below Wilson's Crossing, with frontage on the Londonderry Turnpike at the Derry line, and connecting up with Steam Mill Rd on the back side was mostly forgotten by 1990. Families had moved away, the buildings were taken down, the fields disappeared, and the woods got deeper.

The area was abandoned except for the occasional deer hunter. It was deer hunters (was it Joe Stacy? George Asadorian? They knew those woods) who discovered the desecration. Vandals had found the little cemetery deep in the woods. Three stones were badly broken - pieces scattered about. Something had to be done.

Don Stitch, a Longmeadow Cemetery Trustee, talked to the Auburn Selectmen, Cemetery Trustees, and pretty much anyone who might be concerned. The Town could protect the stones by moving them to the Longmeadow Cemetery. Otherwise, they would be lost. So, the decision was made and all 6 stones were moved. The 3 badly broken stones were laid in a bed of concrete to restore their integrity.

Sometimes change takes centuries to happen and other times it can happen overnight. Richard Eaton, a developer from Auburn, began buying up the property. He discussed his plan with the Auburn Planning Board who approved and loggers started clearing the woods. Eaton purchased a precast bridge which came on trucks and a crane set it over Cohas Brook in a day. The property was now accessible from Wilson's Crossing Rd. Over a 15 year period, Eaton built over 100 homes and turned the woods into a neighborhood.

Robie Cemetery which once seemed so far in the woods is now on Winters Way, probably 1000 feet from Londonderry Turnpike. The State Of NH was unhappy about the decision to move the stones from Robie Cemetery so the Selectmen had Road Agent Mike Dross move them back. Cemetery Trustee Jim Thompson took responsibility for putting the Robie Cemetery back in order. The concrete slab was cut and Jim used an old photo to make sure the stones were properly aligned.

Take a minute to acknowledge the Robie family who lived and died 150 years ago. The fields they tilled are now mowed weekly. The woods they wandered are now bisected by paved roads with signage SLOW - CHILDREN. It was a different time and a far different era.

# Longmeadow Serves!

A New Year has begun and with it comes hope in the news of vaccines being tested and plans being made for distribution. We of the Longmeadow Congregational Church UCC move forward into the future with thankfulness for all the community has done for each other and for those in greatest need.

We give thanks for those who joined us in our outdoor worship services in December with special thanks to the Scouts who

Longmeadow Serves

helped light and safely tend the fires in our firepit where we gathered. Between these and several special services on-line, we have continued to **BE THE CHURCH**

in these different but expectant times.

We were delighted with the success of our first Pie, Cookie and Fudge Sale in December, sponsored by the Ladies' Circle. The response from the Auburn community was wonderful and we hope that you enjoyed your handmade pork pies, chocolate fudge and assortments of

cookies. We look forward with hope to resuming our Snowflake Fair and all of our traditional Christmas related activities next year.

As of this publication's deadline, our plans are to continue with on-line worship services, using both Zoom and YouTube platforms. As the course of the virus is unpredictable, and things can change quickly, we recommend that you contact the church (483-2907) to check on the current situation.

The Ladies' Circle of the church is continuing their long and faithful history of service to the community by setting up a **Hat, Glove and Warm Sock Drive** throughout the month of January. All donations will be given to Anchored in Hope, an Auburn based program that reaches out to those

who are homeless and in vulnerable situations to provide direct and tangible assistance. Both handmade and store purchased items

are welcome and appreciated and you can leave your donations in the large labelled and lidded plastic tub on covered porch of Tiny Tots Pre School or contact Pastor Ruth at the church office for a contactless pick-up.

Again, please note that **all of these plans are subject to change** pending the course of the COVID-19 Pandemic. Please contact the church or watch the Auburn Community Facebook page for updates.

We of the Longmeadow Congregational Church, UCC wish to all of our Auburn friends and neighbors joy in this holy season. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a community for worship, we invite you to join us. If you have any questions, please contact our Pastor, Rev.
