We are also still actively volunteering

at Longmeadow church by assisting with breakfasts and passing out Prayer-books at Sunday Services.

Troop 127 meets Monday nights 6:30 at Longmeadow Church. Please visit our website if you are interested in coming to a meeting. <http://auburn127.mytroop.us>

CUB SCOUTS PACK 127

Auburn Cub Scouts Move Up the Ranks

Cub Scout Pack 127 recently held its annual Blue and Gold Banquet recognizing the scouts' achievements and graduating to a higher rank.

The event also honors the families that work hard all year long to help the scouts achieve their goals. The pride was clear in the voices and faces of leaders, parents, and scouts as advancement awards were presented to Cub Scouts in the Lion (kindergarten), Tiger (first grade), Wolf (second grade), Bear (third grade), and Webelos Dens (fourth and fifth grades).

The highlight of the evening was two scouts receiving the Arrow of Light award, the highest rank a Cub Scout can earn. Congratulations to Dylan Roy and Conor Butts who with this award also "bridged over" to Auburn Boy Scout Troop 127. They have learned and accomplished a lot in their years as Cub Scouts and we look forward to their achievements as they advance in scouting.

Thank you to all of the parents and leaders who made this a memorable and fun event for the Cub Scouts and their families.

Friends of the Library Plant Sale

Hard to believe after all the blizzards we just had, but spring is officially here. The Friends of the Library will be joining the Auburn Historical Association again this year to hold a plant sale on Saturday, May 12 from 9 AM until noon. This will take place at the AHA on Hooksett Rd.

We had a lot of suggestions last year as to what people were looking for and we listened. So, we will have lots of vegetables and more 6-packs of annuals. We are also asking for donations of perennials and gently used gardening equipment such as shovels, rakes, nice pots, etc.

Longmeadow Serves!

Are you looking for a place to worship, a place where you can ask questions, a place where you can make a difference? Longmeadow Congregational Church, United Church of Christ is at 4 Wilson's Crossing Road in Auburn and invites you join us as together we worship the God who is Still Speaking. We come together for worship on Sunday mornings at 9:30 with Sunday School and child care available at the same time.

We feel so blessed to have had a number of our Auburn neighbors join our choir to be part of our special Holy Week Cantata on Palm Sunday. Your voices helped us "Make a Joyful Noise" in praise to begin this most holy of weeks. We welcome anyone who would like to join us in song!

Spring is approaching and the month of April opens with the most powerful day of our year, Easter! We invite you to join us as we gather to remember, give thanks and worship:
Sunday, April 1 6:00 a.m. Sunrise Service on the shores of Lake Massabesic

Each year we gather on the shores of the lake, in the parking lot near the traffic circle to welcome Easter morning together, watching the sun rise as we worship and celebrate that the Son rose. Join us for this time of singing and quiet joy as we welcome this blessed day.

**Sunday, April 1 9:30 a.m.
Easter Sunday Worship**

If you are not an early-bird you are most welcome to join us at our regular time as we welcome to Risen Christ in a family-friendly gathering for worship.

Seeking to be God's hands and hearts in the world is an essential part of our faith and

our life together as a church. Sometimes this has been in the form of financial donations as we did in March for Our Church's Wider Mission fund for disaster response. But it can also mean smaller specific donations of needed items to help with local needs. Recent projects have included a special donation of underwear to for New Horizons Homeless Shelter in Manchester and a special donation of playing cards to help out the Chaplain at the Rochester House of Corrections. If you would like to participate in some of these special local outreach efforts, we would welcome your contributions these upcoming activities:

Throughout April: Church World Service Blankets+, just a **\$5 donation can purchase an emergency blanket** to be used in emergency response efforts when disaster strikes. We can provide you with a special Mother's Day acknowledgement if you would like to donate in honor of a special woman in your life.

April 16 at 6:00: Join us for dinner and an informal gathering for worship at **Grace at the Table**. This evening we will be assembling Hygiene Kits for Church World Service emergency relief response.

All year long: please join us in creating handmade scarves that we will distribute in November. We have received donations of yarn that we would be happy to provide for your efforts.

We of the Longmeadow Congregational Church, UCC seek to provide a spiritual home where all faith questions are honored and respected. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a place to worship, we hope you will join us during this holy season. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

Destination Imagination

The DI program is preparing the next generation of innovators and leaders with STEAM-based creativity, critical thinking, collaboration, and communication skills.

On Saturday, March 17th, 4 teams from the Auburn Village School traveled to Goffstown High School to present their solutions for their selected challenges at our Regional Meet. New Hampshire DI sponsors 4 regional meets throughout the state.

Our Rising Stars, the non competitive teams of the DI program, wowed the audience with their solutions to the *Friends Everywhere* challenge. These teams needed to research two different cultures to compare and contrast how children live, learn and play.

The elementary team chose to solve the *Drop Zone* challenge. This team had to design and build a freestanding structure from 100% natural wood whose total weight must not exceed 175 grams. The structure's height must be at least 7.5in and no more than 9.0in. In addition, the team had to create and present a story about a sudden event that has dramatic impact that integrated the structure testing into their 8 minute story. This team's structure held 135 pounds!

Our Middle School team solved the *Unlikely Attraction* challenge. This team needed to design and build an attraction that functions in an Unlikely Location that may be any place, real or imaginary, where amusement park attractions are not usually found. The attraction must operate live during the 8-minute Presentation. For this Challenge, the attraction needed to be any team-created device that operates using at least 3 Scientific Concepts. Our Middle School team earned a Da Vinci which is the highest DI award given for having a unique approach to a solution, for risk taking, and/or for outstanding creativity. Their appraiser team wrote:

This team was a “no-brainer” for this award: they combined multiple pieces of excellence into a “seamless,” cohesive whole. With art, music, sewing, and engineering, they lit up all our cortexes!

Both of our competitive teams placed 1st in their Challenge divisions and will travel to the state meet on April 7th at Bedford High School where they hope to earn the privilege of traveling to DI Global Competition in May.

MARK YOUR CALENDARS!

Even though the snow didn't seem to quit last month, March 20th DID marked the first official day of Spring.

While you are doing your spring cleaning it's a great time to look at your medicine cabinets and clean out unwanted, old or expired medication and over the counter drugs.

Come visit Thor and I on Saturday April 28th from 10AM to 2PM to safely discard them. No need to remove labels or take items out of bottles.

In February, America witnessed a terrible tragedy unfold in Florida. Like everyone, we are all struggling to understand what happened that day, and how to pick up the pieces and start to heal. There are so many people hurting, children, parents, brothers, sisters and friends, as a community we hurt for them, and we hurt with them.

We all try to walk a fine line, between keeping our children safe, and keeping them innocent. With this, we wanted to let our town know that over the last few years the police and fire department have been working with Auburn Village School staff on "emergency management drills." We constantly have meetings, trainings, and input from other agencies on best practices to improve what we already have in place. If you see increased police patrols at the school and surrounding area, don't be alarmed, we are simply trying to provide a more positive presence for students and parents.

As parents and as a community, we want to keep our children safe, but also self-assured while going to school. We would like parents to consider talking with your children and listening to what concerns they may have. One great website I found is www.nasponline.org. The site is geared towards helping children thrive in school, home and life. There are many wonderful parent resources on the site, in particular an article titled "Talking to your children about Violence." It had a lot of useful information on opening up these types of conversations with young children.

Gear up and go fight fire.
