News from the Auburn Town Hall

Town Hall Project Completed

Last month we reported on the process to award a bid for the replacement and upgrading of the Town Hall septic system.

Following a span of nearly three weeks, the project has been satisfactorily completed, and the Town Hall property has returned to a more normal look and flow, as opposed to a construction work zone.

The crew of Viking Excavation of Candia performed well and delivered the project and work as designed by the Town's engineering firm, Stantec Consulting of Auburn. With few hiccups in the process, the newly installed system should add considerable life to the use of the Town Hall building.

Past, Present & Future

No where does the past often times mix with the present and the future more than it does at a local Town Hall.

Whether it is transferring plates to a new car; investigating the history of a piece of property or a home, or doing genealogy research on family member's births, marriages and deaths -- the Town Hall is where people come.

Such was clearly the case the last week of August when work began in earnest on the replacement and upgrading of the septic system for the Auburn Town Hall. As workmen were ready to begin in the present to improve the future service at the Town Hall, the past came up to them quickly in two very different areas.

In 1995, the Auburn Historical Association, in cooperation with Town officials, buried a time capsule to be opened by a future generation of Auburn residents. As luck would have it, the time capsule was right in the area where the new septic system would be going. With the assistance of a sketch drawn with pinpoint accuracy by Don Dollard in 1995, the crew located the time capsule with their third shovel full of earth. The capsule has since been relocated elsewhere on the Town Hall property, its location re-plotted so a future Auburn generation will be able to find it with little effort.

Also in the area of the new septic system was a memorial tree that was planted in 1996 in memory of Donald Benyo, who passed away during his time as a member of the Board of Selectmen. What had most likely been a relatively small Norway maple in 1996 had grown into a handsome near 30-foot tall tree in the ensuing 18 years.

No small undertaking was the re-location of this tree from the front to the side of the Town Hall property. A special spade truck was contracted to literally dig and scoop up the tree and a nearly seven-foot wide ball of earth and roots, and then carefully drive the tree nearly 100-feet to its new location.

The entire process was a fascinating process for young and old alike; as it is not every day you see a full-grown tree on the back of a truck.

So while the Auburn Town Hall is getting a new septic system, care is being taken to preserve parts of Auburn's past in the process.

E-Waste Collection Event to be Held October 18th

We are only weeks away

Auburn's annual Electronic "E-Waste" Collection Day will be held on Saturday, October 18th in the front parking lot of the Auburn Village School from 9 AM to 2 PM.

Don't miss this opportunity to dispose of any unwanted electrical items like televisions, radios, computers, record or CD players, monitors, printers and almost anything else that has an electrical plug.

There is no fee or charge to dispose of items at this event, and there is no limit to how much you can bring.

Congratulations Madame President

We want to offer our hearty congratulations to Auburn Tax Collector Kathleen Sylvia who last month completed her term as President of the NH Tax Collectors' Association. Kathy presided over the Association's annual conference held in North Conway.

She will remain a member of the Association's Executive Board in the role of Director at Large.

Fall 2014 Senior Trip Cancelled

SORRY!

The Fall Trip for Auburn's seniors will not take place this year, due to illness of the organizer. Please look for an announcement in the *Crier* for the next scheduled trip in the Spring.

Route 101 Dedication on October 18th

The New Hampshire has designated the section of NH Route 101 through Auburn to be named after the 101st Airborne Division - the famous "Screaming Eagles".

The dedication of this section of road is going to take place in Auburn at a special ceremony to be held on Saturday, October 18th at 10 AM in the Bicentennial Park across from the Town Hall.

Governor Hassan, State Senator Lou D'Alessandro, State Representative Fred Rice and representatives of the 101st Airborne Division are expected to participate in the dedication program.

In the event of inclement weather, the dedication ceremony will be held in the meeting room of the Town Hall.

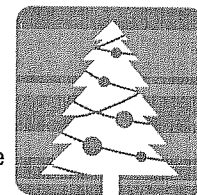

Parks and Recreation

by Helen Hiltz

The Parks and Recreation Department would like to thank everyone who came out to the last concert! The weather was *not* cooperative and the forecast that called for clearing was definitely wrong! We would like to thank all of the Long-meadow parishioners who made the popcorn and all of the people who donated prizes for the raffles. Even the Historical Society braved the elements! Thank-you for bringing the post cards Dan!

On **Saturday, November 8, 2014 - 6-8 p.m.** there will be an **Auburn Coffeehouse**- a relaxed, indoor coffeehouse experience with **Wild Card** (Maureen Juliano & Gary Mavrogeorge), with special guest, **Peter Pappas** and various local musicians, taking place at the **Auburn Village School stage**. Come have coffee or hot cocoa and dessert while listening to some fun music. We will be collecting can goods that will be donated to the Soup Kitchen at the event. Come listen to some soul and fill a bowl! Can you think of a better way to start the holiday season?

The date has been set for the Winter Carnival and Burning of the trees! Mark your calendars....January 24th from 1:00 PM to 4:00 PM. at the Auburn Safety Complex. The Auburn Fire Department and the Parks and Recreation Department will be sponsoring a fun filled afternoon of skating and sliding for all. Remember to bring your Christmas trees to the Safety Complex so that we can enjoy a really big bonfire this year!

Griffin Free Public Library

by Ricky J. Sirois, Library Director

Griffin Free Public Library is proud to announce the start of our Homebound Delivery Program coming in November. This program is designed to help people who cannot get to or use the library due to long-term injury, physical disability, or transportation issues (including inability to drive in winter weather). The library is currently seeking participants who would like library materials delivered to their door once or twice per month.

If you or a loved one would benefit from this program, you can sign up by:

1. Visiting <http://griffinfree.com/2014/09/04/homebound-program>, downloading and completing the registration form, and returning to the library.

2. Picking up a form from the library, completing the form and returning to the library.

3. Calling us during our operating hours and a member of staff will be happy to take your information over the phone.

We are excited to begin offering this service in time for winter, when many people may not want to risk being out in bad weather and the sun sets early. We hope that you will consider using this program, as we already have a number of volunteers and a wonderful grant from the Saul O. Sidore Memorial Foundation to support this effort.

This is a completely free service offered by Griffin Free Public Library in order to provide library service to as many residents of Auburn as possible. We use existing materials, volunteer time, and grant funds to sustain this program. If you care to donate or volunteer in support of the program, please notify Ricky Sirois, library director, at 483-5374.

Library Programs for October

Monday, October 6th, 7:00 p.m. - The Friends of Griffin Free Public Library host their regular meeting; on the agenda will be preparations for the Santa Breakfast.

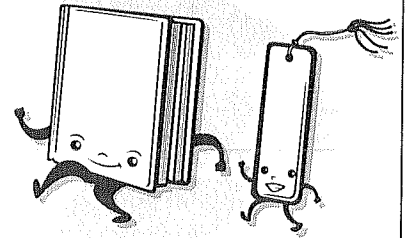

Tuesday, October 14th, 11:00 a.m. - Another Infant and Toddler Storytime with Miss Mary!

Wednesday, October 15th, 6:30 p.m. - Ages 5-9 Puppet Storytime: make your own puppet to take home, and enjoy some puppet stories!

Wednesday, October 22nd, 6:30 p.m. - "Rattle Them Bones" - this skeleton storytime for ages 5-9 will get you ready for Halloween!

Saturday, October 25th, 10:30 a.m. - For older children (9 and up), get ready for Halloween with ghost stories and a chance to decorate the library for the big day!

Note: all storytime ages are recommendations only, parents and caretakers are free to determine which events are appropriate for their own children.

Police Department

Autumn! It's a beautiful time of the year, but I'm not ready. This summer has been great, but very short. The only good thing about autumn to me is the beginning of the NFL season. Autumn also is the start of a variety of law enforcement concerns.

First, school is back in session, and the children are everywhere. They are walking on the sides of the streets, riding their bicycles on the roadway, and hovering around the numerous bus stops in town during the morning and in the afternoon. Some children are safety minded, and others aren't, so drivers have to be extremely alert at all times. For the most part there are no sidewalks in Auburn, and no designated bicycle lanes. We all have to share the road, and do it safely.

To add to the dangers of the added children on the roads during the school season, is the shortened amount of daylight. To point out the obvious, I ask the parents to dress your children in some sort of clothing that will show up clearly during the hours of darkness. Although reflective vests are not a fashion statement, they are great safety items to wear when on the side of the roadway in the dark.

Another hazard of Autumn is the falling leaves. I'm not talking about an angry spouse that has to rake the nuisance in your yard. I mean the colorful little pests that are on the roadway that become very slippery, especially when they get rained on. The leaves also cover the fog lines and the centerlines making it difficult to determine where the road is. Add children to that mix, and it's an accident waiting to happen.

In connection with the school topic and safety I must mention the direction of the traffic flow during the drop off and pick up periods at Auburn Village School. In the morning I believe it's between 7:45 a.m. and 9:30 a.m. that the school zone speed limit is 25 MPH, and again in the afternoon from 2:15 p.m. to 3:30 p.m. I'm sure some of you have seen our Officers on Hooksett Road doing radar during those times, so please drive the speed limit as if it were your own child on the side of the road walking or waiting for a ride. Also, during those specific hours the traffic is not allowed to travel from Hooksett Road onto Eaton Hill Road. The road becomes a one way road in the direction from the safety complex to Hooksett Road. Again, this is for the safety of the children, so please obey that rule.

Also, the traffic laws are for everyone, and they're designed for the very safety I have been writing about. In the past during some of the Town events some of the practices on the roadways have not always been prudent, and were very unsafe. One accident while trying to have fun can have a tragic life long effect. Use your collective heads, and don't perform a Darwinism.

Continuing with the Autumn theme and the safety of the children; let's talk about Halloween. Auburn will observe Halloween on October 26th, a Sunday, from 1:00 p.m. to 4:00 p.m. There should be enough daylight, so that is one issue we don't need to worry about. However, the number of children on the roadways, the slippery leaf covered pavement, and the goal of getting as much candy as possible, must be monitored by everyone to insure the day is a fun day and not a disaster. The drivers must remain alert and drive at a slower speed to help them react to any hazards. Parents must watch their children to insure they don't have a harmful meeting with a vehicle. Also, check your child's costume so their eyesight isn't hindered in any way. Make sure the costume doesn't create any tripping concerns, and that the costume is clearly seen by any driver. These are a few tips to have a safe and fun day. What really matters is the common sense each person displays, and following mature adult leadership.

WOMEN SOLDIERS OF THE CIVIL WAR

Thursday, October 16, 2014 at 7:00 PM

With determination and bravery, hundreds of women disguised themselves as men to fight as soldiers during the American Civil War. Women on both sides of the border cut their hair, traded in their dresses for guns to fight for their respective sides.

These women joined the army usually seeking adventure, or out of patriotism or a desire to be with a brother or a husband, often staying with their units after a husband was killed in action.

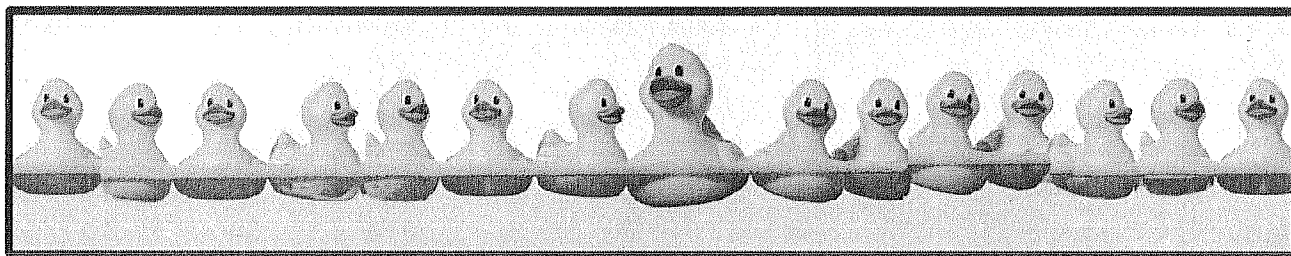

Civil War expert David Decker will provide biographical sketches of heroic women who served for both the north and the south.

Please join us at the AHA building basement at 102 Hooksett Road to learn about the first Woman's Rights Movement! For more information, contact Dee Cleary, 483-2686.

Auburn Garden Club News

by Dee Cleary

Harvest time is bitter sweet!! We have been pulling, scratching & raking the gardens to put them to bed for the winter. The bitter part is that we will not be having fresh produce to put on the table, and the sweet part is being able to rest from all the hard work!! As I mentioned in previous articles, the richness of the soil at Massabesic Audubon produces amazing crops! The harvest put food on our own tables as well as providing fresh produce for the food pantry in Manchester.

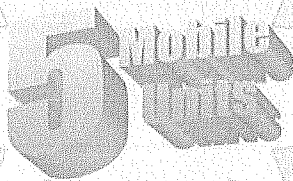

A BIG THANK YOU is in order for all the hard work that Yvette Paris put into making the MAC garden look presentable!!! Keeping up with the weeds is hard work, but gratifying when you see the results of a neat and tidy garden plot. Cheryl Clark's sister Wendy donated beautiful field grown perennials to the club. There will be a flurry of activity in the next few weeks to get them in the ground. A few will be perfect for the "Wedding Garden" by adding additional height, texture and bloom succession. If you would like to be involved in garden planning and sharing, please reach out to Dee Cleary, 483-2686 or dee.cleary@live.com. Our next meeting will be at my house on Tuesday, October 28th, at 7:00 PM, located at 45 Lovers Lane.

Girl Scouts

by Stacey Melendy

Did you know that 90% of all caregivers say that their girls have grown more confident through Girl Scouts? Or that 88% of Girl Scout volunteers say that Scouting helps them stay active? 95% of volunteers say they believe they have made a difference in a girl's life and this makes them happy. YOU can make a difference in a girl's life. You can help make the world a better place, one girl at a time. We are still looking for a few volunteers. If you are interested in scouting, volunteering, or simply have questions about scouting, please contact Rebecca Roy at northboundroys@gmail.com.

Cadette Troop 10020 went to Derry in August to play games and have pizza with Troop 20321. The Girls had a ton of fun together and look forward to making plans with their new friends again. It is always nice when our Girl Scout troops can mingle with troops of girls from other towns/communities and demonstrate to others, what it means to be a, "Sister to every Girl Scout."

5th grade Juniors troop 10518 is excited to be back together this fall! They are starting with a field trip to pick apples and conquer the corn maze at Elwood Orchards- a perfect fall gathering. At the first September meeting the girls made lists of all the activities they would like to do this year and they will certainly be busy. They are eager to earn badges, learn how to teach badge skills, take field trips (including a Museum of Science overnight trip) and cook dinner for a group of seniors.

We have begun our fall fundraiser of nuts, candy, and magazines. Please contact your local Girl Scout for more information and to view our selections. Thank you for your support!

Cub Scouts Pack 127

by Jocelyn Malenchini

Welcome back, Scouts! As much fun as summer offers, sometimes it is nice to feel those fall breezes and to get back to the routine. Pack 127 had its first Pack Meeting of the new school year on Friday, September 12. Since it was also Joining Night, we were so pleased to welcome 11 new scouts and 2 new den leaders to our pack! Our new Tiger den consists of 9 first graders and 2 enthusiastic new leaders, Todd Bedard and Mike Kadlec. We are so grateful to all of our volunteers, and we're sure the boys can look forward to a fun and rewarding year ahead. Thanks also to Auburn's Boy Scouts from Troop 127 who did a great job organizing a fun activity for the Scouts while the parents asked questions and filled out paperwork.

On September 13 we hope you had a chance to stop by our booth at the Duck Race, featuring the Raingutter Regatta. This is just one of many fun events that Cub Scouts can participate in throughout the year.

If you're a runner, you may have caught us passing out water at the New Hampshire 10 Miler, which looped around Lake Massabesic, right here in Auburn. Or perhaps we handed you a cup at the Half Way to St. Patrick's Day race in Manchester.

And if we missed you at all of those events, surely we tried to sell you some popcorn! You may have seen us at local convenience stores over Deerfield Fair weekend, or perhaps a Scout has been knocking on your door.

This month has us all looking forward to our annual Cubmobile race, in which the boys will launch themselves, one at a time, down a hill in a soap-box-derby-style car. The key is to steer straight and keep a hand on the break! Safe racing, boys!

We are also excited for our Fall Camping Adventure at Camp Carpenter. This is a fun weekend both for experienced Scouts, and for new Scouts who want an introduction to what Cub Scout camping is all about. We hope to see lots of Scouts there!

To buy popcorn, or to donate popcorn to the men and women of our military, or for more information on joining Auburn's Cub Scouts, please contact: stacey-melendy@gmail.com

News from Auburn Dollars for Scholars

Thank You to the many contributors that showed their support at the Duck Race.

We are desperate for new members!

Auburn Dollars for Scholars is a volunteer chapter of the national Scholarship America Organization. We currently have only 3 members. To maintain our national status we must expand. The positions we are looking for are: Treasurer, President, and Vice President (and as many people as we can get). This commitment is approximately 20-25 hours per year. We have been distributing scholarships to Auburn students for more than 30 years. This may be the last year we would exist. If you are interested in the future of Auburn's students, PLEASE consider getting involved.

AUBURN VILLAGE SCHOOL PTA TO HOST
CHILDREN'S STAGE ADVENTURES PRODUCTION OF
THE SWORD CALLED EXCALIBUR

The Auburn Village School PTA will be hosting the Children's Stage Adventures (CSA) program from Monday, October 27 through Saturday, November 1st. For the fall CSA program, all elementary students in the 1st through 5th grades are invited to audition. This spring's production is *The Sword Called Excalibur*.

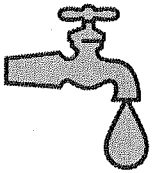

After auditions on Monday, October 27th, participating children will rehearse each day after school to finalize the production. The rehearsals will be directed by Lorrie Gray, from Sullivan, NH, and Ben Regan, from Long Branch, NJ, who will serve as the team of Actor/Educators from Children's Stage Adventures. After these daily rehearsals, the performances will be held on Friday, October 31st at 6:30pm and Saturday, November 1st at 11:00am in the Auburn Village School gymnasium. Please mark your calendars now to come out and support the youth of the Auburn community while enjoying a great show!

More information regarding auditions will be provided mid-October to elementary school students via AVS. If you have additional questions, please contact Ami D'Amelio at amidamelio@gmail.com or Kara Costello at mkhrcostello@aol.com.

The **4th Annual Auburn Father Daughter Dance** was a huge success! Not only did over 250 attendees enjoy a magical evening in Candyland, but the planning committee is proud to announce they have donated almost \$3,450.00 to the AVS Music and Arts programs, Auburn families in need via AVS, and the Auburn Baseball and Softball League for public sports clinics. Pictured here in the donation presentment (L to R) Grayson Tellier, Sydney Pelletier, AVS Principal Lori Collins, Madeline Frank, Royce D'Amelio, Kylie Peabody, and Brian D'Amelio, Auburn Baseball and Softball League President and AVS School Board Member. Not pictured: Julia Wood, Lauren Tellier, and Maison D'Amelio.

Health Officer Announcement

WHAT'S IN YOUR WATER ?????

By Carrie Rouleau-Côté
Building Official/Health Officer

The State of New Hampshire Department of Environmental Services recommends that private well water be tested on a regular basis, every 3 - 5 years.

Common analysis would include bacteria, nitrate/nitrite, iron, lead, chloride, arsenic, manganese, copper, fluoride, pH, hardness and sodium. Additional testing could include radon and volatile organic compounds (VOCs)

Throughout the month of September water sample test kits will be available at the Auburn Town Hall. Residents will be offered discounted fees for analytic testing of private well water samples as well as an opportunity for a convenient, local drop off option.

Residents will collect their own sample (directions and containers provided) and will have the ability to drop the sample at a centralized drop off at Auburn Town Hall on Monday, October 6th from 8 a.m. - 7 p.m.

Results will be emailed directly to the homeowners.

To learn more about DES Water Quality Standards, or water testing providers, contact the Auburn Building Department at bldginsp@townofauburnnh.com or call during office hours at 483-5052 x 3.
