## NEW AVS PRINCIPAL!

The Auburn School Board is pleased to announce the appointment of Lori Collins as AVS principal. We have designated the first hour of our next regularly scheduled School Board meeting as an opportunity to meet and interact with our new principal. Please join us on Tuesday, May 13, 2014 at 6:00 pm in the AVS Music Room to help extend a warm, Auburn welcome to Lori. We look forward to seeing you there.

Thank you, Auburn School Board

## Citizens Service Auburn

Since the March elections, there have been a number of Auburn residents who have been appointed to serve on various town boards and committees, or in specific positions.

The Board of Selectmen has re-appointed Edward Fehrenbach, Jeffrey Porter and Stephanie Hanson to terms on the Conservation Commission, while Mike DiPietro, Eva Komaridis and Dan Carpenter have been re-appointed to terms on the Highway Safety Committee.

Sharon Blum and Lorraine Senechal have been re-appointed as Alternate Library Trustees, while Lisa Canavan and Patrick Kelly have been given new terms on the Parks and Recreation Commission.

Elizabeth Robidoux and Mike DiPietro have been re-appointed as members of the Zoning Board of Adjustment, while Robert Beaurivage and Kevin Stuart have been given new terms as Alternate Members of the Zoning Board of Adjustment.

Elected Tax Collector Kathleen Sylvia has been re-appointed as Deputy Town Clerk, while Susan Jenkins has been re-appointed as the Deputy Tax Collector.

## Griffin Mill Bridge

Efforts are moving forward to design and permit the rehabilitation of the Griffin Mill Bridge. Stantec Consulting has been working with Town officials, affected local residents and the Manchester Water Works to design the bridge work, in addition to the temporary access that will be needed during the construction efforts.

At this point, there is not specific start date for this work effort, which is dependent upon the issuance of the Wetlands and Shoreline Protection permits that will be required through the NH Department of Environmental Services.

Within the past few weeks, it has become clear the NH Legislature is going to approve an increase in the "road tolls" (i.e. - gas tax). This action is going to result in significantly increased funding to the Municipal Bridge Program. Instead of the potential of a 10+ year wait for needed funding for the Griffin Mill Bridge project, this increased funding could reduce the wait for Auburn to potentially a three to five year time frame.

In order to potentially secure 80% state funding for this work effort, the Board of Selectmen has decided to apply for the Municipal Bridge Aid Program administered by the NH Department of Transportation in order to determine how much the time frame may have changed. If the new funding dramatically makes a difference, a decision may be made to postpone the actual construction work for Griffin Mill Bridge in order to secure the 80% state funding for this project.

## Town Property Maintenance

The Town recently put the mowing and care of 12 Town properties, parks and ballfields out to competitive bid. This is something the Town does regularly once every three years. A total of eight contractors submitted proposals. After a careful comparison and a check of references on the four lowest vendors, the Board of Selectmen awarded the contract to Bill Jones & Sons Lawn Care and Landscaping of Manchester. Their total bid proposal was \$26,900, which is slightly less than the funds budgeted for this work.

## The Screaming Eagles

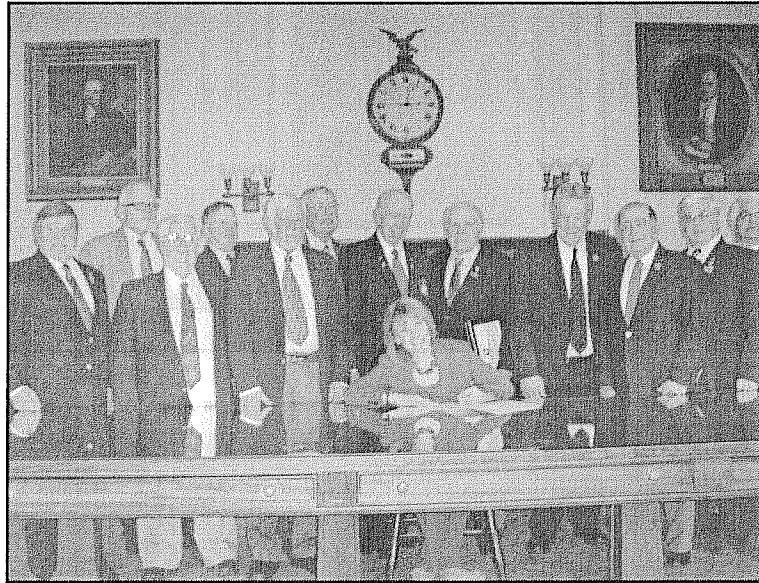

The New Hampshire Legislature has just approved legislation that will name a portion of New Hampshire Route 101 after the historic 101<sup>st</sup> Airborne Division. The "101<sup>st</sup> Airborne Screaming Eagles Highway" will run from the intersection of Route 101 and Interstate 93 in Manchester through to the Auburn/Candia town line near Exit 3.

Appropriate signage honoring all New Hampshire veterans who have served with the 101<sup>st</sup> Airborne Division will be erected along that stretch of Route 101.

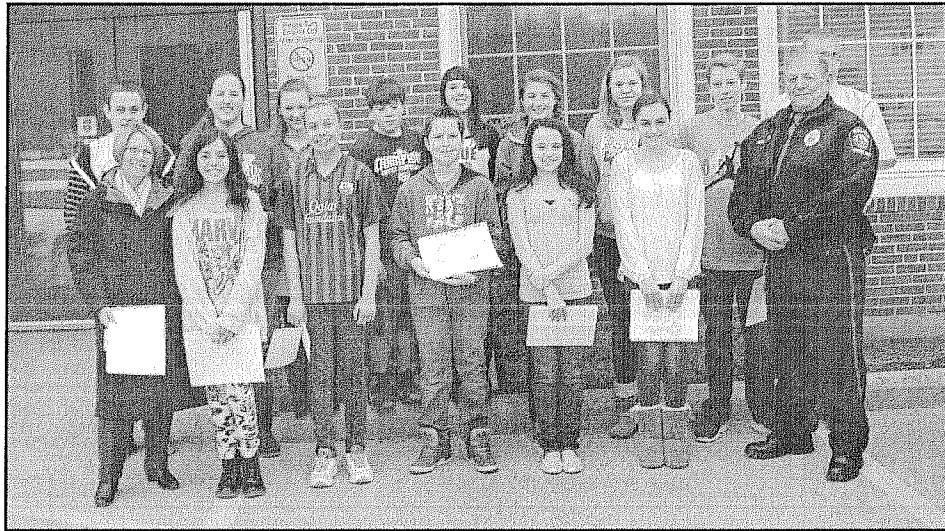

Auburn Selectman James Headd participated in the bill signing ceremony held at the State House on April 22<sup>nd</sup> with Governor Hassan.

**THE SCREAMING EAGLES** - Governor Maggie Hassan signs into law SB 15 which names virtually all of NH Route 101 in Auburn the "101<sup>st</sup> Airborne Screaming Eagles Highway" in honor of all New Hampshire veterans who have served with the 101<sup>st</sup> Airborne Division. Participating in the signing ceremony at the Executive Council Chambers at the State House was Auburn Selectman James Headd.

Other pictures in Town Report: Taylor Dudek, Lauren Sylvain, Maggie Vaillancourt

Other entries: Edith Aguirre, Sean Canavan, Avelina Carbone, Grace Daniele, Matt Furgal, Olivia Griffin, Rylee Scammon, Katilyn Turner, Tuckerman Wozniak

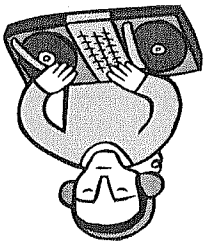

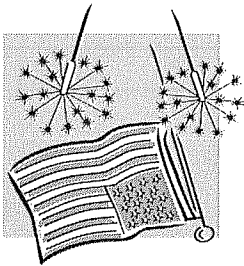

Presenting awards from Michaels Stores and Dairy Queen to the participants were Town Clerk Joanne Linxweiler, Police Chief Ed Picard & Library Director Ricky Sirois.

The 2013 Annual Town Report can be viewed online at the Town's website [www.auburnnh.us](http://www.auburnnh.us) or a limited number of print copies are available at Town Hall.

Memorial Day Bazaar, Sunday, May 25

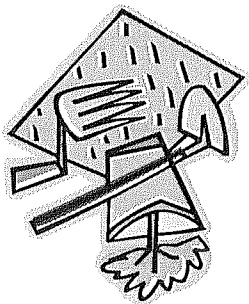

**Memorial Day Bazaar** - Get out your blankets and chairs and brush off the dust and the cob webs. It /S/ spring time in Auburn and the fun is about to begin! Mark your calendars and join us on May 25<sup>th</sup> - 3:00 PM at Wayne Eddows Memorial Park for the Memorial Day Bazaar. We will have three face painters this year! The bouncy houses will be waiting for all of the energetic children. The barnyard animals and the reptile exhibit will thrill children and adults alike. We will have a DJ playing music to tap your feet to and doing karaoke. There will be vendors for your shopping pleasure and all of your favorite fair foods to enjoy. The Auburn Fire Department will be there with a "touch a truck" for all of our little firemen to enjoy. Who knows ... maybe "Smokestack Jack" will make an appearance! And to end your day...Hooksett Fireworks will be providing a fantastic fireworks display for all to enjoy. Hope to see you all there!

**Concert Series** - Shortly after the Memorial Day Bazaar, the concert series begins. This year free popcorn will, graciously, be supplied at the Circle of Fun Playground/Gazebo concerts by the Longmeadow Congregational church. The concerts will be held on June 19<sup>th</sup> and August 21<sup>st</sup> from 6:00 PM to 8:00 PM at the gazebo (corner of Rt. 121 and Bunker hill Rd.) We have added a "coffee house" type of concert this year as well. It will be held at the Auburn Village School on November 8<sup>th</sup> from 6:00 to 8:00 PM.

**Auburn Garden Club** - With spring in the air, the newly formed Garden Club is kicking into gear with several new members and garden projects lining up. A few members assessed the needs of the garden at the Welcome Sign at exit 2, the Audubon's "Wedding Garden", the Auburn Historical Association and the War Memorial Park across from Town Hall. Millie Eisman invited us to visit her garden across the street from the War Memorial Park. She has been gardening since 1945, and at 90 years old, she is still weeding and moving plants around!!! Millie has generously offered to share her hydrangea shrubs as well as some well established perennials with us. We have slated a member meeting in the gardens at the Audubon **Tuesday, May 6th at 6:30** to view our designated garden beds and plan the design of the Wedding Garden, which is the most visible garden seen while standing at the arbor at the entrance to the garden. We are in the process of scheduling garden tours of each other's gardens and creating lists of plants that will be relocated to the Audubon beds for propagation. If you share the love of gardening and would like to join us, please email: [dee.clearly@live.com](mailto:dee.clearly@live.com) or call Dee at 483-2686. Happy Garden-

ing!!!

### **Auburn Fire Department to Participate in Nuclear Decontamination Exercise**

The City of Manchester, NH has accepted the designation as a host city for evacuees of several towns around the nuclear power plant in Seabrook, NH. Basic responsibilities include acceptance, monitoring and possible decontamination of evacuees in the case of a radiological release of materials from the plant. A team has been developed and trained by the Manchester Fire Department and the Hillsborough County Sheriff Department. The team members are made from the Hillsborough County Sheriff's Department, Manchester Firefighters and their families, surrounding town fire departments, **Auburn**, Bedford, Goffstown, Hooksett, the Manchester Medical Reserve Core, Goffstown Cert Team, AES Ham Radio Group, State Department of Health and Human Services, and other City and State departments.

All previous training as it relates to the Radiological Emergency Response Plan (RERP) will be put to the test. Participating agencies will be graded and the exercise will take place on Monday, May 5<sup>th</sup> at the Memorial High School, in Manchester, NH.

The RERP organizes emergency capabilities for a rapid and coordinated response to any incident at a commercial nuclear power plant in or adjacent to NH (i.e., NH Seabrook and VT Yankee nuclear power stations). The NH Division of Homeland Security and Emergency Management (HSEM) will coordinate the plan and delegate responsibilities to other state and private agencies. The Department of Health and Human Services (DHHS) Commissioner is assigned responsibilities to establish and manage Registration and Rendezvous Services (R&RS) at Reception Centers in the event of a need to evacuate the population from impacted areas. Whenever a significant incident occurs at a commercial nuclear facility, HSEM mobilizes a decision-making team at the state's Emergency Operations Center (EOC). This team classifies the incident in conjunction with the utility involved. All evacuees will be registered, their housing and other needs determined, and assistance provided to reunite them with other family members. Coordination with other Reception Center operations will be established and maintained. The Coordinator of Emergency Services (CES) will be in continual contact with R&RS staff at the EOC and respond to needs for material and staffing resources. If an incident at the Seabrook or Vermont Yankee nuclear power stations requires the evacuation of towns in any affected areas, the host communities of Manchester, Dover, Rochester and Keene will open Reception Centers, as needed, in selected schools in each host community. Evacuees will register upon arrival at a Reception Center and be referred to a Red Cross shelter as necessary.

As you can see, the Auburn Fire Department continues its quest to maintain the highest levels of readiness and proficiency for the protection of both the local and surrounding communities.

## AUBURN HISTORICAL ASSOCIATION

### May Program: An Evening with Steve Taylor

**Wednesday, May 21 at 6:30 PM**

#### **"COWS & COMMUNITIES"**

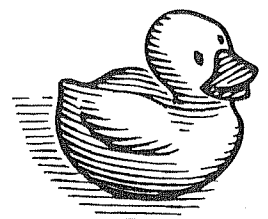

**How the lowly Bovine has nurtured NH through four centuries.**

Please join us on Wednesday evening **MAY 21, 2014 at 6:30** to hear Steve Taylor's "good old" Yankee story telling. With wry humor, Steve will give a talk about how cattle were essential to the survival of the earliest NH settlements. Their contributions have been central to the life and culture of NH ever since. Taylor, sharing his father's passion for farming, started the Taylor Brother's Farm in Plainfield NH for his family. A thriving 160-acre farm, it features 120 head of cattle, a creamery & store and a maple sugar operation. Holding the position of Commissioner of Agriculture for 25 years, Steve has shared his commitment to the celebration & presentation of an old New England way of life.

The History of Auburn's Sawmills presentation was a great success!! Seventy people joined us to hear the stories and view the images of the mills and the people that owned them, including photos of the 1936 flood and the hurricane of 1938. A big THANKS to all of the folks who shared their family photos and stories with AHA!! Everyone came away with more knowledge of Auburn's history.

**OPEN HOUSE - The AHA Museum is open the third Saturday of each month from 1:00-4:00.** On May 17<sup>th</sup>, we will be out in the yard cleaning up the grounds and will have stories and artifacts to share with you in the museum. Please stop in to see us!! President, Don Dollard and our Secretary, Ann Dollard, announced at the April board meeting that they are stepping down from their leadership roles. Dan Carpenter has been asked to lead the organization. THANK-YOU Don and Ann, for all your time and effort throughout the years in making Auburn Historical Association an organization to be proud of!!

**DUCK RACE -** We have proposed several goals for the annual Duck Race. Foremost, this will be a community event, which all town organizations can participate and enjoy. With an increase in participation and attendance, we feel that everyone will be able to promote their organization. We have voted on the introduction of a 5k TRAIL RACE as well as a 30' climbing wall. If your organization would like to participate in the planning or assist in managing, please reach out to **Dan Carpenter, 483-8432 or Dee Cleary, 483-2686**, and together, we can make the **ANNUAL DUCK RACE** an event to remember!!

## Griffin Free Public Library

by Ricky Sirois, Library Director

Great news for all of you who bring youngsters to the library! Starting this month, our storytimes (and some other children's programs) will be designed for specific age groups. This will help you in deciding which Griffin Free events are best for you and your children.

- Once a month, we will have a storytime for little ones (0-4). These will be held on Tuesday mornings at 11:00 a.m., and will involve stories and a basic activity (clapping games, movement, dancing, or other age-appropriate activities).

- Twice each month, we will have a storytime and activity for ages 5-8. These will involve more advanced stories, along with a craft, game, outdoor, or other more advanced activity. One will be held on a Wednesday at 6:30 p.m., and one will be held on a Saturday at 10:30 a.m.

Once a month, we will have an activity/project for older children (9 and up). This will be a very involved craft, design, game, building, or other project that will usually lead to something being taken home. These activities will not feature stories, but there may be books and other materials available for anyone wanting to know more about the topic. These activities will be held on Wednesday evenings or Saturday mornings, depending on the activity and time of year.

Please note: Griffin Free feels that you are the best person to make a decision about what events are good for your children. Any child, of any age, who is able to enjoy and appropriately interact with the project and other attendees is welcome to attend any event. We are providing only a guide - not a restriction.

The times and age ranges were chosen based on existing user feedback, examination of other libraries' children's programs, and discussion amongst staff of Griffin Free Public Library. We encourage you to provide feedback about this new system any time either in person, by phone, or using email. We would love to hear what you think about the age ranges, the event days/times, or any other information you can provide.

In other news, work is starting to pick up on this year's Book Sale, scheduled for July 26<sup>th</sup> and 27<sup>th</sup>. We will be looking for our usual heap of volunteers to assist with transportation of books, setup of tables, and arrangement of sale items, all taking place on the evenings of July 23<sup>th</sup>, 24<sup>th</sup>, and 25<sup>th</sup>. In order to better organize this year's sale, we will be holding a Book Sale volunteer informational meeting on Tuesday, May 20<sup>th</sup> at 7:00 p.m. If you are interested in volunteering, you can sign up at the library or by emailing [fay.frank@comcast.net](mailto:fay.frank@comcast.net), and we would love to have you attend this meeting as well.

Finally, a huge thank you to all who attended and volunteered for this year's Open House! The great weather meant that some of our usual visitors were lost to the great outdoors, but we still had a good turnout and a great afternoon enjoying the library!

Auburn Lions Club

YARD SALE  
SATURDAY, MAY 24  
MYLES TRAVEL PLAZA  
8:00 AM - 2:00 PM

By Dave Rogers

The Lions club will be hosting a yard sale on Saturday May 24 at Myles Travel Plaza. Vendors are welcome and with your table, the cost is \$15.00, but we have some tables available for \$20.00. The time will be from 8:00 AM to 2:00 PM and you may contact Judy Minakin at 483-8040 for more information.

## Griffin Library May Events:

**Saturday, May 3th - 7:00 p.m.**

Movie Night: enjoy an Oscar-winning film and free popcorn. This month's movie tells the story of the friendship between an aging lady and her driver.

**Monday, May 5th - 7:00 p.m.**

Friends of Griffin Free Public Library regular meeting - all are welcome!

**Saturday, May 10th - 11:00 a.m.**

Storytime for 5-8 year-olds: Mother's Day - Enjoy some stories about Mother's Day and make a craft to give to someone special.

**Monday, May 12th - 6:30 p.m.**

Author talk: *The Adventures of Buffalo and Tough Cookie* - this New Hampshire hiking adventure is a true story about a unique friendship forged on the trails of some of the state's most beautiful scenic hikes. Author Dan Szczesny and his protégé (the *Tough Cookie* of the book's title) will talk about their journey and the wonders of New Hampshire's majestic mountain trails. Please note that space is limited for this event, and advance registration is required in order to reserve your spot.

**Tuesday, May 13th - 11:00 a.m.**

Storytime for infants and toddlers: We will sing songs, play finger games, and meet a new library friend!

**Wednesday, May 14th - 6:30 p.m.**

Ages 9 and up activity: Loom Bands! - Bring your loom and we'll bring the bands. Work with your friends to create the best designs - and show them off to everyone you know!

**Wednesday, May 21st - 6:30 p.m.**

Storytime for 5-8 year-olds: Scooby-Doo Party - Make your own "Scooby snacks" and help solve another mystery. Bring a friend to share in the fun!

**Thursday, May 22nd - 6:30 p.m.**

New Hampshire Downloadable Books class - learn how to navigate and use the NHDB website to get all the ebooks and downloadable audiobooks you want - on almost any device. Registration is required.

**Saturday, May 31st - 2:00 p.m.**

Movie Matinee: enjoy a fun family movie and free popcorn. This month's feature is about the adventures of a particularly lively group of puppet creatures, at least one of whom is a Scandinavian cook.

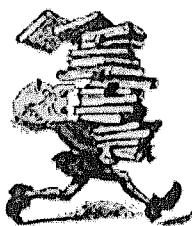

## The Griffin Free Public Library Book Sale and Planning Meeting

The Griffin Free is already planning this year's Book Sale which will be held on Saturday, July 26 from 8-3 and Sunday, July 27 from 11-3. Sunday will be bargain day; fill one of our bags for only \$4.00!

As in previous years, we are asking for donations of books, audio books, DVDs, CDs, games and puzzles (no textbooks or damaged books please). This is the very best way to recycle and to pass on your gently-read books so that others can enjoy them. Please bring them when the library is open, so they don't get ruined on the porch.

The Friends of the Library are planning a bake sale that day and will have drinks and food for sale with a corner where you can relax and have a snack or lunch while you shop.

As always, it takes a lot of work by many volunteers to make this a successful fundraiser. **This year, for the first time, we will be holding a planning meeting on Tuesday, May 20 at 7:00 at the library.** If you are interested in helping and are wondering what's involved, please come and see what it's all about. Even if you've helped before, we'd love to have you attend - and bring a friend! If you can't attend, but would like to help, please call Ricky at the library at 483-5374 or stop in and talk with him.

## Auburn Village School is going to DI Globals!

The Destination Imagination Team, the Humaliens, has won the incredible opportunity to represent NH at the Global Finals Competition. This team hopes to join the thousands of other DI students from all over the United States and around the world. They will be competing in Knoxville, TN May 21<sup>st</sup> through the 25<sup>th</sup>.

In order to advance to the Global finals, teams competed at a NH regional and then a state final meet in one of several challenges designed to encourage creativity, problem solving and teamwork. This team of six 3<sup>rd</sup> and 4<sup>th</sup> graders chose the challenge entitled "Going to Extremes." In this challenge, teams:

- Learn about extreme environments that exist in our universe.
- Present a story about characters who attempt to adapt to the conditions in order to survive in the extreme environment.
- Design and create gear that is demonstrated by using technical methods.
- Design and create a depiction of the extreme environment.

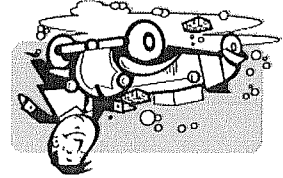

### How You Can Help Get Them There

Our team is now faced with the challenge of coordinating multiple fund raisers to raise approximately \$11,000 to cover travel, prop shipment, board and room for this spectacular opportunity. We would love to be able to count on you as a supporter of this AVS DI team as they move on to Global Finals and YOU can help in several ways.

- Attend Louko'Mama's for lunch or dinner on Thursday, May 15 and 15% of proceeds go to DI
- Purchase Chunky's Cinema Pub Movie tickets by May 13 and pay only \$6, a saving of 20% (Good Monday to Thursday for one year, contact Karrye at 361-8388 or karryeb@gmail.com)
- Consider making a monetary donation to help defray the costs.

Donations may be made payable to Auburn Village School DI and sent to Auburn Village School c/o Eileen McDonald, 11 Eaton Road, Auburn, NH 03032

Thank you for your support!

## Auburn Village School 8<sup>th</sup> Grade Fundraiser CAR WASH

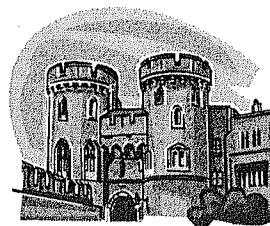

Saturday, May 24 9:00 AM – 12 Noon

The 8<sup>th</sup> grade students from Auburn Village School will be hosting a car wash in front of the school on Saturday morning, May 24, from 9 - 12. Please come and show your support for their end of the year activities by your charitable donation!

## Spring Senior Trip

## Annual Father Daughter Dance

**Friday, May 9**

All Auburn Dads and Daughters are cordially invited to a special night out at the 4<sup>th</sup> Annual Father Daughter Dance for *"An Evening in Candyland"*. The Dance will be held at Auburn Village School on Friday, May 9, 2014 from 6:30-9:30pm. Enhance your special night out by adding on the Daddy & Me Dinner option before the dance from 6:00-7:00pm.

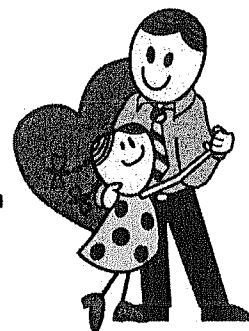

For this year's event, we will have a silent auction offering awesome local experiences, a concession stand from 7:30-9:30pm, a commemorative photo and frame for \$5.00 as well as a variety of themed activities you can only find in *Candyland*. Of course, there will still be plenty of time to shake your sugar on the dance floor!

All proceeds will be divided equally between AVS Music & Arts, Auburn Little League Sports Clinics and Auburn Families in need.

Visit [www.AuburnFDD.com](http://www.AuburnFDD.com) today to download an advance reservation form and save on dinner and dance tickets.

***Remember: no moms or brothers allowed ... this event is for Fathers and Daughters only :-)***

## Girl Scouts

by Stacey Melendy

The Girl Scouts of Auburn had a fantastic time at the See Science Center in Manchester on April 4<sup>th</sup> and 5<sup>th</sup>. The girls were allowed into the facility after it closed to the public on Friday evening. The crew at the center showed the girls many interesting activities including how static electricity is generated, what it is like to walk on the moon, and a treasure hunt. They also mixed up a very goopy craft to take home. The girls picked out any spot in the center to sleep for the night. Not much sleeping was had though, as the girls played hide and seek until the wee hours of the morning. It was a great experience for the troops to share together.

Brownie Troop 20001 is hard at work on their project to clean up the Lake Massabesic waterfront. They are working closely with Manchester Water Works head forester, and will be conducting a clean-up day in May with area Girl Scouts. The girls will also be purchasing signage to remind us all to, "Make the World a better place!"

Cadette's enjoy some Zumba!

Junior Troop 20835 had a great time selling cookies at their cookie booth on March 8th. The girls partnered with Daisy troop 12166 at the Market Basket in Hooksett. They sold out of cookies and received many donations! The girls also earned their drawing badge this month. Each girl drew a still life in colored pencil and learned shading techniques in order to make their drawing look more realistic. The girls also pretended to be graphic artists for the afternoon and created their own personal logos. It was fun to share all this fabulous artwork at the end of the troop meeting.

Cadette Troop 10020 had fun participating in the Children's Stage Adventures, where most of the girls earned their Public Speaking Badge. The Troop also went to a Fitness Night held by the Bedford Girl Scouts. Girls and moms danced Zumba for 2 hours and had a great time.

## Cub Scouts

### Pack 127

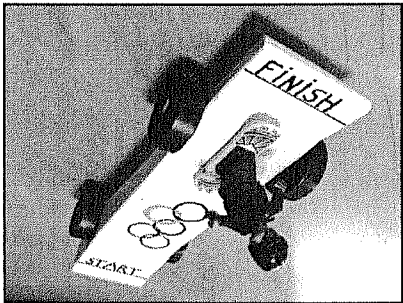

Auburn's Cub Scouts became woodworkers and racers last month for the annual Pinewood Derby, held this year on March 22<sup>nd</sup> at the AVS Gymnasium. As Scouts and families entered the school, the smell of sawdust wafted out from the cafeteria, which had become a pit stop for last minute adjustments. Graphite lubed the axles while donuts fueled the racers. It was a great day of friendly competition and good sportsmanship.

by Jocelyn Malenchini

This year's Tiger Cub winners were Dylan Roy in first place, Matthew Speltz in second, and Matthew Dennis in third. This year's Cub Scout winners were Sam Baker in first place, Nicholas Locke in second, and Zachary Fish in third. Sam Baker went on to take third place in the Massabesic District race, held on April 5<sup>th</sup> at St. Anthony's in Manchester. The Scouts also competed for creativity in their interpretation of themes. This year's theme winners were Ben Hallee for Most Scout-like Car, Con- Esteban Oriol for Most Olympic-like Car, and Harry for Most Space-like car. Congratulations to all!

April held even more excitement for Pack 127 as the Chuckwagon Derby got underway on April 12<sup>th</sup>. Twenty Scouts from our pack enjoyed their sunny spring day by pulling and pushing their two covered wagons to fifteen stations positioned around Long Pond at Camp Carpenter in Manchester. The stations tested their basic Scout knowledge, like first aid and knot tying, and introduced new skills, such as using GPS navigation and working with robotics. While the Pinewood Derby is an individual competition, the Chuckwagon Derby requires extensive team work. The Scouts displayed leadership, cooperation, enthusiasm and a positive attitude. Congratulations to all the Scouts on their outstanding efforts and accomplishments!

## Longmeadow's May Breakfasts!

### Saturdays May 3 and 17

Summer is almost here. The Longmeadow May breakfasts are the last before the summer break. Please join us and your friends for breakfast at the Longmeadow Church (corner of Wilsons Crossing and Chester Rd). In May the "all you can eat" breakfasts are on the 3rd and 17th. The next ones are in the fall on Sept. 6<sup>th</sup> and 20<sup>th</sup>. It is served at the church from 7-10 am for a donation of \$5.00 for adults, \$3.00 for children 6-12, and free for children under 5. Offered on the menu are eggs - your way, french toast, various types of pancakes, home fries, sausage, bacon, fruit salad, assorted homemade muffins, homemade beans, toast, juices, and coffee. Please come and enjoy with your friends and family the "best" breakfast in Auburn!

## Longmeadow Congregational Church

by Rev. Ruth Gallot

### Are You Looking for a Place to Worship?

Longmeadow Congregational Church, United Church of Christ at 4 Wilson's Crossing Road in Auburn invites you join us as together we worship and celebrate of the Resurrection!

We gather for **Worship on Sunday mornings at 9:30** with Sunday School and child care available at the same time.

Spring has arrived and we look forward to planning our end of program year activities. We are so grateful to the Auburn community for supporting our church and its outreach activities. We were very touched that some of our neighbors who attend our twice monthly breakfasts joined us in knitting/crocheting blue and yellow scarves for runners at the Boston Marathon in memory of those who were killed in last year's bombing and to encourage those who were injured and those who returned to run this year. Together we stand strong.

Thanks also to all who came to our Rummage Sale in April and we invite you to come once again for a Yard Sale coordinated by our Ladies' Circle on May 31.

The children in our Christian Education Program were delighted to raise enough money for Heifer Project International to send 11 flocks of chickens to people whose lives will be changed by someone investing in their lives.

As you drive down Wilson's Crossing Road this summer you might want to take a peek at what is going on in the field to the left of our church building. Thanks to funds received from the Lilly Endowment, we will be creating a Serenity Garden and look forward to sharing this special place with our Auburn neighbors.

Are you planning any special events this Spring or Summer and looking for that special venue? We invite you to inquire about renting our Fellowship Hall for your event. Just call the church office for details, 483-2907

Yes, Spring has Sprung and God is continuing to speak and lead us in new and exciting ways. Where ever you are on your spiritual journey, we invite you to journey with us at Longmeadow Congregational Church, UCC. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

## St. Peter Roman Catholic Church

May is the month of Mary, Mother of God. In Mary's honor, we will pray the Rosary on Tuesday evenings in church at 6:30 pm.

Our second graders will receive First Holy Communion on May 10 at 10:00 am.

May 29 is a holy day of obligation: *Ascension of the Lord*. Masses are at 7:00 am and 6:30 pm.

Our weekend Mass schedule: Saturday: 4:00 pm; Sunday: 8:00 am and 10:30 am. Confessions are heard on Saturdays from 3:00-3:30 pm, or by appointment.

**"Believe, Dream, Inspire"**

On March 12, 2014 five Auburn Village School students were recognized at the State PTA Reflections Exhibit for their submissions to this competition held at the Gilbert H. Hood Middle School in Derry. Congratulations to the following students. Your school and community are very proud of you!

**Staff Pick  
Cole Bouchard-Liparto**

Fifth grader, Cole Bouchard-Liparto proudly displays his artwork that was selected as

The "Staff Pick" during the AVS PTA Reflections Art Show held in January. Cole dreams that someday he will be able to inspire his parents to allow him to have a dog like the one in his drawing. This PTA sponsored activity allows students to express their artistic talent using various mediums related to a theme. Special thanks to the Auburn PTA for supporting this program and congratulations to Cole for being chosen as this year's "Staff Pick". Next year's theme will be: "The World Would Be a Better Place If..."

## AVS Garden Celebrates Earth Day!

by Rachel Dowd

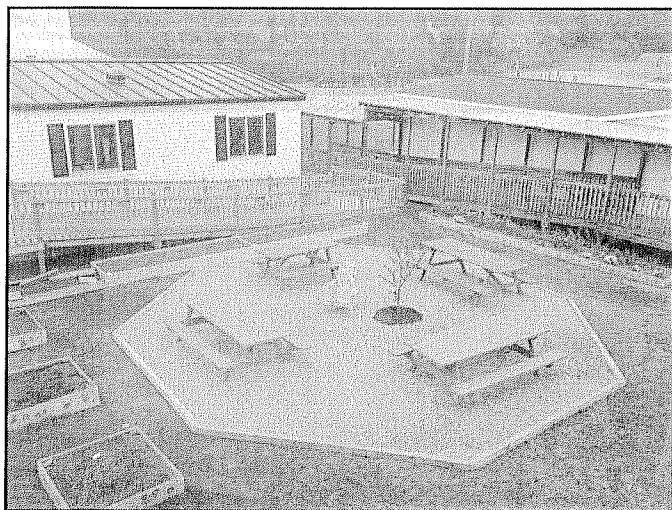

We are pleased to announce that plans are underway for the 4<sup>th</sup> growing season in Auburn Village School's Learning Garden! This collaborative effort sprouted from parents in the PTA and the AVS Wellness Committee, and is embraced by teachers and students alike. By the time you read this newsletter we will have finished celebrating Earth Day in the Garden with activities including: a healthy smoothie station, a baby chick petting station, a seed planted in a recycled milk carton with a wish written on paper, Yoga & Tai Chi stretching station, rock & face painting, and much more! Earth Day marks the beginning of our new season and creates a lot of excitement for students as they look forward to getting outside to apply their learning in the great outdoors!

Teachers and students will once again be able to use the garden to enhance their subjects in the areas of Science, Math, Social Studies, PE, Writing, Music and Art. The garden also serves as a platform to reduce obesity by promoting appreciation for a healthy diet and outdoor lifestyle and appreciation of the natural world. Principal, Sean Pine has always supported the garden and had the following to say after watching the corn harvest last fall, "It's a truly wonderful thing to see what the children are learning outdoors and to see how the garden allows it all to come to life!"

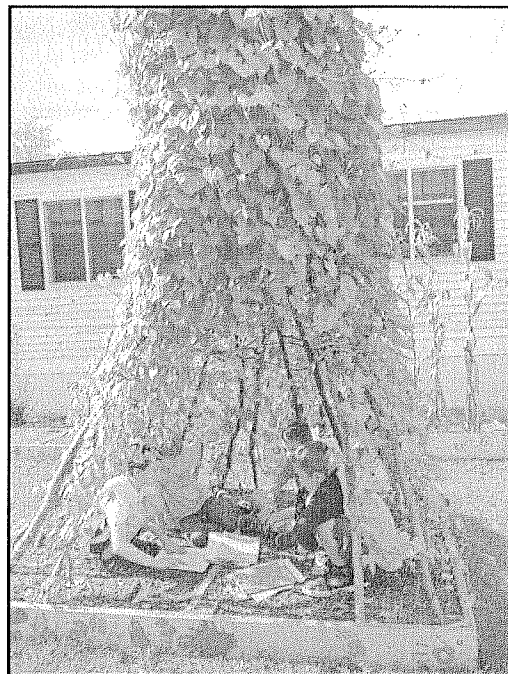

Last year's biggest accomplishment was the outdoor classroom built by 7<sup>th</sup> grade students in which they utilized their geometry skills to plan the space, craft the frame and spread the wood chips. The space has 4 large tables and a peach tree in the center that was planted on Earth Day 2013. There is also a new Tee Pee that 7<sup>th</sup> graders from the Nature and Garden class built so that kindergarteners could plant climbing green beans and Morning Glories, allowing for a shady place to relax and read. First graders were mentored by 5<sup>th</sup> graders for the planting and harvesting of potatoes that were later roasted in the lunch room once again. Fourth graders planted corn that was successfully harvested by them as 5<sup>th</sup> graders in the fall and enjoyed as popcorn in December! The 2<sup>nd</sup> grade team planted both daffodils and tulips, as well as peppers and sunflowers. Third graders started mini pumpkins from seed indoors and then planted them outside to later enjoy in the fall as 4<sup>th</sup> graders. In the fall of 2012 the entire 4<sup>th</sup> grade was able to pick one of 68 birdhouse gourds they grew in the garden, dried them over the winter months, drilled a hole and then painted the bird houses bring home!

Finally, the school cafeteria began composting last year with help from the 7<sup>th</sup> graders who built the compost bins and 2<sup>nd</sup> graders who bring scraps outside weekly. This year the school has added two indoor worm composters in 5<sup>th</sup> and 7<sup>th</sup> grade classrooms where fruit and veggie snack scraps help worms make a compost "tea" for plants and fresh compost for fertilizer.

If you are interested in helping with the garden, making a donation or in-kind gifts, our wish list includes: water proof gloves, 5 gal buckets, wood chips, mulch, gazebo tent for shade, gift cards to hardware or retail stores with garden centers. Volunteers are always welcome to help out in the garden and may contact 7<sup>th</sup> grade teacher, Wendy Smith: [wsmith@sau15.net](mailto:wsmith@sau15.net). Go green Auburn, and keep the enthusiasm growing by starting your own small garden at home this year!
