## News from the Auburn Town Hall

### **Margate Drive and Lantern Lane**

The Board of Selectmen has determined the major road reconstruction projects for this year will be done on Margate Drive and Lantern Lane.

A full reconstruction effort will take place on the entirety of Margate Drive. In addition to rebuilding the 1,658-foot long road, with paved portion of the road will be reduced to a 24-foot wide paved surface instead of the current 30-feet. As part of this effort, the Town will re-connect all existing driveways to the improved road, in addition to cleaning up the road sides and drainage swales within the Town's right-of-way. It is anticipated work could commence by late May or early June. The reconstruction project is expected to cost \$301,337.

For Lantern Lane, a reclaim and paving effort is being planned instead of full reconstruction. The current paved surface of the 1,005-foot long road will be torn up and put back in place before the entire road is repaved. This project is anticipated to cost approximately \$158,220.

### **Congratulations Megan Cooley - Miss New Hampshire**

Auburn's own Megan Cooley became the 68<sup>th</sup> woman to bear the Miss New Hampshire title when she was crowned during the Miss New Hampshire Scholarship Pageant held at Pinkerton Academy on May 3<sup>rd</sup>.

Megan's song choice of "*On My Way*" during the talent portion of the pageant competition certainly proved prophetic in terms of the scholarship pageant.

A junior at University of New Hampshire, Megan is working on two majors in neuroscience and psychology. She has a career ambition of becoming a pediatric oncologist at Boston Children's Hospital. As the winner of the Miss New Hampshire Scholarship Pageant, she received a \$14,000 scholarship.

In the fall, Megan will represent the Granite State in the annual Miss American Scholarship Pageant, one of the largest scholarship programs for young women in the country.

All of Auburn is extremely proud of the tremendous effort Megan put into this program, and she will carry the support and best wishes of all her Auburn neighbors. We will all be collectively cheering for Megan!

### **Additional Citizen Appointments**

Dross was re-appointed as Deputy Treasurer following her nomination by Town Treasurer Christine Soucie.

The Town has also partnered with the Auburn Historical Association and other town organizations to sponsor an enhanced Duck Race activity to be held in September. Appointed to serve as the coordinating Duck Race Committee are Dee Cleary, Dan Carpenter, Pat Clement, Patrick Glennon, Alan Villeneuve and Kevin Heald.

### **Griffin Mill Bridge**

The Town has received formal notice from the NH Department of Transportation (NHDOT) the Griffin Mill Bridge has been enrolled in the State Bridge Aid Program and will be eligible for 80% state funding for construction costs.

The notice officially indicates the bridge will initially be listed for repair in 2022, but with increased funding coming to the program after July 1<sup>st</sup>, they anticipate moving the project to State Fiscal Year 2018, which will allow the Town to begin the construction work after July 1, 2017.

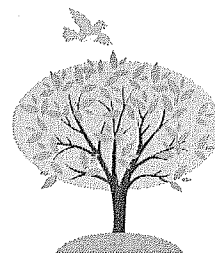

Including engineering costs, the estimated cost of the bridge project is a total of \$380,000, of which \$304,000 will be funded through the State Bridge Aid Program.

## Massabesic Audubon Center - Coming Events

### Peace of Wild Things Concert - Sunday, June 1, 3:00pm

Women Singing Out is a Seacoast community choir and has been performing for the last 14 years in Maine, New Hampshire and Massachusetts. The theme of the concert is The Peace of Wild Things and will include songs such as The Seal Lullaby, Peace of the Wild things and How Can I Keep From Singing. Audience members will be asked to join in a sing-along. At the conclusion of the one hour concert, guests will be invited to take a guided nature walk around the Audubon. Tickets are \$10 for individuals and \$25 for families. Please call 668-2045 and reserve your tickets.

### Farm Day at MAC - Saturday, June 14 10 am to 3 pm

History, farm animals, gardens, antique tractors, old fashion games, food and fun! Go back 100 years in time as NH Audubon celebrates our 100<sup>th</sup> anniversary at what was once the Brown Farm. Learn about the history of the Lake Massabesic Area from John O'Neil of Manchester Water Works, hear John Porter talk about barn styles over the years and how the Brown Farm barn was used, learn how to raise backyard chickens from Jeff Porter, see live animals, and visit our gardens. Something for every member of the family. What better way to celebrate Flag Day and Father's Day! \$5/ per person or \$10/family.

### Night Hike Under the Stars - Friday, June 23, 7pm

You may be familiar with the Massabesic trails, but have you ever walked them at night? Join Naturalist Angie Krysiak for a guided hike of a portion of the Massabesic trails to experience the hidden sights and sounds of the nocturnal forest. We'll look for woodcocks and listen for frogs, and hope for some bats or owls. Afterwards members of the NH Astronomical Society will lead a Sky Watch for a close up experience with the stars and planets above. Telescopes will be provided; bring your flashlights. Call 668-2045 to register.

## Police Department

www.auburnpolice.org

by Captain Gary Bartis

It strikes me odd at times that people actually pay attention to my articles in the Town Crier. I did not write an article for the May, 2014 edition due to a surgery I had. I had a knee replacement and was out of work for seven weeks. Saying that, I want to thank the number of people in Town that either called me, or sent me a card to wish me well. I was impressed and I'm grateful. Now - I'M BACK!

First, the members of the Auburn Police Department want to congratulate Megan Cooley of Auburn. She is the newest Miss New Hampshire, which is an amazing accomplishment, and a great honor to the Town of Auburn. The Officers wanted to extend their well wished because Megan was a member of the law enforcement community because of being a D.A.R.E. student at Auburn Village School. D.A.R.E. Officer Chris Beaulieu remembers her, and said she was a stand out student. Also, Megan played softball on Lieutenant Ray Pelton's team. Lieutenant Pelton couldn't stop praising Megan when he learned of her becoming Miss New Hampshire. We hope she shines in the Miss America competition later this year.

The Auburn Police Department in partnership with the Training Station will sponsor a "Women's Safety Clinic" on June 26, 2014 at 6:00 p.m. to 9:00 p.m. at the Auburn Village school. The clinic will have many topics ranging from personal safety, to home security, to campus safety. There will also be a hands-on Self Defense Clinic, so please dress in comfortable clothing. There is no cost for this clinic, but you must pre-register with Officer Lil Deeb prior to the event. You can reach Officer Deeb at 483-2134 or by e-mail at [ldeebauburnpd@comcast.net](mailto:ldeebauburnpd@comcast.net). The Training Station is a fitness center offering martial arts and kick boxing instruction. This is a great opportunity for the ladies of Auburn to get some safety instruction that be extremely useful in keeping them secure in their surroundings. We hope you take advantage of it.

As I write this I'm pleased to say the burglaries in Town are at a very small number. There were four in January, and one in April, so only five on the year so far. That's fantastic! January is usually high because of the Christmas gift packaging that is left out to be collected by the trash collector. The bad guys target homes with the TV boxes outside, and other electronic toys. For the people that were burglarized in January, it's no comfort to learn that January is a typical month for burglaries. From a Police point of view, we are grateful there were only four. Manchester is next door and they had about fifty that month.

Detective Sergeant Chip Chabot has had great success in working the cases and has solved some of them. He stays on top of all the investigations, and frequently gets tips from the Auburn Neighborhood Watch group (NW). The NW continues to be an extremely effective tool for the Auburn Police Department for preventing burglaries, and assisting in other investigations. We remain thankful.

## Griffin Free Public Library

by Ricky Sirois, Library Director

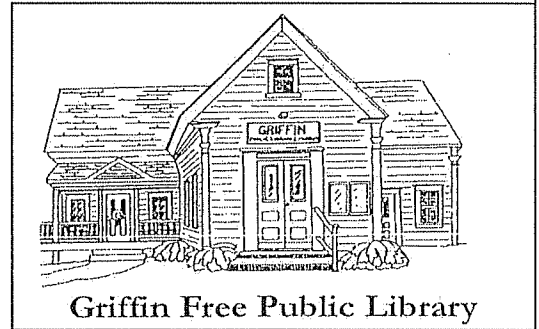

It's just about that time again - Griffin Free has summer reading programs for all ages coming up soon!

The regular summer reading program for kids is themed "Fizz, Boom, Read!" and Miss Mary is planning a whole host of great science experiments and activities for all the tinkers and mad scientists to enjoy. Our finale will feature a wonderful show that uses science to create some very eye-catching effects and gives the audience plenty of volunteer opportunities.

The teen summer reading challenge will once again invite older children to read on their own and submit a reading log. We will have prizes for the top readers and for randomly selected participants.

Finally, our adult summer reading program will have 4 reading challenges, all of which you can tackle in your own time. Anyone completing all 4 challenges will be given a prize pack, while those of you who complete 1-3 challenges will be entered into a drawing.

Many more details on these summer reading programs are yet to come. Look for that information at [griffinfree.com](http://griffinfree.com) or by visiting our Facebook page. Sign-ups will be held throughout June, so stop in to get registered for this year's summer reading programs!

## **Auburn Fire Department Presents:**

By Gordon L. Butch

### **Outside Burning Rules and Guidelines for Brush Fire Safety:**

As you are aware, this is the time of year when brush fire incidents increase dramatically due to warmer and drier conditions. Most brush fires can easily be prevented simply by being aware and responsible. Careless disposal of smoking materials is one of the leading causes of brush fires. Sparks from recreational vehicles and outdoor power equipment also contribute to many fires. In 2013, 182 wild-land fires were reported in New Hampshire with approximately 144 acres burned, and 22 structures compromised. The largest fire consumed 51 acres.

Permits are required by law. The town of Auburn extends the requirements defined by state law for outdoor burning to its residents. The fire must be on your own property and you must be the property owner. A tenant or child of the owner cannot obtain a fire permit (you must be 18 years of age). Fires should be established in an open area, without tree limbs or power lines overhead. At best, a garden hose can reach a height of about 20 feet, so anything above that is out of your control. Remember, it's your liability if you burn something down even with a proper fire permit. Your fire should also be on solid ground containing no roots. Fire can ignite an underground tree root which may burn underground and pop up to the surface several days, and many feet away - Usually when nobody is there to see. The result is an uncontrolled fire that may go unreported until several acres are burned. You must be prepared to put out your fire immediately if asked to do so. This generally means a garden hose that reaches around the fire area, and that your fire is small enough to be extinguished *with* a garden hose. You must observe the fire at all times. Otherwise, douse it with water and stir until there are no glowing embers left. Burn only untreated wood, paper and natural yard waste. Trash burning is prohibited. Burn nothing over five inches in diameter. Thick logs and tree trunks must be split into pieces less than five inches in diameter.

### **Fire Categories:**

**Category I:** Category I fires are fires that are contained within a ring of fire-resistant material not exceeding two feet in diameter. The fire must be 25 feet from any building, fence or other structure. Included are fires in many "Chimneacs" and similar portable devices.

**Category II:** Category II fires are fires that are contained within a ring of fire resistant material not exceed four feet in diameter. The fire must be at least 50 feet from any building, fence or other structure.

**Category III:** Category III fires are fires greater than 4 feet in diameter, OR are not contained within a ring of fire resistant material. The fire must be at least 50 feet from any building, fence or other structure.

A Seasonal fire permit may be issued for both category I and II fires if you burn on a frequent basis. An Auburn Firer Warden will inspect your fire site and register you as a seasonal permit holder. The advantage of seasonal permit is that the Fire Warden will not subject you to the litany of rules and regulations each time you wish to burn. However, you are still required to call in to the fire department each time you plan to burn.

You may burn during the day (between 9:00 AM and 5:00 PM) if it is raining or if there is at least one inch of snow on the ground. Keep in mind that frozen garden hoses do not meet burning guidelines. In the case of snow coverage, a shovel may suffice based upon the size of the fire. If the rain stops, your permit will be voided.

### **Classes of Fire Days.**

Class 1 Day = Low Fire Danger.

Class 2 Day = Moderate Fire Danger.

Class 3 Day = High Fire Danger. Permits will be issued at the discretion of the local Fire Warden.

Class 4 Day = Very High Fire Danger. No permits will be issued.

Class 5 Day = Extremely High Fire Danger. No permits will be issued.

In order to receive a burn permit you must call the Deputy Warden at 603-247-7511 or apply online at [www.auburnfire.org](http://www.auburnfire.org), under "burning permit information". **Permits will only be issued between the hours of 10am to 5pm.** If you are applying on line, please be specific leaving your name, address, phone number, email address, and type of permit requested. If there is no answer on the warden phone, be sure to leave your name, phone number, address and the type of permit requested.

## Multi-Media /Book Sale

### Ready, Set, Go!

It's almost time for this year's **Multi-Media/Book Sale** to be held at AVS. Mark your calendars for Saturday, July 26<sup>th</sup> 8 am-3pm and Sunday, 27<sup>th</sup> 11am-3pm. FYI Sunday is Bargain Day, fill one of our bags for \$4.00. We are accepting donations of books, puzzles, games, CDs, DVDs, music cassettes, and computer games. Sorry we **cannot take encyclopedias, textbooks, magazines, VHS or electronics.**

Volunteers are needed to help set up on Thursday 7/24 and Friday 7/25 evenings 6-8pm before the sale, during the sale on Sat. and Sun, and to help clean up on Sunday afternoon from 3-4pm. We also need trucks to transport books to the gym. This is a wonderful opportunity for families, organizations and individuals to help out their community library and have fun at the same time. Please let us know if community service hours need to be documented.

It would be helpful to contact the library or email the address below to schedule what shift you will be available for. Last year we had a wonderful turn out however, this year we are requesting folks to **register to volunteer again** before the sale.

As always The Friends will be having their delectable bake sale, and a light lunch will be available for a very reasonable price.

Please call the library at 483-5374 or email Fay at [fay.frank@comcast.net](mailto:fay.frank@comcast.net)

to register. Thank you so much for your support.

All proceeds will benefit the Griffin Free Public Library.

COME JOIN FRIENDS AT THE GRIFFIN FREE PUBLIC LIBRARY'S ANNUAL BOOKSALE IN THE GYMNASIUM AT THE AUBURN VILLAGE SCHOOL!

WE WILL BE HOSTING A BAKE SALE.

THERE WILL ALSO BE HOT DOGS, CHIPS AND BEVERAGES AVAILABLE FOR A REASONABLE PRICE!

COME JOIN IN THE FUN!

## Girl Scouts

by Stacey Melendy

### GIRL SCOUTS

This past year Brownie Troop 20001's Journey about water took them to the shores of Lake Massabesic to clean up the hidden areas that don't usually get attention. Look around the next time you are there and see if you can spot the signs the troop donated with some of their cookie money. Earth day found the troop at the Audubon, running a game and learning about how to make a difference through conservation, recycling and wise energy use. The troop is looking forward to their end of year trip to Canobie Lake Park!

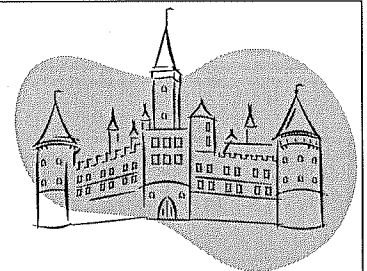

Cadette Troop 20973 has been working on several of their badges. They designed their own comic strip as part of the Comic Artist Badge. As part of their Public Speaking Badge, they found new uses for everyday items, and showed us how, with just using your voice, you can act out different emotions, such as happy, sad, or angry. On May 14<sup>th</sup> they met with Kara Villeneuve, who educated the girls on first aid and what should be in a first aid kit. The troop then put together their own first aid kits that could be attached to a bicycle or carried with them when they go on their adventures. Kara was also able to answer several questions the troop had for their "Night Owl," badge, on what it is like to work in the night-time, as she sometimes does. The troop is looking forward to an evening hike at the Audubon with naturalist Angie Krysiak, and participating in a Sky Watch with members of the NH Astronomical Society.

Troop 10020 earned some badges during Cadette lead meetings. For the Night Owl Badge they met with Officer Lennon of the Auburn Police Department, who talked to the troop about working the night shift. Afterwards they went on a dark and wet walk through the woods listening to the sounds of the night. The troop finished up with some "Parlor Games" by candlelight. The troop also worked on their Screen Writers Badge. They defined what makes a good script, talked about shows and movies that they like and what makes them interesting. They each created their own character and gave them a purpose. Dividing into teams they created and wrote a screen play for the characters, and performed the skits for the rest of the troop. They really enjoyed each other's script and laughed a lot. What a talented group of girls! The troop also treated themselves to their yearly "Movie Night" eating popcorn and watching "Smart Cookies," a movie about a bunch of Cadette Scouts learning to be a troop and selling GS Cookies.

## Cub Scouts Pack 127

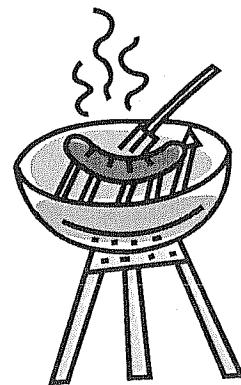

by Jocelyn Malenchini

What: Pack 127 Annual BBQ

When: Sunday, June 8<sup>th</sup>, 11:30 - 1:30

Where: Safety Complex Field

Who: Boys entering grades 1-5 in the fall who are interested in scouting are invited to attend the BBQ to find out more and to take part in the food, fun, and games. Hope to see you there!

The month of April found Pack 127 thinking spring and learning about birds. On April 18, we visited the Massabesic Audubon Center. The boys learned all about birds, including the different parts of a bird. Joshua Owen was a great sport as he volunteered to model each bird part as it was explained until his final costume was quite spectacular. Thanks Joshua! The scouts also made pine cone bird feeders and met the Audubon's resident raven. Thanks so much to the Audubon Center staff and volunteers for a great presentation.

On April 25th, scouts had the opportunity to begin their spring vacation with a sleepover at the Museum of Science in Boston. While there, in addition to learning more about birds, they took in a lightning show, a cave documentary, and a planetarium show about constellations. During their free time to explore the museum, they chose to work as a team to build a giant track of extra-large dominoes. It was truly awesome. The pack spent the night in the coveted "playground" section of the museum, and had a fun-filled and informative day and night.

*Correction from the May newsletter: Among the Tiger Cub winners of the Pinewood Derby, Matthew Dennis placed 1<sup>st</sup> (not 3<sup>rd</sup>), and Dylan Roy placed 3<sup>rd</sup> (not 1<sup>st</sup>). Sorry for the mix-up!*

## Longmeadow Congregational Church

by Rev. Ruth Gallot

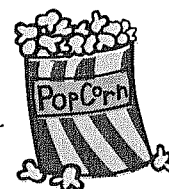

[www.longmeadowucc.org](http://www.longmeadowucc.org)

### Are You Looking for a Place to Worship?

Longmeadow Congregational Church, United Church of Christ at 4 Wilson's Crossing Road in Auburn invites you join us as together we worship and celebrate the arrival of summer! It is a beautiful time to appreciate God's creation and we invite you to join us as we gather for **Worship on Sunday mornings at 9:30** with special activities for children available at the same time. This summer's special activities for children include helping to develop our new Serenity Garden while learning about stewardship and the care of God's creation.

In June we are bringing to a close many of our year round programs and rejoice in several rites of Passage. On Sunday June 1<sup>st</sup>, we celebrate those of our church family who are graduating and wish them well on the next steps of their journey. It is also the day when we delight in putting the word of God into the hands of our young people with Bible Sunday when we give each child going into 3<sup>rd</sup> grade and going into 6<sup>th</sup> grade a Bible that has a grade appropriate reading level so that they can study it and make it their own. We also look forward to June 8<sup>th</sup> when our young people will lead us in worship. The day is made extra special as we celebrate the coming of the Holy Spirit in Pentecost.

Although some programs will be coming to an end, other special summer programs will begin. We look forward to joining our neighbors on Thursday June 19<sup>th</sup> at the community concert being sponsored by the Auburn Town Parks and Recreation Department, where we will be serving **FREE POPCORN**. Come over to say hello!

**Make A Joyful Noise**

In addition we invite all children aged K-5<sup>th</sup> grade to participate in this summer's **Vacation Bible School**, "Make a Joyful Noise," to be held at the church July 7<sup>th</sup> through 11<sup>th</sup> from 9 am to noon. Vacation Bible School is a no cost, camp like program, open to Auburn residents and the surrounding communities. Children will learn about God's love through prayer, thoughtful conversation, singing, crafts, and many activities, based on this year's music theme. A morning snack will be provided. Please register in advance so that we can plan

accordingly, by contacting either the church at 483-2907 or Stacey Melendy at 587-0312, [staceymelendy@gmail.com](mailto:staceymelendy@gmail.com). We are also looking for volunteers, aged 14 and older. This would be a great way for young people to earn community service hours.

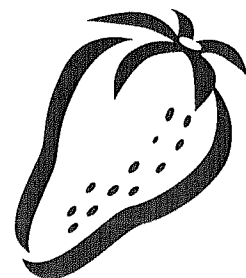

We are delighted this summer to be sponsoring the Auburn Farm 2 Team (the ones wearing the green shirts) of the Little League. Farm Teams are for children aged 6-8 and we are excited to be part of this wonderful way to support the children of our town and look forward to cheering on all the players.

Yes, summer is finally here and God is continuing to speak and lead us in new and exciting directions. Where ever you are on your spiritual journey, we invite you to journey with us at Longmeadow Congregational Church, UCC. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

## Longmeadow All You Can Eat Strawberry Supper

**Saturday, June 28 5-7 PM**

The Ladies of Longmeadow Church will be having their annual Strawberry Supper on Sat, June 28, from 5- 7 pm. The ladies will be cooking and serving their traditional home cooked family style supper complete with strawberry shortcake for dessert. The menu includes ham, baked beans, potato salad, coleslaw, bread and butter and for dessert strawberry shortcake made with local berries and homemade biscuits. The cost for adults is \$10, seniors is \$9, kids 4-8 is \$4, and free for children under 4. We hope to see you there - please bring a friend! For more information call 483-2907.

*Coming to First Assembly in June.....*

**Evangelists Greg & Robyn Hubbard**

**Sunday June 22<sup>nd</sup> 9:30am & 6pm**

**Monday June 23<sup>rd</sup> at 7pm**

**Tuesday June 24<sup>th</sup> at 7pm**

Both natives of New England, Greg and Robyn came to know the Lord as young people. The son of a former professional basketball player, Greg was the first member of his family to place his faith in Christ at the age of 17. Immediately sensing the call of God upon his life, Greg entered Valley Forge Christian College where he would later meet Robyn.

Having been born into a Christian family, Robyn gave her life to Jesus at the tender age of 9 and began traveling in music ministry at 13. Following graduation from Valley Forge Christian College, Greg and Robyn were married in June of 1981.

Since 1985 they have served as credentialed, Assembly of God evangelists both here in the States and overseas. They currently make their home base in Reading, PA.

## 2014 MOSQUITO COLLECTION AND TESTING DATES

Swamp Inc. will start adult mosquito collections in the month of June of 2014. Mosquito populations will be recorded and only collections in June of *Cs. melanura* (primary vector for EEE) will be sent to the Connecticut Agricultural Experimental Station for EEE/WNV testing. We usually receive these results by the end of the 2014 season.

Unless otherwise stated, mosquito testing performed will be separated into two phases for mosquito submissions; phase I (early season) and phase II (mid to end season).

Phase I - July 1 through July 31, 2014 (dates pertain to date of collection):

*Cs. morsitans*, *Cs. melanura*, *Cx. pipiens*, *Cx. restuans*, *Cx. pipiens/restuans*, *Oc. canadensis* and *Ae. vexans*. Only these species will be tested. Any batch (group of mosquitoes) size may be submitted, but cannot exceed 50 mosquitoes.

Phase II - August 1 or first EEE or WNV detection (whichever comes first) through September 30, 2014:

In addition to the above species, *Ae. cineris*, *An. punctipennis*, *An. walkeri*, (The Maine Lab will not be accepting the listed *An.* species: only NH Lab), *Cq. perturbans*, *Oc. japonicus*, *Oc. triseriatus*, *Ps. ferox*, *Cx. salinarius*, and *Oc. sollicitans* will be tested if batch size > 10 mosquitoes (but cannot exceed 50 mosquitoes).
