News from the Auburn Town Hall

Town Hall Septic System Replacement

During the past year or so, the need to replace the Town Hall septic system has become apparent as the existing system has on several occasions become overwhelmed with the result being it comes back through to its lowest point, which is the bathroom on the lower level of the building.

For the past couple of years, the Town has been pumping the system out three and four times a year, to the point that replacement became the necessary course of action.

Acting through its engineering firm, Stantec Consulting of Auburn, the Town had a replacement system for the Town Hall designed and permitted by the NH Department of Environmental Services (NHDES). When the project was put out to bid, four proposals were received which included Viking Excavation of Candia, \$26,961.24; Henniker Sewer & Drain Service of Henniker, \$38,581; W.P. Davis Excavation, LLC of Hampton, \$48,585; and C.S.S.I. of Bedford, \$60,700.

After a review of the proposals and a check of references, the Board of Selectmen awarded the project to Viking Excavation. Work on the project is expected to begin by September, and should be completed by October 1st.

Potential Auburn Skateboard Park

During the past several months, residents had approached the Parks & Recreation Commission and the Board of Selectmen with the idea of establishing a small skateboard park on Town property. The idea is to locate a facility in the area of the ice skating rinks, basketball court and lacrosse field adjacent to the Auburn Safety Complex on Eaton Hill Road.

Leading the effort is Karen Norris of Raymond Road, who reports there are dozens of young people in Auburn that are passionate about skateboarding, but have nowhere to do it safely.

Conceptual ideas and drawings of potential skate park features have been secured from a firm specializing in this type of facility. To minimize ongoing maintenance work, the organizers are looking at a cement facility as opposed to one built with plywood ramps and metal pipes. The intention is also to have the park open only from dusk to dawn, and not to add outdoor lights to keep it open into the night hours.

A fundraising effort will be undertaken with a goal of raising \$65,000. Organizers intend to raise funds to not only build the facility, but also to be able to put additional money away for future maintenance, and not ask the taxpayers of Auburn to fund the project.

Mrs. Norris reports organizers of similar facilities in other municipalities have indicated such a fund raising effort will take two to three years. The Board of Selectmen have approved of the fundraising activity, which will determine what the level of interest and support for such an undertaking is within the community. All funds donated will be held by the Town of Auburn for this purpose, and all donors will receive a letter of thanks and acknowledgement for their donation should they want to claim the donation on their taxes.

Any questions or interest in this effort should be directed to Karen Norris at: auburnskates@gmail.com.

New Alternate Library Trustee

Elizabeth Michaud of Spruce Lane has been nominated by the Library Trustees and appointed by the Board of Selectmen as an alternate library trustee. She will join Sharon Bluhm and Lorraine Senechal as an alternate trustee and fill the final position that is allowed by law.

Auburn Board of Selectmen

Survey on Annual Auburn Town and School District Report

Several years ago, like many communities, the Town of Auburn moved towards electronic distribution of the annual Town and School District Report and ceased delivering a bound copy of the book to every household. This has reduced the cost of printing and distribution from approximately \$11,000 per year to less than \$2,000 per year.

As they move into the FY 2015 budget season, the Board of Selectmen is interested in receiving feedback concerning the annual Town and School Report and how residents feel about the annual report.

Below are four "Yes" or "No" questions folks could complete and return to the Selectmen's Office.

1. Do you read the Town and School District Annual Report? Yes or No
2. Do you prefer the electronic availability of the Town and School District Report with limited printing of the book format? Yes or No
3. Would you prefer the Town return to the large volume printing of the annual Town and School District Reports and delivery to every household at an added expense of approximately \$10,000? Yes or No
4. With the Town of Auburn and the Auburn School District both being "SB 2" entities, the annual Town and School District Report would not be available to residents prior to the Deliberative Sessions of Town and School District Meeting. Does that in any way change your opinion about electronic versus printed versions of the report? Yes or No

Or the survey is available online via the Town of Auburn website (www.auburnnh.us) or by going directly to the survey at the following link: <https://www.surveymonkey.com/s/3NLDFTV>

Thank you in advance to those who take the time to share your opinions.

Police Department

by Captain Gary F. Bartis

I am so pleased to be able to report to the Auburn citizens how successful Detective Sergeant Chip Chabot has become in solving a number of this years burglaries, and a few more from 2013. Along with his talents, there are a few tools at his disposal to assist him. Some of those tools are DNA, fingerprints, a program called "Leads on Line", his computer knowledge, and of course - the Auburn Neighborhood Watch group.

Earlier this year I did an initial report of a burglary, and in doing so I collected a cigarette butt in the yard of the house that was burglarized. Chip had the butt analyzed at the State Lab, and a little while later the lab reported a match, and provided an ID of burglar. That information helped Chip solve two other burglaries in town, and also some burglaries in a couple neighboring towns. Excellent police work!

"Leads on Line" is a program that permits Chip to locate items that are pawned in and around the Manchester area. He has recovered a large amount of stolen items because of this program, and as a result solved some burglaries. One burglar he discovered from "Leads on Line" also was involved in a large burglary ring out of Derry and Salem, New Hampshire. That burglar is now serving a prison sentence.

Of course the best tool in the arsenal is the Neighborhood Watch group. The group has become the extra eyes the Police Department needs to patrol the streets in town. We receive at least a hundred calls a month from the various group members with information that at times is useful. Some of the information has lead to a few arrests. The members share information about the happenings in town, and give each other tips on how to protect your families and property.

Recently a young boy was home and heard someone knocking on the door, and later pounding on the door. He was knowledgeable enough to call a parent and report what was happening. His father was a short distance from the home and soon arrived. The father encountered two men who gave him a bogus excuse for being there. The father was very smart in not making a federal case out of this. Instead he sent them on their way, and appropriately wrote down the plate number of their vehicle. Guess what? They were burglars, and the father ruined their plan. The end story on this, is Detective Chabot followed up with the plate number and went to a Massachusetts Police Department investigating the two bad guys. They were already in jail for crimes they did in that Massachusetts town. That young boy's actions, and his father's actions, saved their house from getting victimized. Great job!

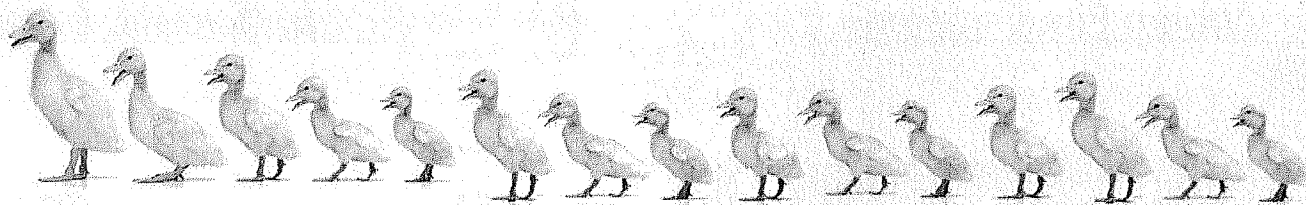

Now, a little advice. Please train your children the importance of 911. In the above case, everything worked out perfectly, but that may not always be the case. Burglars are not usually violent, they want to get in and out without any confrontation, but on occasion we have all heard the horror stories of someone being harmed during a burglary. We don't want that here in Auburn. In all cases when someone comes to your door, and they look suspicious and have no real reason for being there, call 911. It may sound like an over reaction, but why take the chance. Get a cruiser dispatched to your house, and let the Officer figure out whether there's a threat or not. If the person leaves before the Officer shows up, please try to get a plate number from their vehicle, and get a description of the vehicle, as well as a description of the person(s) that came to your house. Always remember to have the security of an Officer coming to your house to assess the problem instead of taking the chance of handling it yourself. Stay safe!

Some of the warning signs are for you to watch for are basic. 1. A person and/or vehicle you don't recognize or know. 2. Someone asking for a place or street you may or may not heard of. 3. Someone asking if so and so is home. 4. People trying to give you a deal on some house repairs, or trying to sell you some extra items that they just happen to have. Things like electronics equipment, gardening items, etc. 5. People claiming to be checking your cable TV, computer, or telephone lines.

There are more examples, but I think you have the idea. If it sounds or looks out of place, you're probably right. Before you do anything, CALL 911, and be safe.

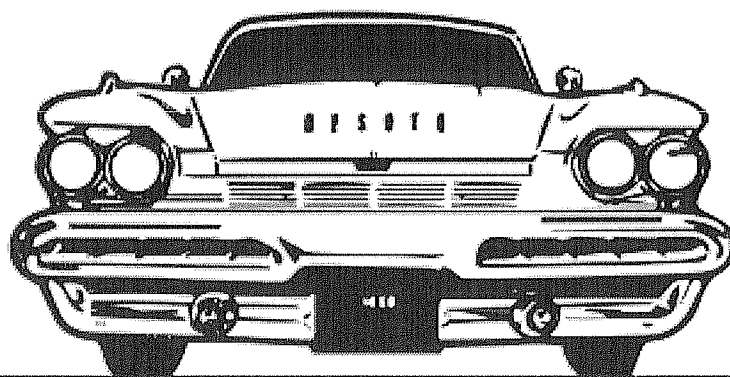

By all means please remember that you are NEVER bothering us. We all took an oath to serve and protect the community we were sworn to be law enforcement Officers in. We will be there for you, and we will do everything in our power to keep your families and property safe.

We thank you for your continued support.

Auburn Fire Department

by Gordon L. Butcher

Fire Department Considers Residential Knox-Box Program:

Knox-Box Program? What's that? Well, a Knox-Box (or Knox-Box Rapid Entry System), is a small, wall-mounted safe that holds building keys for fire departments and emergency medical service personnel to retrieve in emergency situations. The local fire department can hold master keys to all boxes in their response area, so that they can quickly enter a building without having to force entry or find individual keys held in deposit at the station. Most often, the Knox Master Key is stored in a key retention device that provides accountability on access to the key, as well as an audit trail of when the key is accessed. Key access requires a dispatcher to release the key with special tones sent via radio communications.

A Knox-Box can simplify key control for the fire department. It can also reduce monetary losses for homeowners since firefighters can enter buildings without breaking doors or windows. It can also reduce the potential of a firefighter being injured during forced entry operations.

When there is a fire or an individual is injured or ill, emergency personnel can respond quickly, without forced entry, when a Knox-Box is installed at or near an entry door and a small decal is placed on entry doors so fire fighters know a Knox-Box exists. The Derry Dispatch Center is also notified so first responders can be notified while they are responding. With the entrance key stored inside, the door can simply be opened and relocked when the emergency is over. Forced entry slows down response and can further traumatize an already incapacitated individual making a stressful situation even worse.

A residential Knox Box is ideal for individuals who:

- have a history of medical problems
- are recuperating from a hospital stay
- live alone

use an electronic calling/medical alert service

Additional information will be published on the Knox-Box Program as it becomes available. You may also contact the Auburn Fire Department with questions or concerns at 603-483-8141.

Flu Clinic

Town of Auburn Flu Clinic to be held for those in town seeking a flu shot on November 7th from 9am - 11am at Visiting Angels, 14 Hooksett Road, The forms for insurance and consent will be at Visiting Angels to pick up prior to the clinic if you wish to fill them out in advance.

Griffin Free Public Library

by Ricky Sirois, Library Director

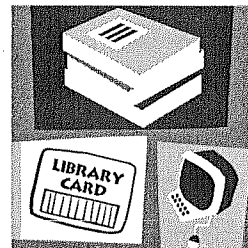

September is Library Card Sign-Up Month, and we hope that those of you without a card will consider coming by the library to get one sometime during the month. For those of you who already have cards, we are trying to get more email addresses on file and provide you with online account access. If you don't have that set up already, let us know anytime - it only takes a couple of minutes!

You may have recently noticed a change in the appearance of our website, griffinfree.com. We are continuing to work on improving and updating the site to meet your needs. In case you are having trouble navigating, here are a few of the more important links:

Calendar of Events: griffinfree.com/programs (and click the link to our calendar)

Online Catalog/Account Access: catalog.griffin.bywatersolutions.com

Contact Information and Library Policies: griffinfree.com/about-us/

Finally, we would like to thank all our participants in this year's summer reading programs. As of this writing, our finale event and prize draws had not yet happened, but that information should be on the website along with details about our number of participants and total reading done. This was our most successful summer reading program yet - and our great staff is already thinking of ways to improve it for next year! If you have feedback about the summer reading program (or any other library issue) please let us know. We will also be conducting a full survey sometime later this year to prepare for 2015 and beyond.

The September list of GFPL events was not finalized as of this writing. Please check the above link for a full list of our events, including September's One-Stroke Brush Painting craft class, our Infant/Toddler storytime, the Biography Book Club, and more!

A Big Thank You!

By Fay Hanscomb, Secretary

It is my pleasure to write this short report on the July 26th and 27th Library Book Sale.

It was a rousing success thanks to so much hard work from the volunteers.

Over the past 16 years, so many people have been involved with preparation that very little direction is needed. It is a testament to our small town community and volunteer continuity.

Many have asked what happens to books that aren't sold. This year we contacted nonprofits that could use books with clients or students. We had 6 register and take whatever they could use at the end of the sale. It's a great way to help organizations and build a love for reading at the same time. The rest of the books were collected by Big Hearted Books.

The bottom line is that we made \$3,500! The Trustees have considered investing in a new water system at the Library. Those funds could be applied to that project.

All proceeds go to the Griffin Free Public Library.

With Appreciation, the Trustees

Auburn Lion's Club

The AUBURN LIONS CLUB is in the process of collecting information for their 38th issue of the **COMMUNITY BIRTHDAY CALENDAR**. In order to get everything tied up I must have all data to me by OCTOBER 1st so I can get it off to the printer.

The ad cost this year will remain the same, i.e., \$195 for the small ad and \$375 for the double ad. As usual, if you want your birthday, anniversary, in memory of or events placed on the date area, it is free to any advertiser, or a charge of \$5 per family if not advertising.

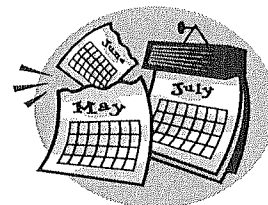

As in the past the calendars will be mailed to every household in Auburn and as this is one of our major fund raisers we appreciate your business and hope you will continue to support us.

Please contact me for further assistance at 627-1036 or e-mail at

DRCR0966@comcast.net

Thank you,

Dave Rogers, Project Chairman

Girl Scouts

GIRL SCOUTS

by Stacey Melendy

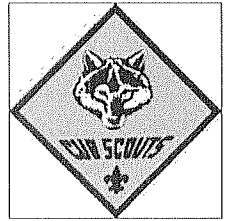

Our Girl Scout troops had a wonderful time this past year, learning many new things, helping in our community, and reaching out to others. We shared our progress with you on our activities including, trail clean-up around lake Massabesic, providing warm clothes to those in need, serving dinner to seniors, making Valentines at a local nursing home, donating cookies to our Troops overseas, and many more. Our Girl Scouts ended their scouting year with their annual camporee. Enjoying many outdoor activities and spending time together with their Girl Scout, "Sisters."

We hope to have many new Girl Scout with us this fall, and we are looking for adult volunteers the lead them on their journey's. It is a lot of fun, but also a rewarding experience for both girls and the adults that mentor them. Please consider joining us as we look forward to beginning our 2014-2015 Girl Scouting year! For more information please visit our website girlscoutsgwm.org or visit us at the Duck Race. Hope we see you there!

Cub Scouts Pack 127 by Jocelyn Malenchini, Stacey Melendy and Gilbert Oriol

Reminder: Please join us for Pack 127 Joining Night, Friday, September 12th, 6:30 PM, at Auburn Village School Gymnasium. Boys entering grades 1-5, and their parents or guardians, are welcome to come and learn about all that we have to offer. Hope to see you there!

Also, Trail's End Popcorn sales have begun! Contact your neighborhood scout, or look for us at local convenience stores during Deerfield Fair weekend. Thanks so much for your support!

The Auburn Cub Scouts have been busy this summer. Nine Cub Scouts and 3 adult volunteers spent the week of July 14th at Cub World Day Camp, located at Camp Carpenter in Manchester. The Boys enjoyed many activities associated with scouting. Each day they had practice time at both the BB range and Archery range. Many of the boys improved enough to hit a bulls-eye by the end of the week. They got plenty of exercise hiking, swimming, playing ultimate Frisbee, soccer, and mini golf. They visited the Lawrence L Lee Scouting museum and the Max I Silber Scouting Library, where they had an educational scavenger hunt. Using some of the clues they were given, they were able to find many interesting facts about scouting. The museum is open to the public and worth the trip if you get the opportunity. The group enjoyed some time learning about animals such as the Bearded Dragon, Madagascar Hissing Cockroach, and Painted Turtle. The boys ended the week by launching their own, hand-made rockets for their friends and family. The boys are looking forward to returning next summer for more adventure!

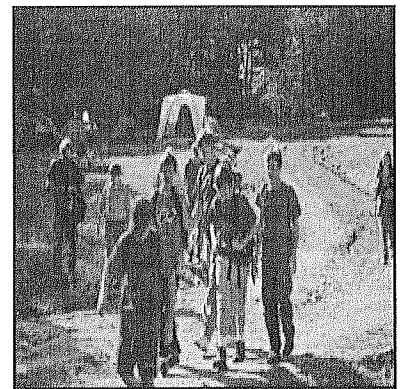

Overnight camp was another great adventure. Ten boys, one Den Chief, and three Leaders spent four nights and five full days at Camp Carpenter getting plenty of exercise and having loads of fun. While doing all the activities that day campers do, they walked/hiked approximately 14 to 18 miles per day. They also enjoyed Pirates Cove, Native American Village, and Nature, among others. Many boys worked really hard to pass their swimming test and earned the joy of jumping off the raft. A couple of new programs were implemented this year based on STEM (Science Technology Engineering and Mathematics), and the boys really seemed to enjoy them. This was the first time for some of the boys at camp, and the 3rd and last time for others (some that attended an extra night of camp for Webelos bridge). Whether a first or a final year, however, a great time was had by all!

Boy Scouts Troop 127

by Grant Glosner

Why YOU Should Join Troop 127

Do you like camping, fishing, hiking, or the outdoors? If you do, then you should join Troop 127! Troop 127 is Auburn, New Hampshire's local Boy Scout Troop. Throughout the year the troop does several cool hiking and camping trips including camping out at our local Camp Sanborn, hiking Auburn's beautiful trails, and going on special trips in the summer, such as, to the battlefields of Gettysburg, Pennsylvania and to Summer Camp. The Troop welcomes all boys from the ages of 11-17 to join scouts. If you are interested in coming to one of the troop's meetings, they are every Monday evening beginning in the Fall from 6:30-7:30 PM at the Longmeadow Church in Auburn NH.

If Interested in Joining or Finding out More Information, Please Contact Julie Glosner at:

Email: julie.glosner@me.com or Phone Number: (603) 483-2048

Longmeadow Congregational Church

by Rev. Ruth Gallot

4 Wilson's Crossing Rd, Auburn, NH

www.longmeadowucc.org

LONGMEADOW SERVES!

That is both our new slogan and our greatest calling. Longmeadow Congregational Church, United Church of Christ at 4 Wilson's Crossing Road in Auburn invites you join us as together we worship the God who is Still Speaking. We come together for worship on Sunday mornings at 9:30 with Sunday School and Christian Education for children and child care available at the same time.

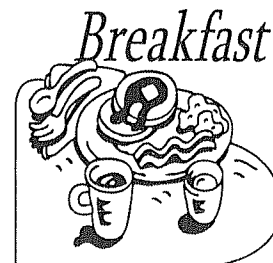

Longmeadow
Serves

Although summer is often a slower time, it was one of great activity and joy here at Longmeadow. We were delighted debut our new safety-green "Longmeadow Serves" Tee-Shirts as we served free popcorn to our neighbors at the free outdoor concerts sponsored by the Auburn Parks & Rec. Dept. on June 19 and again on August 21. We also enjoyed times of fellowship as we gathered for 4 Ice Cream Rendezvous' at Louko'Mamma's on Chester Road and we thank the staff for their warm welcome.

It was such a blessing to serve the children of Auburn this summer as we sponsored the Auburn Farm Team 2 of the Little League and welcomed 16 children to our Vacation Bible School program with this year's theme of "Make a Joyful Noise." Throughout the summer our children encountered God in creation as we planted, watered, tended and helped to design our new Serenity Garden. And it was another great blessing to support the men and women serving in our nation's military services by our support of the chaplains of "Holy Joe's Café" which serves gourmet coffee while offering an ear and a shoulder to lean on for those serving in Afghanistan.

Now that autumn has arrived, we look forward to the start of a new program year with Christian Education classes beginning with Rally Day on Sunday September 21. This year our curriculum theme is "Heroes of the Bible" and will begin with service by assembling School Kits to send to Church World Service and used by children in need anywhere in the world. This summer we are also putting together backpacks filled with school supplies which we will give to the administration of Auburn Village School for children here in Auburn.

And yes, it is the day you have all been waiting for... Our **Community Breakfasts** will begin again. On the first and third Saturdays of each month (September 6 and 20, this month) from 7:00 to 10:00 a.m., we welcome the community to come and enjoy an all-you-can-eat breakfast for the amazing cost of just \$5.00 for adults, \$3.00 for kids 4 and up, and free for children under 4. Our menu includes eggs on the grill, French toast, pancakes (plain, chocolate chip, blueberry or M&M), homefries, scrambled eggs, bacon, sausage, toast, English muffins, fruit salad, baked beans (David Griffin's recipe), a selection of delicious muffins, coffee, tea and juice.

We of the Longmeadow Congregational Church, UCC seek to provide a spiritual home where all faith questions are honored and respected and an opportunity is offered to make a difference in the world and in our community. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a place to worship, please join us. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

First Assembly of God

PARISH RE-REGISTRATION: All parishioners must re-register during the month of September, and no later than October 12. Forms can be found on the parish website, at the church entryways, and also in the pews.

Our weekend Mass schedule: Saturday: 4:00 pm; Sunday: 8:00 am and 10:30 am. Confessions are heard on Saturdays from 3:00-3:30 pm, or by appointment.

Fr. Michael E. Gendron, Pastor, can be reached at 623-5429, Ext. 1, or e-mail: frmichaelgendron@comcast.net

The parish office e-mail is stpeteraub@comcast.net. Shirley Delacoe can be reached at 623-5429, Ext. 2.

We are taking registrations for the 2014-15 Christian Formation Program. Forms can be found at the entrances to church, as well as on the website. Our first dismissal for grades K-3 is Sunday, September 21, at both the 8:00 am and 10:30 am Masses. Our first session of Generations of Faith is Sunday, October 5, from 4:00-5:15 pm, in church. This session is for grades 4-8 students, and their parents. Grades 9 and 10 first session is on Sunday, October 12, from 4:00-5:30 pm.

The Christian Formation office e-mail is stpetercf@comcast.net

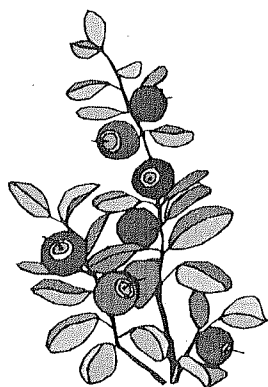

Jake Linxweiler, Coordinator, can be reached at 623-5429, Ex. 3.

Mary Stevens, Secretary, can be reached at 623-5429, Ex. 4.

Check out the parish website at www.stpeteraub.org for copies of the weekly bulletin, registration forms for the parish and Christian Formation programs, etc.

Auburn Garden Club

by Dee Cleary

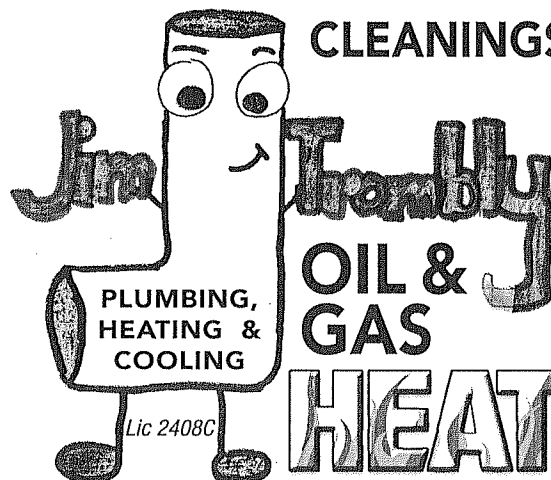

Did anyone pick high bush blueberries over the past few weeks? It was the most amazing blueberry harvest...ever!! This native wetland plant is abundant in Auburn because we are surrounded by water. We are so lucky to have such a wonderful resource in our back yards!!

The garden at the Audubon is producing monster zucchini, beets and radishes, and the "Wedding Garden" is just spectacular with Yvette Paris' pink bee balm set against Millie Eisman's cream colored hydrangea blossoms. In a couple of weeks the colors will change with Chris's sedum and asters, and after that my perennial mums will take over the show. I am impressed with the beautiful garden that several of the members have created in such a short amount of time.

I encourage you to see what's happening with the gardens at the Audubon Center. The teaching garden is coordinated by the UNH Cooperative Extension, and is a work of art. It is truly a garden to admire. They are teaching kids how to grow food, and the harvested vegetables are brought to the soup kitchen.

I am setting a member meeting in September to review what we have done, and to make plans for future projects. If anyone is interested in meeting me at the Massabesic Audubon on September 18th at 5:30, please email me at dee.cleary@live.com. Until then, happy harvesting!!!

Don't forget to vote in the primary, Tuesday September 9th!

If you're voting in the Republican primary, please support our three excellent candidates for State Representative from Auburn

Jason Osborne – jason@osborne4nh.com
603-391-2138

Top Issues: Controlling spending, Lowering Taxes, supporting Right to Work, supporting School Choice

James Headd – jimheadd@comcast.net
603-669-8310

Top Issues: Controlling run away spending, supporting Right to Work, Tort Reform, supporting School Choice

Dan Dumaine– buppadan@comcast.net
603-622-2293

Top Issues: Lowering Taxes, Protecting 2nd Amendment Rights, supporting Right to Work, supporting School Choice, Pro-Life

All of these candidates are dedicated to restoring fiscal responsibility and job growth to the state. All of them are current or former small business owners who know what it takes to start and grow business in New Hampshire. Please contact them to learn more and follow the Auburn GOP on social media to hear about upcoming events.
