# *Auburn Town Hall News*

## **FY 2021 Budget Work Has Begun**

As we are writing this near the end of November, the Board of Selectmen is working at completing its work on the FY 2021 Town operating budget and warrant articles.

The Board's budget effort is only part of the Town budgeting process. The Budget Committee is also working on the Town and School budgets. The Budget Committee is on track

to complete most of its work prior to year end, ahead of the January 2021 public hearing on the budgets they will propose to the voters for their approval.

## **General Election Went Smoothly**

Much like we saw during the State Primary Election, voter turnout set records both locally and nationally. Once again, we'd like to thank and

congratulate all the election officials and volunteers for their efforts ensuring a safe and smooth election. We'd also like to thank all the voters that

turned out that were respectful and cooperative with some of the changes that we needed to make as a result of the Covid-19 pandemic.

## **Town Hall**

Town Hall continues to remain open for the time being with a limited capacity. We've seen a large increase in online regis-

trations and permits requests which has reduced the traffic in town hall. We appreciate the effort to streamline these

processes and keep everyone safe and healthy.

## **'Tis the Season . . .**

As we head into December, we want to wish everyone a very Merry Christmas and holiday season. And a Happy and Healthy New Year.

# AUBURN POLICE DEPARTMENT NEWS

## HAPPY HOLIDAYS!!

We hope everyone had a great Thanksgiving!

We have already had a bit of snowfall this year but still wanted to remind people of the dangers of driving in the snow. Give yourself extra time to get where you need to be. Keep an extra blanket and warm clothing in the trunk of the car in case you are stranded in an emergency. Also remember black ice could be there without knowing it, so please be cautious when braking.

Lastly, when cleaning off your car after a snow-storm, make sure the roof is clear! It is the law, and you could be given a summons for not doing so.

## SANTA CLAUS IS COMING TO TOWN!

THE AUBURN SAFETY COMPLEX IS PLEASED TO ANNOUNCE OUR 3<sup>RD</sup>  
SANTA CLAUS PARADE!!!

**December 5th**  
**(rain date will be December 6<sup>th</sup>)**

The Safety Complex elves are still working out the details and we will announce them as soon as we have them for you!  
Please check the Auburn Police Facebook page for updates and the parade route! Or feel free to reach out to  
Melissa@thePD if you do not have access to Facebook.

## **-AUBURN GIVING TREE UPDATE –**

This is our 6<sup>th</sup> year with the Auburn Giving Tree program. Each year we go through and make tags for the items residents requested they need. Almost always its winter coats, winter boots, jeans, sweatshirts, socks and underwear... critical items that are important for everyone to have. We will also put down one or two toy tags for children. As we put out tags for each family, we do so with the hope that Auburn can help fulfill some of their needs and wishes, and each year it continues to astonish us at the kindness and caring you show to your fellow residents. Words cannot express our gratitude to the residents for making these holidays SO special for families.

There is still time to grab a tag or return items to the police department. For those of you who have taken tags or still plan to, please return items to the Safety Complex by December 17<sup>th</sup>. Santa will take it from there, and make sure it is all delivered by Christmas.

Unfortunately, we will not be able to have our "GIVING TREE WRAP (it up) PARTY" like past years. Instead we are asking that if possible, when returning giving tree items to include a box. We will still collect donations of gift wrapping supplies, tape, wrapping paper, boxes, gift tags, or tissue paper. When the families come to pick up their items, we will provide the items in as many boxes as possible and give them the supplies to wrap up the gifts for the children.

If you have any questions, please feel free to contact Melissa@thePD at any time.

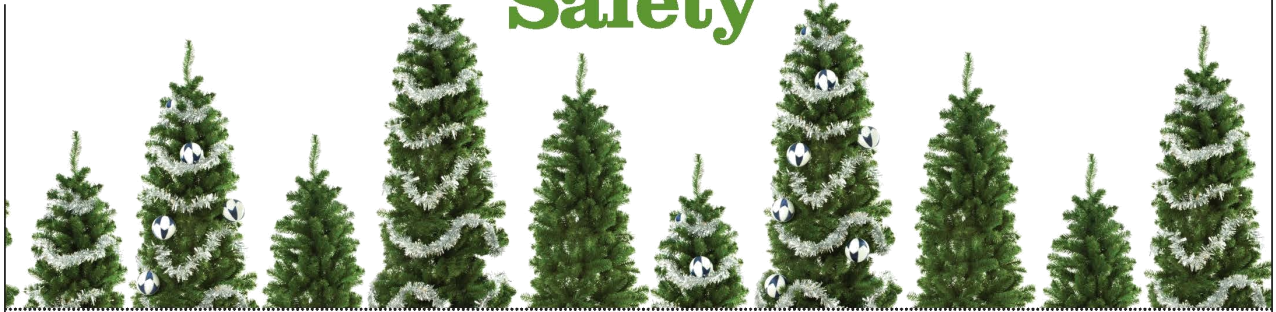

We hope everyone has safe and happy holidays this month and into the New Year.

# AUBURN FIRE DEPARTMENT NEWS

## Christmas Tree Safety

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

### PICKING THE TREE

- Choose a tree with fresh, green needles that do not fall off when touched.

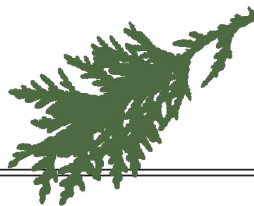

### PLACING THE TREE

- Before placing the tree in the stand, cut 2" from the base of the trunk.
- Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.
- Make sure the tree is not blocking an exit.
- Add water to the tree stand. Be sure to add water daily.

### LIGHTING THE TREE

- Use lights that have the label of a recognized testing laboratory. Some lights are only for indoor or outdoor use.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving home or going to bed.

## After Christmas

Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.

Check with your local community to find a recycling program.

Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

## FACTS

- ! More than **one of every four** home Christmas tree fires is caused by electrical problems.
- ! Although Christmas tree fires are not common, when they do occur, they are more likely to be serious.
- ! A heat source too close to the tree causes **one in every four** of the fires.

## The Auburn Elf

Parker, the Auburn Elf is not on the shelf, but instead will be hiding around town with a puzzle for you to solve.

Throughout the month of December, we will post clues on our Facebook page, Instagram page and website to help you find Parker. He will move 6 times throughout the month of December. To solve his puzzle, make note of the letter he will be holding or will be next to him. Once you have all 6 letters, unscramble them to solve the puzzle and discover the holiday mystery word. Bring that word to Parks & Rec in the Town Hall and get a little treat from Parker.

As with all north pole elves, please do not touch Parker. We do not want him to lose his magical powers. He does love selfies though. If you take a picture with Parker and want to post it on social media, include #IFoundtheAuburnElf.

## Welcome to Mike O'Callaghan, P&R Facilities Maintenance

We are pleased to welcome Mike O'Callaghan to the Parks and Recreation team. Mike will be working in facilities maintenance and will be keeping the parks clean, safe, and beautiful. He will also be helping at Parks and Rec events. If you see him driving around town in the P&R truck, say hello. Welcome Mike!

## Summer Camps 2021

Summer Camp information will be released in January. This year, we are planning for 2 weeks of Camp Adventure for campers entering grades 5-8, a week of Basketball Camp and an additional week of Camp Adventure just for the older kids who will be entering grades 9 or 10. All the details will be in the January Crier and on Facebook or Instagram.

## Cub Scout Pack 127 – Bear Den Explores Auburn’s Great Outdoors & Community

The Bear Den from Auburn’s Cub Scout Pack 127 has had a great start to the fall of 2020! Despite the challenges of COVID 19, these third graders have started working on their Bear Rank and have been taking advantage of the beautiful outdoor resources right here in Auburn. Most recently, they went on a hike and discovered all sorts of animal evidence on the shores of Massabesic Lake. These curious Scouts also went fishing and reviewed the types of local fish, fishing laws and rules all while perfecting their casting skills. The Bears helped their community by participating in Scouting for Food and collected food around the town to help replenish a local food bank. Next up is a trip to Camp Carpenter to work on a shooting adventure that includes archery and BB gun target practice. During the upcoming months, the Scouts hope to continue their adventures that will encourage a sense of community, help them develop leadership skills, and continue to grow friendships.

## *News from the Auburn Historical Association*

### *John Harko — Blue Glass Artist*

*In 1907, John Zacharko, his wife Anna, and toddler son, Jan left Austria and sailed to Galveston, Texas. There, the family shortened their name to Harko and their son "Jan" became John - John Harko. Within a year, the senior Harko accepted a job with the Amoskeag Mills and the family moved to Manchester, NH. There, young John Harko graduated from grammar school and went into construction. He also was a local boxer who won the New England featherweight championship twice.*

*After the Japanese attacked Pearl Harbor on December 7, 1941, 35 year old Harko joined the US Navy. He served for the duration of WWII and taught young sailors the 'sweet science' of boxing. After the war, Harko owned a tire shop and used car lot on Elm Street.*

*When he retired, Harko set up a glass furnace at his home on Crystal Lake. He knew that in the 1840's, a glass works in Suncook, NH, had produced blue glass from Lake Massabesic sand. The blue color comes from trace elements of cobalt in the sand. After obtaining permission from the Manchester Water Works to use Massabesic sand, Harko tested samples and found that the best sand for making glass was at Preston Beach ( Manchester Rd, MWW Fire Trail 48 ). Heated to 2500 degrees, the sand liquifies and becomes a beautiful cobalt blue color. From aluminum molds, Harko made pitchers and containers that honored organizations like the Lions Club and Boy Scouts and historical figures like John Stark and George Washington. He also melted down green 7 Up bottles and applied the green glass to his fancier creations. The 'HARKO' signature is etched into the bottom of all pieces.*

*John Harko had a wide circle of friends and acquaintances in the Manchester area. He gave away all of his creations to people that he thought would enjoy them. Harko died in 1997 at the age of 91. In October of this year, a cobalt blue pitcher made from the white sand at Preston Beach was put up for auction on eBay with a starting bid of \$90.*

## News from Auburn Dollars for Scholars®

### Tips for searching for post secondary schools:

1. Do your research! Look for schools that fit your field of study and interest.
2. Apply early!
3. Apply to more than one school!
4. Each school offers different financial aid packages; know what they are!
5. Focus on your application essay! You are marketing yourself to the school. They will look at everything including your social media pages.
6. Your grades are very important! STUDY!
7. Apply for as many scholarships as you can! Search the internet; there are a lot of different scholarships that you may be eligible for.
8. Check application and scholarship due dates! Don't miss out.

We look forward to our Auburn students applying for scholarships beginning Feb. 1<sup>st</sup>.

We offer these scholarships with generous donations from our community.

Please support Auburn's students.

# Longmeadow Serves!

In any year, as we enter the holy season of Advent, many things, events and people vie for our attention, and our lives can feel too hectic and hurried to truly experience the wonder and awe of the season. And in this year when life has felt so unpredictable and many things are outside of our control, the traditional beauty and joy of the season can feel hard to find. But the light of Christmas continues to shine and we will rejoice in it.

We want to thank our Auburn neighbors who generously joined us last month in providing grocery store gift cards to assist Auburn families in need to enjoy a Thanksgiving meal and stock their shelves. Working together we can make a real difference in people's lives. Thank you also to all who supported the efforts of our Ladies' Circle by purchasing pies, cookies and fudge. We also want to thank all who participated in our annual Scarves in the Park efforts. Hundreds of Scarves were created and provided to the wonderful folks at Emily's Place, The Upper Room, The Sonshine Soup Kitchen, Chester Clothes Closet and Anchored in Hope.

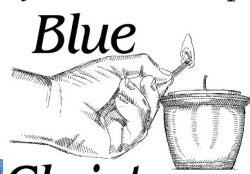

As of this publication's deadline, we have cautious plans to attempt to begin gathering again for in-person worship, beginning on the first Sunday of Advent, November 29. Following the State of NH guidelines, we need to

limit our numbers and so have instituted a reservation system and social distancing precautions requiring masks, sitting only with people in the same household, temperature checks, etc. As the course of the virus is unpredictable, and things can change quickly, we recommend that you contact the church (483-2907) to check on the current situation.

We are also hoping to provide different options for worship and would like to invite the community to join us for some special events:

## Blue Christmas

**Sunday December 6, at 4:00 p.m.** we invite you to join us as we reach out to support those for whom the holidays are a difficult

time at our annual **Blue Christmas Service**. In the past we have focused this service on providing support to those who are grieving the loss of a loved one. But 2020 has been filled with so many losses, including worship. And so, our focus will expand this year to include all the grief we have experienced and we invite the community to join us at an **outdoor gathering, at the fire pit** near our upper parking lot. Social distancing and masks are required to protect all who attend. "Come to me all you who are weary and carrying heavy burdens and

I will give you rest" (Matthew 11:28).  
Rain/Snow Date: December 13.

Thursday, December 24, **Christmas Eve**. We are currently planning three worship options:

**5:00 outdoor gathering**, at the fire pit near our upper parking lot. If there is rain or snow, this service will be cancelled

**7:00 On-line worship** via Zoom

**11:00 Candlelight Service** in the Church Sanctuary

Again, please note that all of these plans are subject to change pending the course of the COVID-19 Pandemic. Please contact the church or watch the Auburn Community Facebook page for updates.

We of the Longmeadow Congregational Church, UCC wish to all of our Auburn friends and neighbors joy in this holy season. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a community for worship, we invite you to join us. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

## Virtual Volunteer Fair announcement for December 2020 issue of Auburn Village Crier

### Auburn's Virtual Volunteer Fair – You Are Needed!

Volunteering is one of the most meaningful expressions of giving and agencies serving Auburn residents need your help. Thanks to the support of AARP, Southern NH Planning Commission has partnered with the CareGivers' Volunteer Driver Program, and Auburn's innovative Griffin Free Library to put on an informative and exciting *Virtual Volunteer Fair*.

Helping connect seniors to their community is one of the most meaningful things you can do for older adults who might otherwise become socially and physically isolated. CareGiver's Volunteer Driver Program (VDP) provides training for volunteers to safely provide rides to seniors so they can get to critical medical appointments. The Griffin Free Public Library Homebound Program is designed to help people who cannot get to or use the library due to long-term injury, physical disability, or transportation issues (including inability to drive in winter weather). Both of these programs are looking for volunteer drivers, one to deliver and pick up seniors and the other to deliver books.

Looking for a rewarding way to give back to your community? Please join our Virtual Volunteer Fair through Zoom and learn about the CareGivers' VDP and the library's Homebound Program. The program takes place on **December 16th, 4:00 to 5:30 pm**. Find out from agency directors about training, volunteer needs, safety precautions and other details. Plus, everyday heroes who are volunteering now will share their stories on how these programs mean so much to seniors in Auburn.

To participate, register here:

[http://www.eventkeeper.com/code/ekform.cfm?curOrg=GRIFFIN&curName=2020/12/16\\_Virtual\\_Volunteer\\_Fair](http://www.eventkeeper.com/code/ekform.cfm?curOrg=GRIFFIN&curName=2020/12/16_Virtual_Volunteer_Fair)

The first 10 participants will receive a free pen from the library. First three to sign up to either program will receive a free SNHPC coffee mug.

Can't make the virtual fair but still interested in supporting these programs? Here is contact information for both:

- Katy Growney, Library Director, call: 483-5374 or email: [director@griffinfree.org](mailto:director@griffinfree.org).
- Jim Wilkie, Executive Director, call: 622-4948 or email: [james@caregivers.org](mailto:james@caregivers.org)

Come find out how you might help agencies in your community.

For questions about the event or how to Zoom in, please contact Sylvia von Aulock ([svonaulock@snhpc.org](mailto:svonaulock@snhpc.org)) or Adam Hlasny ([ahlasny@snhpc.org](mailto:ahlasny@snhpc.org)) for more information. Hope to see you then!

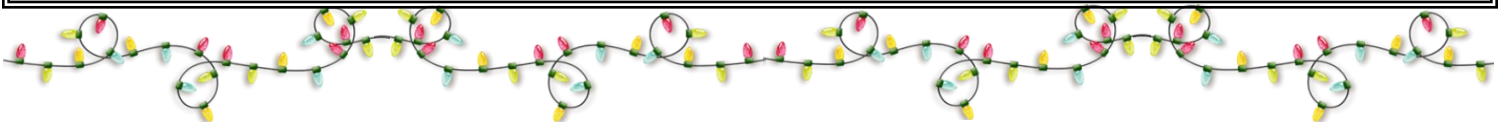

# Massabesic Seniors

The senior group had a great summer, meeting outside at Massabesic park. Now it's time to move inside for the cold weather and winter.

Since we lost our inside meeting place last March, and had no meetings until good weather when we moved outside, we've learned how to cope with Covid-19. We actually didn't hold a regular meeting during summer, but just a gathering as safely as possible for a much needed get to get together. For the winter months indoors we'll all be wearing masks, sitting far enough apart and forgoing snacks. We actually had two official indoors meetings that went smoothly. After the official part, we had time for the joy of just being together for conversations, unfortunately without coffee, tea and snacks.

If we stay careful and vigilant, we will get to enjoy winter meetings as much as we did those of summer.

## Editorial Policy

The AUBURN VILLAGE CRIER is a monthly newsletter (11 issues/year) published by the Town of Auburn. It is intended to serve the community by providing information of interest to Auburn residents. As a monthly publication, the newsletter is not a forum to air opinions as it is not able to provide equal time standards. With a diversity of views and opinions among the residents of the Town, it is the policy of the AUBURN VILLAGE CRIER not to publish editorials or letters to the editor that advocate any political or policy viewpoint.
