Board of Selectmen Organization

At the first Board meeting following the March elections, the Board of Selectmen elected Rick Eaton to serve as Selectmen Chairman, while Keith Leclair was elected as Vice Chairman.

Town Boards and Committees

As a new year gets underway following the Town Meeting and elections, a number of Auburn residents have been appointed by the Board of Selectmen to positions on various town boards and committees.

Reappointed to the Highway Safety Committee for one year terms were Dan Carpenter and Mike DiPietro, while Margaret Donovan was re-appointed to a three year term on the Conservation Commission.

Mark Wright was re-appointed and Dennis Vierria was appointed to three-year terms on the Zoning Board of Adjustment. David Oliviera was re-appointed to a three year term on the Parks & Recreation Commission.

The Selectmen also agreed with the Planning Board's nomination of Paula Marzloff to serve as one of two Auburn representatives to the Southern New Hampshire Planning Commission.

Town Moderator Kathleen Porter has re-appointed Peter Miles and Paula Marzloff to new three-year terms on the Budget Committee.

In the coming months, the Board would welcome expressions of interest in positions yet to be filled including an alternate positions on the Library Trustees and Zoning Board of Adjustment, and a member of the Highway Safety Committee.

Friends of the Griffin Library 3rd Annual Plant Sale

Attention gardeners! Time to grab those shovels, garden gloves and rakes. I know I'm looking forward to the signs of spring, especially the veggie, herb, annuals and perennials that we'll be selling. This event is in conjunction with the Auburn Historical Association's plant sale.

Do you have extra plants that you could donate? Last year we had so many great donated plants that found a new home. We only ask that you can identify what they are and the type of growing conditions that they need. We will have markers that you can use if you'd like. We'll be at the Auburn Historical building from 5-7pm on Friday evening...or you may leave them on the porch of the library during library hours on Friday.

The profits for this fundraiser will go towards programs and passes for the families in our community.

If you are interested in volunteering during the sale or any other library event please contact Elaine Willeea@comcast.net or Fay Fay.frank@comcast.net

You are invited to attend our Friends planning meeting on Monday May 6 at 6:30pm.
We'd love to have you share your ideas with us.

As we approach the end of the program year, we look forward to many milestone events. Early in the month we will join with churches all over New Hampshire in delivering 50 School Supply Kits assembled by our Sunday School children, over 50 Emergency Personal Hygiene Kits assembled by participants in our Grace at the Table dinner church and many individuals and 6 large Emergency Clean-Up buckets assembled by our Ladies' Circle for the work of Church World Service who are often the first on the scene after natural disasters.

It is a blessing to partner with them again this year. On May 12th, we will celebrate Mother's Day with the dedication of emergency blankets donated to disaster and emergency workers through Church World Service to make sure that these needed supplies are available when disaster strikes. We will also celebrate the

Cub Scouts

Pack 127 Puts Their Skills to the Test at Annual Chuckwagon Derby

Cub Scout Pack 127 put their scouting skills and knowledge to work in a fun-filled day of outdoor activity at Camp Carpenter in April. Scouts pulled two chuckwagons around to 11 different stations along the camp trail and competed in various activities against other scouts from the region. At each stop, the Scouts answered questions or completed tasks involving Scout knowledge, maps and compass skills, fire building and safety, citizenship, wilderness survival, first aid, and disability awareness. The Cub Scouts worked together as a team, used their problem solving and leadership skills, and showed Cub Scout spirit.

Check Out Cub Scouting at May 9th Open House

Pack 127 will be holding an open house on May 9th from 6:30-8:00 PM at the Auburn Safety Complex for parents and prospective Scouts (boys and girls in grades K through 4th) interested in joining Cub Scouts.

With the development and growth of our spring and summer program at Pack 127 - hiking, camping, exploring, and more - Pack 127 wants to make sure that interested families get a chance to join in the fun! Cub Scouting offers activities, games, sports, family camping trips, exploring, nature, adventure, advancement, and fun. Cub Scouting builds friendship, respect, character, self-esteem, courage, pride, family values, citizenship, cooperation, and strength.

For those who cannot attend the May 9th event but are interested in learning more about the program, please contact Stacey Melendy at staceymelendy@gmail.com.

Auburn Village School Invention Convention: Judges Needed!

The Auburn Village School eighth grade is participating 3rd annual invention convention unit project. Throughout this unit, students will be learning how to think about and identify real world problems like an inventor. Students will research inventors and the invention process. Student will identify a problem, possible solutions, and create a model (prototype) of their invention that helps solve the problem. Concluding the unit in May, students will pitch their inventions much like the television show "Shark Tank" to peers and a panel of judges. Judges will evaluate inventions and select winning inventions in preassigned categories. In order to make this event as authentic as we can, we are looking for community business owners, local inventors, past student inventors, college students, patent attorneys, and/or other interested professional individuals who can donate time to judge this event.

The event is scheduled for Thursday, May 23h. The time commitment is 12:00-2:00pm. During that time, duties and judging sheets would be distributed and exact expectations would be explained. Judges will be walking around to evaluate student inventions, listen to persuasive pitches, and presentations. *No prior judging experience required.* If interested, please contact Tim Hamilton, Eighth-Grade Science Teacher, at thamilton@sau15.net.

Crayola and schools across North America are banding together to help kids understand the importance of their role in protecting the environment. **ColorCycle** is the latest sustainability initiative designed to repurpose Crayola markers.

ColorCycle will accept **all brands of plastic markers**, not just Crayola markers.

That includes **dry erase markers** and **highlighters**! **ColorCycle** will eliminate placing hundreds of tons of markers into landfills.

The First Grade classes at AVS will be collecting used markers and highlighters from now through May 15th.. Please send all of your unwanted markers to school so we can return them to Crayola and help keep our Earth healthy!

Thank you!

AVS School Construction Update

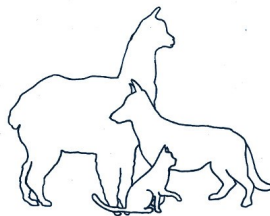

Hope Everyone has had a good start to the spring and that the Easter Bunny was kind! Here at the school the construction bunnies have been working in full force. The interior of the addition has been "roughed" with wires and plumbing and the sheetrock being installed. The new learning spaces are well defined as are the new bathrooms, storage areas and teacher spaces. It is really starting to come together! Our administration has been busy with new furniture selections and technology selections for the new spaces while of course keeping most of our existing furniture for the spaces we are replacing. The outside of the building is starting to receive the brickwork as well as the installation of windows. The field has been enlarged and leveled to a rough condition in preparation for finishing this summer after the portables are removed. It is truly a transformative project. It is estimated that we are 30% complete.

Administration, SAU staff, Board members and the construction team continue to meet most weeks to keep items moving. We look forward to the end of school to watch the portables become a part of history. Think spring Everyone!
