## **Storage Building Project Nears Completion**

As we write this, the three-bay storage building for Town departments is just about complete and should be ready for occupancy by the end of August.

The 20' x 60' structure is generally providing two-bays of storage for Parks & Recreation, and a secured bay for use by the Police Department. This facility will replace the current two self-storage units leased for Parks & Recreation, and one storage trailer that has been used by the Police Department.

Under discussion for several years, the storage facility project came together after voters approved the project during the March 2021 Town voting. The Town put the project out to bid in April and the project was awarded to Pidcor, Inc., of Auburn. While issues related to Covid-19 affected the construction trades in general across the country, the project has overall been able to keep on anticipated timelines.

As we write this, exterior cement pads are being poured, final electrical connections and lights installed, and final interior touches completed. The Town anticipates moving in by the fourth week in August.

Covid-19 impacted the material costs involved with this project. The Town has been able to make use of unanticipated federal funds through the American Rescue Plan Act (ARPA) to cover these related expenses.

## **Comings and Goings from Town Boards**

During the past few months, the Board has been able to name several Auburn residents to positions on Town boards.

At the recommendation of the Board of Library Trustees, Cynthia Berling was named as an alternate Library Trustee.

With the resignation of Dennis Vieira from the Zoning Board of Adjustment, current ZBA Alternate member Patrick Bergeron was appointed to fill the vacant full-member position on the board.

ZBA Chairman Mark Wright also has resigned his position as of September 1<sup>st</sup>. The Board has received several applications of residents interested in serving on the ZBA, in addition to having two sitting alternate members who could be appointed to fill the position.

## **September is When E-Waste Day is Held!!**

Please mark your calendars for the annual E-Waste Collection event. The annual "E-Waste Collection" event will be held on Saturday, September 25<sup>th</sup> from 9 am to 2 pm in the front parking lot of the Auburn Safety Complex on Eaton Hill Road. Without a charge, Auburn residents may dispose of "anything with a plug" from computers and monitors to TVs, radios, stereos and more.

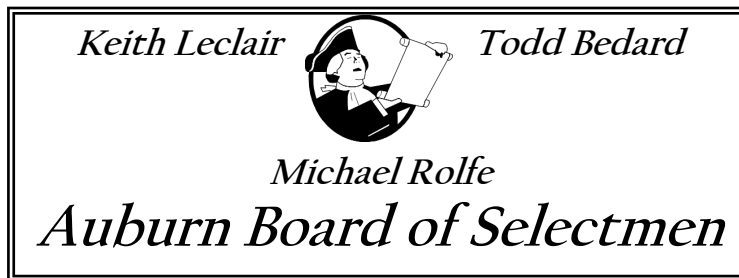

## **Auburn Receives Federal Funds**

Since the June – July edition of the *Auburn Village Crier*, the Town of Auburn has received the first half of its funds from the federal American Rescue Plan Act (ARPA) that is intended to assist the Town and its taxpayers over the next several years.

Since last month's report, a final determination has been made that Auburn will receive a total of \$585,123 over two years for use locally. In August, the Town received \$292,188.80 with an identical payment anticipated in July or August 2022.

The Selectmen are working with all Town departments to look at anticipated capital expenses identified in the Town's Capital Improvement Program, projects that have unsuccessful grant applications and other one-time project costs for which the funds may be used. At this point, the Town has obligated some of these funds for a turnout gear extractor and dryer for the Fire Department; replacement of toilet and lavatory units for the holding cell area at the Police Department; completion of the storage building for Parks & Recreation and Police Department; replacement of analog telephone systems at the Fire, Police and Town Hall; repairs to the Eddows Field Clubhouse; ceiling insulation in the area of the Police Department, and an air compressor and tool attachment at the Highway Department.

The Town will have upwards of four years (through December 2024) to spend or obligate the money, and will have through December 31, 2025, to spend all the funds. Any funds not spent will have to be returned to the federal government.

## **MASSABESIC SENIORS**

The Massabesic Seniors are enjoying and taking advantage of good summer weather. We not only meet indoors on Thursdays, our regular meeting day, but added Monday mornings at Massabesic Park. Actually, the meeting at the park is more a senior's friends gathering for socializing rather than a business meeting. And on rainy days we meet at Dunkin Donuts and still enjoy socializing.

We are blessed with a new member, longtime resident, Beverly Kobel, now living with family in Manchester.

We are all looking forward to the senior BBQ in August and the resumption of the enjoyable senior bus trip outing later this year. It seems we are finally getting back to normal.

If you are a senior just sitting at home with little to do, come join the Massabesic Seniors group and enjoy new friends and things to keep you active. Call Dick at 264-3430 or Lorraine at 483-2572 both active happy friendly members.

## KIDS in the KITCHEN

DO YOU LIKE HELPING OUT IN THE KITCHEN and cooking up tasty snacks for your friends and family? Preparing yummy treats can be lots of fun, but it's important that kids who like to cook know how to be safe in the kitchen. These tips can help you figure out what you're old enough to do on your own—and when it's time to **ask an adult for help**.

**Getting Started:** Before you get cooking, you need to get a grown-up's permission. If you plan to use a recipe, look it over with a grown-up first to decide what you can do on your own and what you need help with. And once you get started, never be afraid to ask for help. Even the best chefs rely on their assistants to help them out in the kitchen.

**Helping out is Fun:** From mixing up cake batter to cutting shapes out of cookie dough, helping out a grownup in the kitchen can be lots of fun. So if you're not old enough yet to cook on your own, not to worry; being the chef's helper is the most important job in the kitchen.

**Cooking for All Ages:** All kids are different—and a grown-up should always decide what is safe for you to do in the kitchen—but here are some guidelines that you can use.

Kids aged 3–5 can:

- Get ingredients out of the refrigerator
- Measure and mix ingredients together in a bowl
- Pour liquids into a bowl
- Wash fruits and vegetables off under cold water
- Use a cookie cutter to cut shapes out of cookie dough or sandwiches
- Lick the cake batter off of a spoon (yum!)

Kids aged 6–8 can:

- Open packages
- Use a butter knife to spread frosting, cream cheese, peanut butter or soft cheese
- Peel vegetables
- Measure ingredients
- Stir ingredients in a bowl
- Set the table

Kids aged 9–12 can:

- Begin to follow a recipe
- Open cans
- Use electrical kitchen appliances, such as a microwave oven, when a grown-up is present
- Use a grater to shred cheese and vegetables
- Turn stove burners on and off and select oven temperature when a grown-up is present
- Help plan the meal
- Make a salad

Kids aged 14+ can:

- Operate the stove or oven without an adult present
- Heat food up in the microwave without an adult present
- Drain cooked pasta into a colander
- Take a tray of food out of the oven

## News from the Massabesic Garden Club

We hope you had an amazing summer of gardening and other fun! What did you do with all your spare time when you didn't have to water in July?

We finished our meeting season in June with a wonderful talk on herbs by member Patti Elwell, and board members served herbed mock tails and herbed popcorn. We also took a field trip to the Culinary Feast Garden in Amherst.

### **The board has been meeting regularly to discuss club formation, projects, guest speakers, etc.**

We will hold our regular member meetings from October to May on the second Wednesday of the month at 6:30, location to be determined. The next member meeting will be on October 16<sup>th</sup>.

We compiled a list of subjects from the poll taken at our May meeting, and will be working on getting speakers for those topics.

Board members assisted with the school gardens with weeding and planting the raised beds for the teachers and children to enjoy when they come back to school. Each bed has a theme, such as butterflies, fall and yes, even 'pickles' for one of the themes!

We toured Bicentennial Park and will take it on as a project for the spring. If any member wishes to be on the committee for that project, let us know- we want to do some planning and preparation this fall. We are going to start with one garden and see where we go from there.

Our first fundraiser will be at the Auburn Duck Race on Sept 11. We hope our members are busy digging plants to sell at our booth.

Member info: please drop your plants off at It's A Child's World on the sidewalk on 9/6, 9/7 and 9/8. Please include an informal label, as we will be printing labels and descriptions of the plants' needs. All are welcome to donate!

We will also be collecting monetary donations at the duck race to help fund our projects. Donations are tax deductible.

Please note that all should be cognizant of jumping worms, as we should with any plant disease, weeds, soil issues around the plant that we are donating or purchasing. The extent of the population of jumping worms is unknown in NH. Please read more about these on the UNH cooperative extension website. We will also have info about this at our booth, and how to reduce risks to assure that we are not promoting the spread of anything unwanted through our gardens and forests.

We will be doing a seed exchange this fall - please save those seed to swap with your fellow members!

**Thank you** to those who have volunteered to staff the booth - we will send out an email reminder of your shifts.

**Remember, your membership card gets you discounts at these sponsors:**

**Osbornes Agway:** 15% off for members (bring your member card, use your own account to get extra points - refer to Mike if there is an issue, you do not have to use the clubs account)

**Bagley Pond Perennials:** 10% off for members

**Lake St Garden Center :** 10% off on Tuesdays for members

**Spring Look Farm Garden Center:** 15% off all the time

We are so appreciative for the discounts our sponsors have offered.

We are always looking for private and corporate sponsors to support our projects.

If you would like to join, please contact us so we can send you a member form.

The cost is \$25/yr. (under 18 and over 70 is free!)

Happy gardening!

### Boy Scout Troop 127

As summer vacation comes to a close, the Troop makes the most of it by participating in longer, overnight events. From August 8th to August 15th, seven scouts went to Griswold Scout Reservation and participated in many fun activities. They went sailing, worked on the Wood Carving merit badge, the Communications merit badge, the Camping and Leatherworking merit badges, and built Vex robots. Overall, they had a great time but were relieved to sleep in their own beds when they got home. The Troop is planning to go on a backpacking trip at the end of August. The older scout patrol is working toward earning their scuba certifications.

Boy Scouts is open to all youth aged 11 and older. If you would like more information or would like to schedule a time to attend a troop meeting, please contact Will Melendy

Greetings from your friends at the Longmeadow Congregational Church, United Church of Christ at 4 Wilson's Crossing Road in Auburn. As we continue to move forward with our building re-opening, we have some good news to share and lots of invitations to extend.

### **Worship with Us!**

In July we reopened our building for Worship at 9:30 each Sunday, with some modifications and we have been delighted to have many new people joining us. Although we do encourage social distancing, there is always room for you! We also continue to gather each Sunday on Zoom for worship as well as post a recorded version of the service each Sunday and a Children's Message each Wednesday to YouTube.

### **Breakfast Returns!**

Yes folks, that right. On September 18, we are thrilled to announce that we plan to once again open our doors to welcome you all to our famous Community Breakfasts. We have missed you all and hope you will join us as we welcome back this beloved tradition of community gathering.

### **Community Concert Popcorn:**

It was wonderful to see and serve Popcorn to so many of you at this summer's Community Concerts.

## **Longmeadow Serves!**

Thank you to the wonderful folks who serve our community throughout the year on the Parks and Recreation Commission. You folks are such a treasure for Auburn.

### **School Supply Drive a Success!**

It was a joy this summer to join with our neighbors and partners in assembling Backpacks filled with School Supplies for children at AVS. Although this has been a beloved project of our church for several years, we have been doubly blessed in recent years to have so many friends join us in making this a real community effort. Thank you to the Auburn Police Department, the Auburn Firefighters Association, Rabbi Beth and our friends at Temple Adath Yeshurun, and countless neighbors who anonymously left supplies in our donation bin. This good will and the opportunity to serve alongside all of you is as big a blessing as the supplies themselves. Thank you!

### **Scarves in the Park:**

We are once again creating scarves to help people keep warm over the coming winter months. We have recently received a large donation of yarn that we are happy to provide to those in our community who are creating scarves for the project. For more information, you can contact Pastor Ruth by calling the church at 483-2907. We are very grateful to have so many people in our community partner with us in helping to keep people warm. By the way, hats and mittens/gloves are also welcome!

No matter who you are or where you are on your spiritual journey, there is always a place for you with us, whether in the building or on-line.

At Longmeadow Congregational Church, UCC, we seek not just to go to church but to BE THE CHURCH!

If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907. Friend us on Facebook at <https://www.facebook.com/groups/Longmeadow/>

# AVS SCHOOLYARD NEWS

We are excited to begin another school year! The first day of school is September 1, 2021. The school day begins for middle school students at 7:50am with student arrival beginning at 7:40. The school day begins for elementary students at 8:50 with student arrival beginning at 8:40. Pick up for middle school begins at 2:25 for middle school and 3:30 for elementary school. Kindergarten and first grade parent pick up begins at 3:20. Homeroom and advisory placements have been sent home to parents. If you have not received an email notification, please call the school office. Supply lists for each grade level are located on our website. If your child needs any school supplies or a backpack, please notify us. Thank you to Long Meadow Church for providing us additional school backpacks and supplies for those who are in need.

The school board approved our Reopening of School plan that can be located on our website. As always, with further guidance from NH DHHS, changes may be made based on current circumstances. Some important information in regards to the most recent AVS Reopening Plan:

- Masks will be optional for staff and students inside the building
- All students are required to wear masks on buses per CDC Order
- Students will be six feet apart while eating lunch
- All cleaning protocols will remain in place
- Students will not be required to wear masks while outside
- If the situation worsens, based on community transmission of COVID-19, masks may be required for all occupants of the school building.
- If a student is asked to quarantine, a remote learning option will be provided.

Bus routes have also been posted to our website under the transportation menu. We will continue to utilize PickUp Patrol as our attendance and dismissal system to keep track of any transportation changes. If you are new to PickUp Patrol, you can expect to see an email in the next couple of weeks. It is important that all parents enter a "default plan" in PickUp Patrol before the start of the year. Once bus routes are posted, we ask that you enter your child's bus number into the system as their default plan if they are taking the bus. For assistance with PickUp Patrol, please

reach out to Mrs. Banner at nbanner@sau15.net.

Our Open Houses are scheduled for September 16 for grades 1-4 and September 23 for grade 5-8. More information concerning open houses will be forthcoming.

AVS Cafeteria will be offering free meals (breakfast and lunch) again for the 21-22 School year. Even with free meals for your school district in 2021-2022, it is still important to submit a free/reduced price meal application. Completing an application takes less than 10 minutes and application information remains private and confidential. Only one application per household is needed. Please turn in your application anytime: Attn: Sarah Belanger- Food Service Director Email sbelanger@sau15.net with any questions! Free and reduced price meal applications may be processed at any time during the school year. Please be sure to fill out the application completely and return it to Nutrition Services at your child's school. We are looking forward to seeing you all on September 1st!

# Come Join Cub Scouts and Have S'More Fun!

While summer may be wrapping up, Auburn Cub Scout Pack 127 made a lot of memories the last couple of months and can't wait to tell new friends and Scouts.

Summer highlights included:

- Sleepover camp at Camp Carpenter panning for gold at Fort Friendship, peddle boating at Pirates Cove, nature hikes, rock climbing, archery, Water slides, and so much more! Camp Carpenter is consistently ranked as the nation's premier Cub Scout camp, and they are right in our backyard! Come join us for fun year-round.
- Playing mini golf and enjoying some ice cream at Legend's Golf in Hooksett. Cool off on a hot day!
- Biking with friends on the trails right here in Auburn. Why have a meeting indoors when you explore the world right next door?
- Practicing Scout Craft at our annual camping trip to White Lake State Park. Scouts learn best in the outdoors, but they'll probably just tell you they liked the swimming, hiking, fishing, camp fire, pancakes, or that crazy gigantic beast they heard in the forest (probably a deer or a squirrel).

Scouting is open to all children entering Kindergarten to 5th grade. Cub Scouting is family based and all scouts are encouraged to bring a friend to their meetings and activities. Please contact Cub Master, Mike Kadlec, at <mailto:pack127auburn@outlook.com> or find us at [beascout.org](http://beascout.org) if you would like more information.

## Library Card Sign Up Month

Every September, the NH State Library holds a **Library Card Sign Up challenge** to see which library has the biggest percentage of new and renewed library cards. Griffin Free won in 2019 and we would like to take the trophy back! Signing up is easier than ever and can be done online or by stopping in. You may even stop by our table at the Duck Race.

## Survey

We need your feedback! Griffin Free will be running a survey from September 11 through September 25. Surveys may be completed on-line (link is available at [griffinfree.org](http://griffinfree.org)). If you prefer print, copies may be picked up at the library. Thanks in advance!

## Children's Programming

**Story Times are now twice a week** as of September 3. Join Miss Mary on the patio **Tuesdays at 11 AM or Fridays at 1 PM**. Space is limited so registration in advance is recommended.

Beginning on Wednesday, September 15, Miss Mary will be hosting **Wednesday Craft Club** between 4 PM and 5:30 PM twice a month. Stop in after school to create a simple hands-on craft suitable for ages 6 and up.

For September's **STEM on Saturday**, we will be exploring **Electricity and Green Energy** with Miss Jamie. Join us on September 4 at 1 PM on the patio and register in advance to save your spot.

## Adult Programming

**Cookbook Club** returns on Saturday, September 18 at 12:30 PM on the Patio.

**The Book Club** is currently reading *The Authenticity Project* by Clare Pooley. The date of the next meeting has not yet been set, but will be posted to our website as soon as possible.

## Duck Race Day

The Duck Race is back and will be held on September 11. Library staff will be available outside the library building to renew library cards and register new patrons. We will also be handing out surveys. However, the library building will be closed so make sure to stop in the day before to pickup any weekend reading material.

**The library is selling Duck Race Tickets** to benefit the Auburn Historical Association. Not able to attend Duck Race Day? No problem. Just stop by the library prior to September 11 to purchase your tickets. On Duck Race Day, tickets will only be available at the Auburn Historical Tent.
