Auburn Town Hall News

Young Auburn Artists Recognized

At the April School Board meeting, three Auburn Village School students were recognized by Town and school district officials for their artistic talents and colorful submissions for consideration to be the cover of the 2017 Town Report.

Ultimately, Ben Wilson's impressive painting of an evening sunset over Lake Massabesic was chosen for the cover of the Town Report. Ben's painting marked the first time a full-color cover had been printed for the annual report.

Since 2012, the Town has paired with the Auburn Village School in soliciting artwork from student artists to be featured on the cover and within the annual report of the Town and School District. A number of very impressive paintings and drawings were submitted this year and judged by Police Chief Ed Picard, Town Clerk Kathleen Sylvia and Library Director Kathryn Growney.

In addition to Ben Wilson, the other top AVS artists recognized by the Town officials and School Board were Molly Kuehl and Mia Pagnierani.

New AFD Rescue Vehicle and Two Replacement Cruisers Ordered

Following the approval of the voters in March, the Board of Selectmen approved the ordering of a new medium rescue vehicle for the Auburn Fire Department. The approval of the order from the Rosenbauer Companies begins an approximate 18-month process of building the new vehicle to the specifications requested by the Auburn department.

While a Kenworth cab and chassis is acquired by the manufacturer, final details on the vehicle specifications will be agreed to before construction of the vehicle gets under way. Expectations are the completed vehicle will be delivered to Auburn in mid-2019.

The Board of Selectmen has also approved the lease / purchase of two new replacement police cruisers that were also included in the FY 2018 budget. The Ford Explorer vehicles are acquired off the State of New Hampshire bid list and will replace two older vehicles currently in service.

Continued...**Town Application Approved for Funding**

In January, the Town of Auburn applied for funding through the Land and Water Conservation Fund program to assist with the completion of the new parking lot and connecting walkway with the Eddows Recreational Fields. The funding program provides federal money from the National Park Service to the NH Department of Natural and Cultural Resources to be used at the state, regional and local levels.

The Town received notice last month that its application scored high enough to be considered for funding once the State knows what its allocation of federal funds will be. The Town will now wait until September / October before it will know whether adequate funds are available to fund the Auburn project.

Town Boards and Committees

Last month, Steve Carroll was appointed to a vacancy on the Zoning Board of Adjustment (ZBA), while Dale Phillips was appointed to replace Mr. Carroll as an alternate member of

the ZBA.

And Susan Anderson, Daniel Carpenter, David Rogers, Wendy Smith, Pat Clement and Pamela Weeks were all appointed as volunteer comprising the 2018 Duck Race Committee.

Shred Day will be held on May 13th

Don't forget. The Town of Auburn will again be sponsoring a paper shredding event for any resident who has documents they wish to have shredded and discarded.

The event will be held on Saturday, May 12th from 9 AM until Noon in the parking lot of the Town Hall. It is free of charge to Auburn residents.

CUB SCOUTS PACK 127

Cub Scout Pack 127 On a Roll this Spring

The Auburn Cub Scouts have been busy with two of its most popular events in its year-long activity schedule – the Pinewood Derby and the Chuckwagon Derby.

Pinewood Derby – On Your Mark, Get Set, Roll!!

The wheels were rolling at Pack 127's annual Pinewood Derby at the end of March. The Pinewood Derby has been a Cub Scout tradition for the past 65 years, and this year over 20 cars were entered to race in the event held at the Auburn Village School.

The event involved all levels of Cub Scouts vying to have the fastest car. The idea behind the Derby is for families to spend time helping their Scout design, carve, paint, add weights, and tune the race car. The cars, no more than seven inches long and weighing no more than five ounces are all built by the Scouts, and powered by gravity down a long ramp.

There was no shortage of imagination in design when it came to this year's themes of scouting, safari, and hot rods. Congratulations to all the participants and winners!

Putting Their Skills to the Test at Annual Chuckwagon Derby

Teamwork and communication are key when it comes to being a Cub Scout. Pack 127 put their scouting skills and knowledge to work in a fun-filled day of outdoor activity at Camp Carpenter in April. Scouts pulled two chuckwagons around to 11 different stations along the camp trail and competed in various activities against other scouts from the region. At each stop, the Scouts answered questions or completed tasks involving Scout knowledge, maps and compass skills, fire building and safety, citizenship, outdoor tools, nature, first aid, and disability awareness. The Cub Scouts worked together as a team, used their problem solving and leadership skills, and showed Cub Scout spirit.

Congratulations to Pack 127 for rolling into Camp Carpenter and rolling out with an honorable mention award in the Disability Awareness category.

BOY SCOUT TROOP 127

By Benjamin Wallin this time!

Troop 127 is very excited about the impending summer vacation and summer camp! Almost all of the scouts have signed up to have a great time in the great outdoors. In order to ensure that they will have this opportunity for this year and the years beyond we would like you to participate in the fundraisers that will be telegraphed on the auburn community group.

Many of our scouts participated in the merit badge workshop on Saturday, April 7th which was a follow up to the merit badge workshop in February. These yearly merit badge workshops are when people from different occupations educate our scouts a merit badge about those subjects.

Troop 127 meets Monday nights 6:30 at Longmeadow Church. Please visit our website if you are interested in coming to a meeting. <http://auburn127.mytroop.us>

Jonathan Wallin would like to thank everyone that helped him whether in the donations or manual labor as he worked to complete his Eagle Project. His project, a Bee Hotel, was installed just in time for the Audubon Earth Day Celebration. This Bee Hotel can be viewed anytime at the start of the Audubon trail system.

Parks and Recreation News

Town-Wide Yard Sale

It's almost time to shop the first Auburn Town-Wide Yard Sale on **Saturday, May 12 from 8:00 am to 2:00 pm** (Longmeadow Church starts at 9:00 am). There are over 35 locations to visit!

Great News for AUBURN DESTINATION IMAGINATION Teams!

Two teams represented Auburn Village School at the State DI meet on April 7th. The elementary Drop Zone team, "DI"ligent, placed 3rd in their division. Their structure built from popsicle sticks and balsa wood held 150lbs! Their colorful performance wowed judges and melted our hearts.

The middle school team, The Brain Blasters, presented their solution to the Unlikely Attraction challenge. They won a Renaissance award at the state level competition which is given for exceptional travelers who entertain and enlighten us along the way. It recognizes those among us who demonstrate extraordinary amounts of effort and preparation in their solutions or outstanding skill in engineering, design or performance. This team was also awarded the opportunity to represent NH at the Global Finals in Knoxville, TN by placing 1st at the state meet!

The middle school team is currently fundraising to support their trip to the Global Finals. Some of their efforts include selling tickets to Chunky's Cinema, a dine-in night at The Auburn Tavern, in addition to the Texas Road House and Margarita's in Manchester. Also a raffle calendar for the month of JUNE, (look out for ticket sales!) and a vendor game night at the Auburn Village School.

Additionally, anyone interested in supporting the fundraising efforts can send a tax deductible donation to:

Longmeadow Serves!

Are you looking for a place to worship, a place where you can ask questions, a place where you can make a difference and find a community? Longmeadow Congregational Church, United Church of Christ is at 4 Wilson's Crossing Road in Auburn and invites you join us as together we worship the God who is Still Speaking. We come together for worship on Sunday mornings at 9:30 with Sunday School and child care available at the same time. As we continue through the Spring, we are planning a number of activities and invite you to join us:

As we approach the end of the program year, we look forward to many milestone events. Early in the month we will join with churches all over New Hampshire in delivering Emergency Personal Hygiene Kits assembled by participants in our Grace at the Table dinner church. On May 13th, we will celebrate Mother's Day with the dedication of blankets donated to disaster and emergency workers through Church World Service to make sure that these needed supplies are available when disaster strikes. On Pentecost, May 20th, we will celebrate the Rite of Confirmation with our young people who have been working all year long and at the beginning of June we will celebrate with our young people who will be graduating

Grace at the Table: Have you been away from church... or have never been to church... but find yourself seeking? Then Grace at the Table may be for you. Gathering on the first Wednesday of the month (this month it will be **Wednesday, May 2**) we gather in the Fellowship Hall of the church at 6:00 p.m. for a light meal and time of interactive worship. No reservations are required, come as you are.

We would like to take this opportunity to

thank you, our Auburn neighbors, for supporting our church by attending our **Community Break-fasts** each month. It is a great joy for us to serve you twice a month and we hope you will join us again this month before we break for the summer months.

Community Office

Hours: Pastor Ruth holds office hours out in the community on Wednesdays from 11-1:00, and is available to speak with anyone during that time. In May, she will be at Dunkin Donuts near Exit 2 off Route 101. The location may change throughout the year, please see our Facebook page for location or call the church office.

Calling all Knitters and Crocheters!

Throughout the summer we are continuing to collect handmade scarves (any color, any style, long enough for an adult to wear) which we plan to deliver this winter to parks and other areas where we know that homeless people gather and to offer them with our love, no strings attached. If you would like to join our efforts and have yarn available for you to use in creating the scarves. Please contact Pastor Ruth (phone number below) for more information.

Longmeadow Congregational Church, UCC is a place where you can really make a difference in the world. Through both large and small efforts, our motto of "Longmeadow Serves" guides our life together as we seek to be a light in the world. We provide a spiritual home where all faith questions are honored and respected. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a place to worship, we hope you will join us. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

BOOM FOR REAL

Auburn Village School proudly presents the second Exhibition of Learning; a night in the arts!

PLACE: Auburn Village School

DATE: May 17th, 2018

TIME: 5-7:30pm

Mark your calendars for another wonderful presentation of visual arts, music, STEAM and a series of special presentations from the seventh and eighth grade students.

SPOKEN WORD

Poetry and song written and presented by the students.

BAND CONCERT and CHORUS

A display of the talented musicians

CERAMICS

A Jean Michel Basquait inspired exhibition of the reinvigorated ceramics department at AVS.

STEAM

Virtual technology, robotics and the answers to whether or not our students could survive on Mars.

What is the purpose of the Exhibition of Learning?

The intent behind this exhibition is to provide an opportunity to build relationships within the greater community of Auburn. This event provides a platform for the students to discuss the process behind their learning. Likewise it allows the public the opportunity to ask the students questions about their work and experiences during their learning process. This is an example of developing the twenty-first century skills of communication, collaboration, creativity and critical thinking.

You will not want to miss this authentic experience to witness the artists and musicians, engineers and poets in their element.

This is an event that is open to the public.

Attention Home Owners Homes with Fire Sprinklers Systems

A recent study by the National Fire Protection Association (NFPA) showed that residential fires have claimed over 3000 lives in the US.

Residential fire deaths decreased in homes with well-maintained Residential Fire Sprinkler Systems, Smoke detectors and Carbon Monoxide Detectors.

“Can the fire sprinklers in your home be counted on in the event of a fire?”

The responsibility for maintaining the residential fire sprinkler system falls upon the unit owner. The best way to know for sure is through regular inspection, testing, and maintenance.

A recent event found that some home owners have failed to maintain the fire sprinkler system or were unaware of the maintenance required. Problems that may occur are low tank water, a failed fire pump, a disabled electric circuit, and painted sprinkler heads, but mainly failed fire protection maintenance.

Here’s a quick view of maintenance that should be performed:

An inspection involves completing a visual check of the system to verify that the fire sprinkler system is free of physical damage.

Testing involves determining the operational status of the valves and other system components by conducting periodic physical checks, such as water flow tests and alarm tests.

The system maintenance is the work performed to keep the system operational and to make needed repairs.

Note: With one and two-family dwellings and townhomes with a NFPA13D sprinkler system, a licensed contractor is usually not required unless the system contains anti-freeze. (See your homeowner instructions on inspecting, testing and maintenance of the fire sprinkler system.)
