**Abbreviated Meeting**

The trustees met with Bo Cooper regarding the removal of 11 pine trees along the front edge of the cemetery. The fee would be \$1,500.

The Trustees met with the Davis family to discuss a matter regarding the exact burial location for Mrs. Davis and identifying and confirming with them locations of all the lots in their four deeds.

Don informed the Board he had contacted the Road Agent relative to 4 posts for anchoring future chain gates. Mike Dross figured they could find something we could use possibly later in the year. Also, he had no problem if we eventually plant maple trees at the Village Cemetery in the area between the wall and sidewalk. Mike also had delivered a small load of loam to Longmeadow as Don had requested.

The Trustees then went to the town hall to continue the meeting.

Dave Jenkins made a motion to accept the proposal of Bo Cooper for the tree work at Longmeadow. Don seconded the motion subject to the approval of the Town Administrator regarding any possible liability issues. A vote was taken; all were in favor, the motion carried unanimously.

Dave Jenkins and Scott Norris updated the cemetery records regarding the recent burials in the Longmeadow and Village Cemeteries. They made entries into the card file and the cemetery plans.

No date was set for the next meeting.

***Dave Jenkins moved to adjourn the meeting at 7:00 p.m. Seconded by Scott Norris. A vote was taken; all were in favor, the motion carried unanimously.***
