Road Agent Report

Mr. Dross reported work commenced to remove dead trees and large pines from Raymond Road last Friday.

Mr. Dross reported the weather has done a lot of damage to roads and there is a lot of patching. Tower Hill needs a lot of work. Weight limits will be observed on roadways while frost heaves are present to prevent further damage.

Mr. Dross addressed concerns about the one-way during school hours and recommended the school could place a temporary barricade for one hour. Officer Cashman will communicate with the school to see if they are interested or have someone who could be responsible to bring the sign in and out. Mr. Dross suggested something that could be easily wheeled out. Mr. Eaton added it should be sturdy enough not to blow over.

Police Report

Sergeant Cashman reported there were 175 motor vehicle stops, with 11 motor vehicle accidents, 28 citations, 5 arrests, 3 DWI's and 12 motor vehicle complaints.

Sergeant Cashman noted the police department's promotion night will be next Monday.
