**Old Business**

The renovation of the circulation room was discussed. We are hopeful that a quote will be forthcoming in the near future.

Presently the library is now receiving both the Hooksett Banner and the Candia-Auburn Post.

Ricky is in the process of planning the reorganization of the office making it more conducive to his needs. In doing so he hopes to make room to store our folding chairs there. This would create more space in the front room enabling us to look into the possibility of having additional comfortable seats for our patrons.

Open House was discussed. Ricky did get in contact with Mr. Adam, the music teacher from Pinkerton regarding music for Open House. They do not refer students because they do not want to take away any paid work from professionals. However he did offer to give Ricky a few contact names of professionals. It was suggested he try to get in contact with the young man who played for the Parks and Recreation at the Coffee House. Ricky stated he already has plans for a game to keep people busy and talking to each other. The Friends also would like to be involved. They will have a designated place to promote their organization and a few of the ways (such as museum passes etc.) they contribute to the library. They also have offered to supply some refreshments if needed. A suggestion made was we could ask the Friends to sell our bags. These would be sold at a reduced price. Liz offered to contact Fay for the names of people who receive invitations and for a check list of what we need and what needs to be done.

Our maintenance work is still not done. Armand stated he will be down Tuesday or Wednesday to do it.

## **New Business**

As previously discussed Ricky looked over the laptop computer donated to the Library from the Town Hall. Although unsuitable for our use he estimated the value of the computer to be \$50 - \$100. Jeanni offered to purchase the computer for \$75. This money will be put in the gift account.

We reviewed our service list making adjustments where necessary. Once Nancy has looked it over an updated list will be distributed.

2015 Spring Conference & Annual Meeting was discussed. Since Liz did not receive a conference schedule one was given to her to look over. This was then tabled for further discussion at the next meeting.

***Motion to adjourn was made by Lorraine/Liz 2nd.***
