

AUBURN SAFETY COMPLEX GIVING TREE FORM

The Auburn Giving Tree is a program created for neighbors to help fellow residents who may need some holiday magic at Christmas.

Who can benefit from this program?

- Families who have someone unemployed in the last 12 -months
- Families who may have had to apply or received state or local assistance
- Someone who has recently lost their job or source of income
- Someone who has experience financial burdens due to
medical, home repair, vehicle repairs or other reasons
- single income families

How it works: If your family could benefit, please fill out this form and return it by **November 1st** Feel free to add pages if more room or more than 2 children are in your family. The more specific the better to help us find the perfect gifts for your family.

Forms can be dropped off to Melissa at the Auburn Police Department or to the person who gave you the form to fill out. You are welcome to email the form mgates@townofauburnnh.com or contact Melissa at the police department to ensure your form was received.

On November 1st a tree is put in the Safety Complex lobby, with tags indicating items families want/need. ALL the tags are filled out anonymously. A tag on the tree may say “11-Year-old Boy winter coat size Large loves colors blue and green” “16 year old girl make up” on the back of each tag is just a number so I know which family it goes to.

About a week before Christmas I will contact you and arrange for a day you can come pick up the items. Please ensure you have a good phone number to contact and print legibly for me to be able to create tags.

Families will be required to provide proof of Auburn Residence at the time of picking up the items.

If you have any questions about the form, or the program please feel free to contact Melissa at the Auburn Police Department.

Thank you,
