BOSTON POST CANE HONOREE

Arthur Joubert - 2012

DELIBERATIVE SESSION TOWN OF AUBURN JANUARY 30, 2016

The meeting was called to order by Moderator, James Tillery, at 9:00am. There were 58 (fifty-eight) registered voters in attendance. The Moderator began the meeting with the Pledge of Allegiance. He introduced the Selectmen, James Headd, Dale Phillips and Richard Eaton; Town Administrator, William Herman; and Town Counsel, Jennifer St. Hilaire.

He explained the rules of the meeting.

Third: To see if the Town will vote to approve the cost items related to the first year of a three-year collective bargaining agreement which resulted from negotiations between the Auburn Board of Selectmen, the Auburn Police Commission and the Auburn Police Union, Local 216 and which represents an estimated increase of \$12,418 over FY 2015 salaries, fringe benefits and other cost items at the current staffing level for the ensuing year; and further to raise and appropriate the sum of Twelve thousand four hundred eighteen dollars (**\$12,418**), to fund those cost items for FY 2016. Costs items for FY 2017 and FY 2018 will be presented to the voters for their approval in March 2017 and March 2018 in accordance with the terms of the collective bargaining agreement. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

There was no discussion. Article Three will appear, as written.

Fourth: To see if the Town will vote to raise and appropriate the sum of Thirty-four thousand –six-hundred and seventy-five dollars (\$34,675) to implement a mosquito control program to include the integration of various methods of reducing mosquito vector species of West Nile Virus and Eastern Equine Encephalitis. (Recommended by the Board of Selectmen) (Not Recommended by the Budget Committee)

Dennis Vieira spoke in favor of the Article noting the spread of EEE, West Nile and the Zika viruses.

Richard Vecchione questioned what the treatment was that the Town was paying for? Town Administrator, William Herman, answered that bi-weekly testing and treatment of all catch basins and man-hole covers were treated with larvacide to kill the eggs before they hatch.

Deirdre Cleary questioned if a landowner did not want any treatment on their property what would their recourse be? Mr. Herman replied that only public rights of way are being treated; however, if a landowner did not want any treatment on their property, they could sign a document to that effect and have it on file with the Selectmen's office.

There was no further discussion. Article Four will appear, as written.

Fifth: To see if the Town will vote to raise and appropriate the sum of Thirty-thousand dollars (\$30,000) to be placed into the Town Buildings Rehabilitation Capital Reserve Fund previously established. This sum to come from the unreserved fund balance (surplus) as of December 31, 2015 with no additional amount to be raised by taxation in 2016. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Kevin Binda asked what the current balance was in the fund. Selectman, Dale Phillips, responded \$80,000 and that the projects on the docket at this time were a new roof for the Library and the Highway garage.

There was no further discussion. Article Five will appear, as written.

Sixth: To see if the Town will vote to establish a Cemetery Maintenance Expendable Trust Fund pursuant to the provisions of RSA 31:19-a, for the maintenance and upkeep of town cemeteries; to raise and appropriate \$4,000.00 to put in the fund, with this amount to come from the unexpended fund balance as of December 31, 2015; and to designate the Board of Selectmen as agents to expend from this fund. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

There was no discussion on the Article. Article Six will appear, as written.

Seventh: To see if the Town will vote to establish an Accrued Benefits Expendable Trust Fund pursuant to the provisions of RSA 31:19-a, for the Town's liability for payment of accrued benefits; to raise and appropriate the sum of Fifty thousand dollars (\$50,000) to put in the fund, with this amount to come from the unreserved fund balance (surplus) as of December 31, 2015 with no additional amount to be raised by taxation in 2016; and to designate the Board of Selectmen as agents to expend from this fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Mr. Richard Vecchione questioned what the purpose of this fund was? Selectman, Dale Phillips responded that it is a fund established to cover the cost of reimbursing employees who leave for their benefits accrued.

There was no further discussion. Article Seven will appear, as written.

At this point in the meeting, Moderator, James Tillery, asked for a moment of silence for Mrs. Eva Lunnie, former Tax Collector who passed away.

Eighth: To see if the Town will vote to amend the March 1984 vote to establish a five (5) member Parks & Recreation Commission appointed by the Board of Selectmen, including a Selectman as an ex-officio member, pursuant to the provisions of RSA 35-B in order to expand the size of the Commission to seven (7) members appointed by the Board of Selectmen, including a Selectman as an ex-officio member.

There was no discussion on the Article. Article Eight will appear, as written.

Ninth: To see if the Town will vote to authorize the Board of Selectmen to offer for sale, negotiate a price and close the sale of the property at 50 Raymond Road (Tax Map #26, Lot #13) that includes approximately 0.7920-acres of land and the building that was the former fire and police station.

There was no discussion on the Article. Article Nine will appear, as written.

Tenth: To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$5,169,138**? Should this article be defeated, the default budget shall be **\$5,087,445**, which is the same as last year with certain adjustments required by previous action of the Town of Auburn or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article. The Moderator acknowledged and thanked the Budget Committee members for all the work they do.

Michael Michali questioned the Emergency Management line item for 2015 was over expended by approximately \$25,000. Mr. Herman reported this was due to the snow emergency declaration issued in 2015. The Town received 75% reimbursement from the Federal Emergency Management Agency, but the expense had to be paid from an existing line item. Mr. Michali also questioned the Recreational line item. Mr. Herman explained that it included money to be spent to finish work on the Wayne Eddows parking lot, connector bridge to the parking lot as well as irrigation at the park.

No further discussion. Article Ten will appear, as written.

Eleven: To transact any other business that may legally come before the Town Meeting.

A brief discussion was held on the Planning Board petition article regarding Cluster Development. This question is to appear on the Ballot under Zoning.

Meeting adjourned at 9:40am

Respectfully submitted,

Joanne T Linxweiler Town Clerk

TOWN WARRANT STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified that the **First Session** of the annual Town Meeting will be held in the gymnasium of the Auburn Village School in Auburn, New Hampshire, on **Saturday, January 30, 2016**, at **9:00 a.m.**, for the explanation, discussion and debate of each Warrant Article, and to transact all business other than voting by official ballot. Warrant articles may be amended at this session per RSA 40:13, IV, subject to the following limitations:

- (a) Warrant Articles whose wording is prescribed by law shall not be amended.
- (b) Warrant Articles that are amended shall be placed on the official ballot for final vote on the main motion as amended.

You are hereby notified that the **Second Session** of the annual Town Meeting will be held in the gymnasium of the Auburn Village School in Auburn, New Hampshire, on **Tuesday, March 8, 2016**, beginning at **7:00 a.m.** and ending at **7:00 p.m.** to elect officers of the Town by official ballot, to vote on questions required by law to be inserted on said official ballot and to vote on all Warrant Articles as accepted or amended by the First Session.

First: To bring your ballots for:

Selectman for three years
Moderator for two years
Supervisor of the Checklist for six years
Library Trustee for three years
Cemetery Trustee for three years
Trustee of the Trust Funds for three years
Police Commission for three years
Planning Board for three years

Second: To see if the Town will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed and recommended by the Auburn Planning Board, in conformance with NH RSA 675:1, et seq., and include the following: (The full text of the proposed regulations is posted and available for inspection at the Town Hall and on the Town of Auburn web site – www.auburnnh.us)

[NOTE: The Auburn Planning Board will be holding a final public hearing on all proposed zoning amendments on January 25, 2016 after the posting of this warrant, so the Planning Board has not taken its final actions for recommendations prior to the posting of this warrant.]

Are you in favor of the adoption of Amendment No 1 as proposed by the Auburn Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend the Auburn Zoning Ordinance to make changes to the cluster development provisions set forth in Article 7 of the Zoning Ordinance. A copy of the full text of the proposed changes is posted and available for review at the Auburn Town Offices.

[NOTE: This amendment would affect substantive changes to the cluster development provisions of the Zoning Ordinance, including but not limited to the required minimum and maximum lot sizes permitted in a cluster development, the calculation of the maximum number of dwelling units permitted in a cluster development, open space requirements, and roadway construction within a cluster development. A copy of the text of the proposed amendment is available for review at the Auburn Town Offices and is also posted with the text of the proposed amendments at the Auburn Town Offices and on the Town of Auburn web site – www.auburnnh.us.]

Are you in favor of the adoption of Amendment No 2 as proposed by the Auburn Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend Article 5.10 Minor Conditional Use Permits (6) Certain Driveways of Auburn Zoning Ordinance to read:

<u>Certain Driveways:</u> Construction of driveway with Minimum Impact Applications for access to Single family houses on lots of record as of March 10, 2009 **or as part of Planning Board review process for subdivision approval.**

Are you in favor of the adoption of Amendment No 3 as proposed by the Auburn Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend Article 13.08 Smoke and Fire Detectors of Auburn Zoning Ordinance to rename as Article 13.08, Smoke, Fire and Carbon Monoxide Detection and Portable Fire Extinguishers and add the following:

All Commercial and Industrial occupancies shall have all Portable Fire Extinguishers installed, inspected, maintained and recharged in accordance with NFPA 1 Uniform Fire Code 2009 edition, NFPA 101 Life Safety Code 2009 edition, NFPA 10 Standard for Portable Fire Extinguishers 2013 edition and the NH State Fire Code. Any person performing an annual external visual examination of a portable fire extinguisher shall obtain a:

- 1. Certification as a Portable Fire Extinguisher Technician by the National Association of Fire Equipment Distributers (NAFED), or;
- 2. Certification or testing by another recognized organization as deemed appropriate and acceptable by the Authority Having Jurisdiction (AHJ), or;
- Current certification from the manufacturer of the portable fire extinguisher denoting the portable fire extinguisher and areas in which the applicant has successfully trained and been certified.

Are you in favor of the adoption of Amendment No 4 as proposed by the Auburn Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend Appendix F, Fire Department Regulations to add Section E – Plan Review and Technical Assistance.

[NOTE: A copy of the text of the proposed amendment is available for review at the Auburn Town Offices and is also posted with the text of the proposed amendments at the Auburn Town Offices and on the Town of Auburn web site – www.auburnnh.us.]

Are you in favor of the adoption of Amendment No 5 as proposed by voter petition for the Town of Auburn Zoning Ordinance as follows:

Amend the Auburn Zoning Ordinance by abolishing the cluster development provisions (Article 7) from the Ordinance, so that all residential development will be subject to the 2-acre minimum lot size requirement. (Recommended / Not Recommended by the Planning Board)

[NOTE: A full copy of the proposed zoning amendment submitted by voter petition is posted at the Auburn Town Offices and is on file and available for review at the Auburn Town Offices and on the Town of Auburn web site – www.auburnnh.us.]

Third: To see if the Town will vote to approve the cost items related to the first year of a three-year collective bargaining agreement which resulted from negotiations between the Auburn Board of Selectmen, the Auburn Police Commission and the Auburn Police Union, Local 216 and which represents an estimated increase of \$12,418 over FY 2015 salaries, fringe benefits and other cost items at the current staffing level for the ensuing year; and further to raise and appropriate the sum of Twelve thousand four hundred eighteen dollars (\$12,418), to fund those cost items for FY 2016. Costs items for FY 2017 and FY 2018 will be presented to the voters for their approval in March 2017 and March 2018 in accordance with the terms of the collective bargaining agreement. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Fourth: To see if the Town will vote to raise and appropriate the sum of Thirty-four thousand – six-hundred and seventy-five dollars (\$34,675) to implement a mosquito control program to include the integration of various methods of reducing mosquito vector species of West Nile Virus and Eastern Equine Encephalitis. (Recommended by the Board of Selectmen) (Not Recommended by the Budget Committee)

Fifth: To see if the Town will vote to raise and appropriate the sum of Thirty-thousand dollars (\$30,000) to be placed into the Town Buildings Rehabilitation Capital Reserve Fund previously established. This sum to come from the unreserved fund balance (surplus) as of December 31, 2015 with no additional amount to be raised by taxation in 2016. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Sixth: To see if the Town will vote to establish a Cemetery Maintenance Expendable Trust Fund pursuant to the provisions of RSA 31:19-a, for the maintenance and upkeep of town cemeteries; to raise and appropriate \$4,000.00 to put in the fund, with this amount to come from the unexpended fund balance as of December 31, 2015; and to designate the Board of Selectmen as agents to expend from this fund. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

Seventh: To see if the Town will vote to establish an Accrued Benefits Expendable Trust Fund pursuant to the provisions of RSA 31:19-a, for the Town's liability for payment of accrued benefits; to raise and appropriate the sum of Fifty thousand dollars (\$50,000) to put in the fund, with this amount to come from the unreserved fund balance (surplus) as of December 31, 2015 with no additional amount to be raised by taxation in 2016; and to designate the Board of Selectmen as agents to expend from this fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Eighth: To see if the Town will vote to amend the March 1984 vote to establish a five (5) member Parks & Recreation Commission appointed by the Board of Selectmen, including a Selectman as an ex-officio member, pursuant to the provisions of RSA 35-B in order to expand the size of the Commission to seven (7) members appointed by the Board of Selectmen, including a Selectman as an ex-officio member.

Ninth: To see if the Town will vote to authorize the Board of Selectmen to offer for sale, negotiate a price and close the sale of the property at 50 Raymond Road (Tax Map #26, Lot #13) that includes approximately 0.7920-acres of land and the building that was the former fire and police station.

Tenth: To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$5,169,138**? Should this article be defeated, the default budget shall be **\$5,087,445**, which is the same as last year with certain adjustments required by previous action of the Town of Auburn or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article.

Eleventh: To transact any other business that may legally come before the Town Meeting.

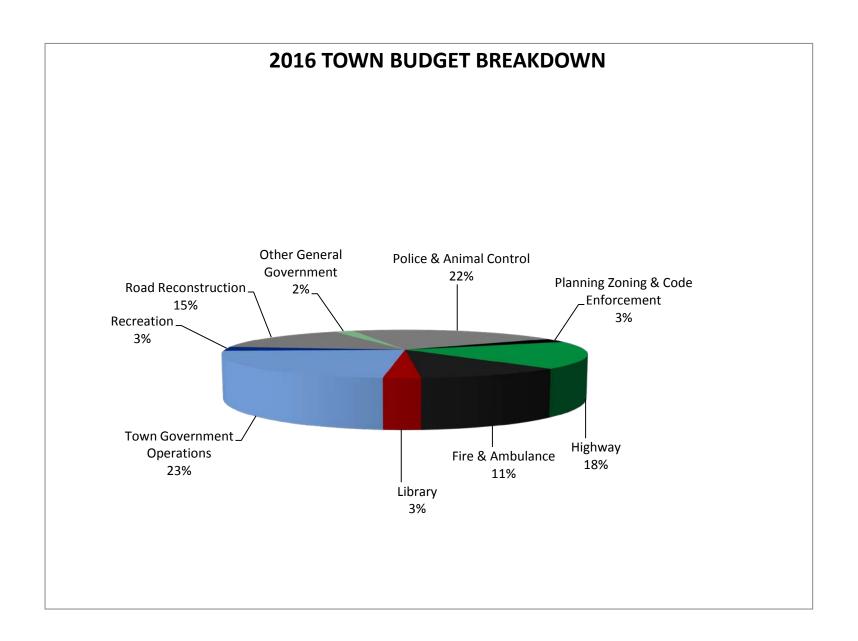

Given under our hands and seals this 18th day of January 2016.

James F. Headd, Chairman

Richard W. Eaton, Selectman

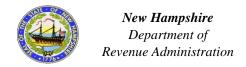

Dale W. Phillips, Selectman

2016 DEFAULT BUDGET OF THE TOWN OF AUBURN

RSA 40:13,1X(b) "Default budget" as used in this subdivision mean the amount of the same appropriation as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likey to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

ANNUAL TOWN MEETING AUBURN, NEW HAMPSHIRE MARCH 10, 2015

The Annual Meeting for the Town of Auburn, New Hampshire, was called to order by the Moderator, James Tillery, at 7:00am on Tuesday, March 10, 2015. Voting continued until 7:00pm. One thousand one hundred and twenty six (1126) ballots were cast, representing a 30% turnout.

Results follow (*denotes elected):

Selectman for three years Write-ins	Russell Sullivan Dale Phillips	504 591* 1
Highway Agent for three years Write-ins	Francis McFarland Michael Dross Darren Wetherbee Smattering of single votes	370 590* 100 4
Library Trustee for three years Write-ins	Nancy J Mayland Smattering of single votes	969* 8
Library Trustee for one year Write-ins	Lorraine Senechal	951* 1
Cemetery Trustee for three years Write-ins	Donald Dollard Smattering of single votes	984* 5
Trust Fund Trustee for three years Write-ins	Dorothy J Carpenter Smattering of single votes	966* 3
Planning Board for three years Write-ins	Karen Woods Ronald Poltak Smattering of single votes	771* 604* 2
Police Commission for three years Write-ins	Glenn Shaw Thomas R Gonyea Smattering of single votes	624* 358 4

Second: Are you in favor of the Town adopting the following amendments to the existing Town Zoning Ordinance as proposed and recommended by the Auburn Planning Board, in conformance with NH RSA 675:1, et seq., and include the following: (The full text of the proposed regulations is posted and available for inspection at the Town Hall and on the Town of Auburn web site – www.auburnnh.us)

Are you in favor of the adoption of Amendment No 1 as proposed by the Auburn Planning Board for the Town of Auburn Zoning Ordinance as follows:

Amend the Auburn Zoning Ordinance to re-zone the portion of Tax Map 9, Lot 28-1 approved for residential subdivision by the Auburn Planning Board and depicted in subdivision plan D-37962 recorded at the Rockingham County Registry of Deeds October 15, 2013 from current Industrial Zoning District to Residential – One (R-1) Zoning District? (A copy of the tax map showing the subject property and the area to be re-zoned is posted and available for review at the Auburn Town Offices.)

YES 571 NO 422 PASSED

Third: Are you in favor of approving the cost items for year two of a two-year collective bargaining agreement which resulted from negotiations between the Auburn Board of Selectmen and the Auburn Police Commission and the Auburn Police Union, Local 216 and which represents an estimated increase of \$8,810 over FY 2014 salaries, fringe benefits and other cost items at the current staffing level for the ensuing year; and further to raise and appropriate the sum of Eight thousand eight hundred ten dollars (\$8,810), such sum representing the negotiated increase over 2014 salaries, fringe benefits and other cost items at the current staffing levels. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

YES 700 NO 343 PASSED

Fourth: Are you in favor of raising and appropriating the sum of Thirty-four thousand –six-hundred and seventy-five dollars (\$34,675) to implement a mosquito control program to include the integration of various methods of reducing mosquito vector species of West Nile Virus and Eastern Equine Encephalitis. (Recommended by the Board of Selectmen) (Not Recommended by the Budget Committee)

YES 629 NO 440 PASSED

Fifth: Are you in favor of raising and appropriating the sum of Sixty-thousand dollars (**\$60,000**) to be placed into the Town Buildings Rehabilitation Capital Reserve Fund previously established. This sum to come from the unreserved fund balance (surplus) as of December 31, 2014 with no additional amount to be raised by taxation in 2015. (**Recommended by the Board of Selectmen**) (**Recommended by the Budget Committee**)

YES 788 NO 263 PASSED

Sixth: Are you in favor of raising and appropriating the sum of Forty-two thousand, two-hundred and ninety-three dollars (\$42,293) to purchase and equip a new replacement forestry truck for the Auburn Fire Department. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

YES 674 NO 384 PASSED **Seventh:** Are you in favor of, pursuant to NH RSA 35:9-a, II, authorizing the Trustees of Trust Funds to pay for capital reserve fund investment management services, and any other expenses incurred, from capital reserve fund income. No vote by the town to rescind such authority shall occur within five years of the original adoption of this article.

YES 595 NO 392 PASSED

Eighth: Are you in favor of voting to amend the March 1985 vote to establish a three (3) member Conservation Commission appointed by the Board of Selectmen pursuant to the provisions of RSA 36-A:3 in order to expand the size of the Commission to five (5) members appointed by the Board of Selectmen.

YES 644 NO 373 PASSED

Ninth: Are you in favor of raising and appropriating an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$5,018,017**? Should this article be defeated, the default budget shall be **\$5,102,176**, which is the same as last year with certain adjustments required by previous action of the Town of Auburn or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article.

YES 820 NO 207 PASSED

Tenth: Are you in favor of continuing to enable the voters of Auburn to elect its Highway Agent by ballot pursuant to the provisions of RSA 231:62

(By petition submitted and signed by at least twenty-five (25) certified petitioners)

YES 894 NO 150 PASSED

Respectfully submitted,

Joanne T Linxweiler Town Clerk

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Auburn:

We are pleased to submit this annual report to the citizens of Auburn. As you will see, through the pages of the 2015 Auburn Annual Report, you will read about the many and varied activities and accomplishments of the Town departments, boards, commissions and officers during the past year.

The past year has been a busy one on a lot of different fronts —and at times has been a difficult and emotional one.

Addressing an issue that had been getting worse in recent years, particularly in winter months when seven residences would end up with no water, the Board was able to work with residents of Cottage Avenue and the Manchester Water Works to replace an aging private waterline that supported seven households. The Town provided the labor and fronted the funds for the work, which is being paid back by the affected residences through a Betterment Assessment on their properties. With a new waterline installed to current standards, the Manchester Water Works took over the responsibility for the ongoing maintenance of the line moving forward.

During 2015, a long ago approved road project that would connect Hills Road in Auburn with a new Hills Road in Hooksett came to fruition. Although originally approved in 1999, the final work effort was never completed until 16 years later when the developer chose to finish the project. This justifiably concerned current residents of Hills Road, many of whom were not here when the plans were originally approved by the Planning Board. And to a person, none of the current Selectmen had been involved in the earlier approval processes. However, the Town will continue to work to mitigate and minimize the potential impact of this project.

The Town of Auburn, through the Board of Selectmen, has had to deal with several legal cases during the past year. By the end of the year, one case had been withdrawn, while another case brought by an area developer of subdivisions concerning the assessing of Land Use Change Taxes (LUCT) for their subdivision land was settled. Auburn remains one of more than 100 New Hampshire communities Fairpoint Communications has brought suit against concerning the taxation of its telephone lines, poles and conduits, while Eversource took initial steps to begin a similar process in 2015.

Also during the past year, the Town was able to successfully negotiate the third collective bargaining agreement with the Auburn Police Union. Funding for the first year of the three-year will be presented to voters in March 2016.

During the year, we have attempted to always try to communicate with each other and with the public in an effort to try and address matters in a constructive manner. Even though we may not always agree with each other, we have tried to reach decisions that are good for the community as a whole.

James F. Headd Richard W. Eaton

AUBURN BOARD OF SELECTMEN

Dale W. Phillips

REPORT OF THE TOWN ADMINISTRATOR

It is my pleasure to be able to submit my tenth report to the residents of Auburn as your Town Administrator.

Working in the public sector at any level is always interesting and challenging as you are dealing with a variety of issues and people on many different fronts. No two days or no two years are the same, and 2015 certainly was no different in that regard.

Although there may not have been any major initiatives or world changing projects, the past year has been a busy one for all of the Town boards, departments and officials in order to keep up with everything involved in operating a municipal government for a community of 5,200 residents.

During 2015, a major effort for the Town was re-developing and improving the Town's web site to be more user friendly for both the public and those who are operating the system. Beyond a fresh look, the improved website offers more information and search capabilities, and also features an electronic subscription service so members of the public can receive e-mail notices when information of interest to them is posted.

Change was part of the year. Library Director Ricky Sirois was selected to help manage a much larger Haverhill, MA Public Library and left Auburn. The Library Trustees were fortunate to be able to attract Kathy Growney to the Griffin Free Public Library from the Southern New Hampshire University library.

During the last half of the year, the Town held approximately 10 formal negotiations meetings, in addition to numerous planning or strategy discussions, that ultimately resulted in a tentative agreement for a new three-year collective bargaining agreement for the Auburn Police Union. Voters will get the final say with the funding for the proposed appearing as a warrant article of the 2016 ballot.

No matter how well issues are planned for, there are always unanticipated needs that arise during any year and 2015 was no exception. For example, during the first quarter of the year, the Town Hall and Police Department computer systems had been hacked with some damaging results. The experience resulted in a thorough investigation that involved the FBI and ultimately resulted in criminal charges being brought. But it also required the unexpected need to replace a number of computers and to improve network systems with the goal of preventing future similar events. All of this had to be managed within an operating budget that did not anticipate those nearly \$17,000 in expenses. But multiple offices and individuals did just that – managed the issues and the expense within the bottom line of the budget, while also maintaining service to the community.

I continue to "Thank You" for the opportunity to be a part of the Town of Auburn.

Respectfully submitted,

William G. Herman, CPM Town Administrator

CONSERVATION COMMISSION

The Conservation Commission continues with the goal in protecting the wildlife, natural resources and rural character of Auburn.

Building Inspector/Code Enforcement Officer Report - 2015

The Auburn Building Inspector's Office processed 710 permit applications in 2015, making it the busiest administrative year to date. Whether this was simply a "busy year" or the beginnings of what is to become the "new normal", the Town of Auburn will continue to investigate better ways to service its residents and those doing business in Town.

In 2015 31 New Home Permits were issued. 38 Certificate of Occupancies were issued, with 20 still pending. Several new residential subdivisions were granted approval through the Planning Board process in the late summer adding to the new developments still under construction throughout town. In all, the number of permits is well under the 3% growth management growth cap imposed under the Town of Auburn Zoning Ordinance.

On the commercial end, residents welcomed the re-opening of the Auburn Tavern to ring in the New Year. Additions were made to long standing businesses, ARC Electrostatic and Daniels Equipment and in 2016 we will see an expansion in the Wellington Business Park and a new business on By Pass 28.

A partial breakdown of permits issued:

Single family homes	31
Accessory dwelling unit	3
Addition/garage/shed	47
Electrical permits	152
Plumbing	45
Pools/hot tubs	15
Decks	24
Renovation/remodel	22
Commercial Renovation	5
Septic review/installation	16
Demolition	7
Permit renewals	2
Propane installation	124
Woodstove/pellet	9
Generator	32
Solar	24

Residents are reminded that permits are required before beginning any construction, alteration or repairs other than normal maintenance. Licensed professionals are required when hired for electrical, plumbing, gas piping and gas appliances, including gas fireplace inserts.

It is suggested that you call or visit the building inspector's office if you have any questions. Office hours are Monday through Thursday mornings from 8:00 - 12 noon. Inspections are conducted in the afternoon after office hours.

Auburn Fire Department 2015 Report

Building fire	14	Lock-out	3
Chimney or flue fire, confined to chimney or flue	3	Water or steam leak	3
Passenger vehicle fire	2	Smoke or odor removal	4
Road freight or transport vehicle fire	1	Animal rescue	1
Forest, woods or wildland fire	6	Assist police or other governmental agency	11
Brush or brush-and-grass mixture fire	11	Public service	32
Grass fire	1	Assist invalid	26
Outside rubbish, trash or waste fire	1	Unauthorized burning	6
Outside equipment fire	2	Cover assignment, standby, moveup	17
Excessive heat, scorch burns with no ignition	1	Dispatched & cancelled en route	25
Medical assist, assist EMS crew	20	No Incident found on arrival at dispatch address	19
EMS call, excluding vehicle accident with injury	194	Authorized controlled burning	4
Motor vehicle accident with injuries	21	Prescribed fire	1
Motor vehicle/pedestrian accident (MV Ped)	3	Smoke scare, odor of smoke	17
Motor Vehicle Accident with no injuries	25	Steam, vapor, fog or dust thought to be smoke	1
Search for person on land	2	HazMat release investigation w/no HazMat	3
Removal of victim(s) from stalled elevator	1	Direct tie to FD, malicious false alarm	1
Extrication of victim(s) from machinery	1	Smoke detector activation due to malfunction	6
Water & ice-related rescue, other	1	Alarm system sounded due to malfunction	14
Rescue or EMS standby	1	CO detector activation due to malfunction	2
Gasoline or other flammable liquid spill	3	Unintentional transmission of alarm, Other	1
Gas leak (natural gas or LPG)	9	Sprinkler activation, no fire - unintentional	1
Oil or other combustible liquid spill	1	Smoke detector activation, no fire - unintentional	11
Carbon monoxide incident	4	Detector activation, no fire - unintentional	3
Heat from short circuit (wiring), defective/worn	1	Alarm system activation, no fire - unintentional	15
Power line down	7	Carbon monoxide detector activation, no CO	6
Arcing, shorted electrical equipment	2	Citizen complaint	1
Building or structure weakened or collapsed	3	Total	575

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing <u>ANY</u> outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit www.NHfirepermit.com. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

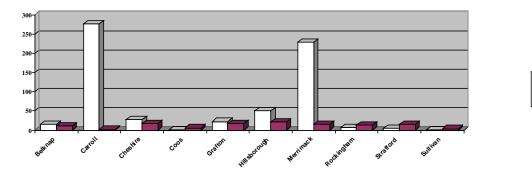

This past fire season burned **635 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5th and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

2015 FIRE STATISTICS

Town Buildings Rehabilitation Expendable Trust	\$6,500.00	Repair & Replacement of Town Hall Parking Lot & Exterior Lights
Town Buildings Rehabilitation Expendable Trust	\$4,700.00	Repair of Heating System at Safety Complex

Total Reserve Funds: \$34,685.91

TOTAL: \$97,158.78

Auburn Highway Safety Committee Annual Report 2015

The Auburn Highway Safety Committee meets on the third Wednesday of most months at the Safety Complex at 7:00 p.m. The Committee consists of members of the community, the Road Agent, representatives from Fire, Police and the Selectmen's Office. The Committee reviews grants, prioritizes highway safety concerns, makes recommendations to the town departments, boards and the Selectmen's Office.

The Police Department was successful in securing four grants from the NH Safety Highway Agency in 2015. These grants covered DWI/sobriety check points, Auburn Safe Commute patrols, "Click it" patrols and a 101 E. Corridor Enforcement Patrol. The grants resulted in 310 warnings being issued. There were also 46 summons and 9 arrests made as a result of these grants. Total reimbursement was \$9,616.36.

The Road Agent reported that work was completed on the Mosquito Brook culvert on Raymond Road, Chester Turnpike Road and a portion of Dearborn Road. Eaton Hill Road was shimmed and overlaid. Striping took place throughout town and stop signs and street signs were replaced as needed. Mr. Dross also reported that FEMA fund were approved for the January 26th through January 28th storm.

The Highway Safety Committee worked with the Board of Selectmen to solicit NHDOT to review the safety concerns posed at the four corners in the center of town. The investigation was completed and a small triangle was suggested that would reroute the traffic. The small triangle was built as part of the NHDOT paving and road work project that went from the Sandown/Derry town line to the Manchester traffic circle. The traffic triangle is assisting with traffic flow.

The Highway Safety Committee worked with SAU#15, the department of education and the STA school bus company to review the potential road hazards that may occur from the school bus stop on Hooksett Road near the recreational trail crossing (old trestle-near Depot Road). It was determined that the school bus stops in that area would be limited to the Forest Hill and Dollard Street locations. Any future need for an additional stop in between those two stops would be reviewed by all parties.

In 2015 the Highway Safety Committee suggested several Auburn locations for the NHDOT Road Safety Audit Program. We hope to learn the results of the audits in 2016.

Our 2016 priorities include continued sign replacement and putting stop lines in where needed. Road work will be prioritized as spring approaches. We will also continue our efforts to improve sight distances by cutting and removing trees and shrubs.

The Highway Safety Committee is always looking for feedback on any unsafe road conditions. If you have any concerns, please feel free to come to our meeting, send us a letter in regards to these issues or bring your concerns to any committee member.

Thank-you,

Committee Members
Mike DiPietro, Fire Department Representative, Chairman
Eva Komaradis
Dan Carpenter
Mike Dross, Road Agent
Lt. Ray Pelton, Police Dept. Representative
Rick Eaton, Selectmen Representative
Helen Hiltz, Secretary

GRIFFIN FREE PUBLIC LIBRARY

On behalf of the Board of Trustees, it is a pleasure to issue this 2015 report for the library.

The library has a website available for patrons to find information concerning the library's hours, museum passes, upcoming programs, policies, strategic plans, and an on-line catalog for available reading material and access to your library account. With the year to date circulation at 14,874, and the website views at 15,099 this service has proven to be popular. Auburn Village School invited Mary Hrubiec to attend the Open House and she signed up 55 children with new Library Cards, and brought our total number of active patrons to 696. This year we launched Wowbrary, a service that communicates all the new items that come into our circulation. We added 1,285 new items, withdrew 2,081, and lost 50 for a total collection of 13,305. To learn more please go to www.griffinfree.com.

It was a pleasure and a privilege to work with our former Director Ricky Sirois, who resigned this November. We sincerely appreciate his three years of service, and are very thankful that he brought the library into the technology age. During his tenure we launched a website, started a Facebook page, and purchased a patron use laptop. Under his direction our wonderful library staff also reorganized the Young Adult section, weeded the library collection, purchased many new titles and started an ongoing purchasing program to keep the collection up to date. We wish him luck in his new position.

We were very pleased to welcome Kathy Growney as our new Director in December! Kathy came to us with over thirteen years of library experience, eight as a director. Most recently she was the Library Dean at SNHU overseeing their library through a time of tremendous growth. Kathy enjoys being a "jack of all trades" and getting involved with all aspects of the library, as well as having some experience cataloging small museums. In addition we'd like to welcome our new library staff members Dan Szczesny and Chris Chickering.

Thanks to the generosity of the Friends of the Library, four new Ceiling Fans have been purchased and installed. They also purchased an additional folding table to be used during our programs, and a baby changing station. In addition the Friends are responsible for all the museum passes we offer: Currier Museum, The Fells, Manchester Mill Yard Museum, Manchester Historic Association, SEE Science Center, New Hampshire Historical Society. The Friends extend an invitation to anyone in the community to join them at the library at 7pm on the first Monday of the month. Or if you prefer we are always looking for one time volunteers/bakers for any of our events. It is a fun easy way to become involved in the community.

The children's room has received overwhelmingly positive reviews. Miss Mary, Ricky Sirois and the rest of the staff completely re-organized the children's books. Each book was given a new catalog number and shelved by subject matter to make it easier for our youngest patrons to find their own books. Other NH Library Directors have visited the Griffin Free as they consider making the same changes in their libraries too!

Children's Librarian Miss Mary hosted a Summer Reading Program entitled, "Heroes", with a focus on the everyday heroes in our lives. The program was open to children ages 6 to 11 with a Teen Challenge for ages 11-17. The highlight of the program was a terrific performance by Lindsey and her Puppet Pals! A variety of prizes were donated for the Children's Challenge, an IPad Mini was generously donated by the Friends Group for the Teen Challenge program and a Kindle was generously donated by Town Administrator Bill Herman, as an incentive for The Adult Summer Reading Challenge program. Thank you to the local businesses and organizations for their support for the 2015 SRP; Auburn Family Dentistry, Calef Lake Camping Area, Wholesalers Unlimited, LLC, Pelmac Industries, Shade Tree Landscaping, Tower Hill Animal Hospital, Tower Hill Sales.

Special Thanks goes to Girl Scout Troop 20973 who created colorful and whimsical signs to mark each section of the library collection.

The Annual Book Sale was another success! This year we totaled \$3,800 with the help of the Auburn Community and we couldn't do it without you. Other non-profit literacy organizations were invited to come at the end of the sale to take what they could use. If you know of an organization that could benefit from good used books please let the library know. These funds will be used next year toward extending and resurfacing our parking lot. We are already taking donations for 2016, mark your calendar for July 30 & 31st.

We are very thankful for all the volunteer and community support that we receive each year. We thank Denise Forest who volunteered at the library. We thank all the volunteers who helped at the Book Sale, during Duck Race and with the Friends at the Santa Breakfast. A special thanks to all the local businesses that made donations for all these events too! We couldn't hold these events without all your support!

The Trustees would like to recognize retiring Trustee Board Member Lorraine Senechal for all her work. We appreciate her generous support, dedicated service and time that she volunteered for the library. Thank you!

The Trustees welcome Joe Forest as our newest alternate to the Board. Along with Sharon Bluhm the alternates always bring new ideas and enthusiasm to our library.

The Trustees and the Library Staff would like to thank the Auburn Community for your support and patronage throughout the year.

Trustees

Nancy Mayland, Chair

Jean Worster, Treasurer

Liz Michaud, Secretary

Library operating budget (\$37,000 w/o PR, etc) underspent.
 \$2,310.00
 Per RSA, the operating funds not spent (\$2,310.00) is returned to Town Funds.
 Unspent payroll (after EOY adjustments) is returned to the Town Funds.

Explanations of Unusual Costs:

- 1 Payroll not adjusted for EOY accrual. Over two months without a director lowered costs as staff filled in.
- 2 Replacement of DVDs not returned by patrons.
- 3 Unusual maintenance needs; roof repaired, furnace motors and other issues, emergency lighting updated, gable light fixtures replaced, window replaced due to ice damage, replace smoke/heat detectors.
- 4 Funds from Gift account were from grants and donations for programs, including Summer Reading Program
- 5 Less than anticipated because of no director during major conference season.
- 6 Lower kerosene costs and a much warmer fall and early winter heating season.

(Note: Unaudited at time of publication.) (Note: Payroll has not been adjusted for EOY)

Parks and Recreation 2015

The Parks and Recreation Department had a fun and busy year! The year started out with the senior dinner that was held at the Longmeadow Church. The event was a huge success with 88 seniors attending the event and 25 take out dinners. Dave Nye and Margie McEvoy worked very closely with the Red Hat ladies and many other volunteers to cook, serve the meals and pass out raffle prizes. Thank-you to all who helped out!

The Winter Carnival/Burning of the Trees celebration was a huge success. Mother Nature cooperated and even celebrated the event with a snow storm. What fun it was! We would like to thank the Auburn Fire Department for all of their support at the event and their tireless efforts to keep the skating rink filled. Everyone really enjoyed all of the skating, sliding, music, food and bonfire.

Mother Nature "played nice" this year so everyone really enjoyed the music and the BBQ's at the summer concerts. The Parks and Recreation Committee would like to again thank Maureen Juliano for coordinating the efforts! A big "thank-you" also goes out to the parishioners of the Longmeadow Congregational Church who provided free popcorn at all of the concerts, all of the performers and volunteers.

Mr. Armand Miclette did an awesome job coordinating all of the senior trips again this year. Almost every trip was a "sell-out". Trips to Portsmouth/Casco Bay, HOBO Railroad and Boston Harbor cruises were very popular. A new "senior trip ruling", which can be viewed on the town website, had to be established to accommodate senior overflow for the trips.

New in 2015 was a senior BBQ. It was decided that since a lot of seniors are out of town when the senior dinners are held, a summer time event for the seniors to socialize and have some fun would be added. There was music, a BBQ, raffles and games. Everyone enjoyed themselves. Thank-you Margie McEvoy and other volunteers for preparing all of the food!

The Parks and Recreation was asked to work with the Auburn Fire Department and Police Department to offer the first "Movie Night" that was held at the Safety Complex Field. The Longmeadow church volunteers made popcorn and cotton candy. The face painter was busily painting the faces of all of the children who were wearing all of the glow necklaces. It was a fun evening.

A lot of work was completed on the Priscilla Lane project, next to Wayne Eddows. The brush was cut down and the area cleaned up. The area was leveled and gravel was brought in and leveled. Mr. Nye worked with Stantec Engineering and NH Electric Co-op to bring electric service to the parking lot area.

2016 will prove to be another challenging year. The Parks and Recreation Committee has determined that we will continue to support the senior dinners, BBQ and trips. We will also continue to support the Winter Carnival and the Summer Concert series. New for 2016 is a kick off to summer event that will be held on June 4th. Many of the attractions that were available at the old "Memorial Day Bazaar" event are being planned. There are also plans to add new fun filled activities. Corporate sponsors are being sought to provide a fireworks display to end the evening with a bang. We also plan on continuing efforts to complete phase I on Pricilla Lane and moving forward on Phase II. We thank all of the volunteers and organizations that have made our events the success that they are and we are always looking for suggestions from you on what you would like to see in your community.

Thank-you,

The Parks and Recreation Committee

Auburn Planning Board

In 2015, the all-volunteer Board approved the following:

Minor Site Plans	5	Minor/Major Subdivisions	8
Major Site Plans	2	Amended Approved Site Plan	1
Bond Releases/Reductions	9	Lot Line Adjustments/Mergers	3
Septic setback waivers	0	Informal Discussions	18
Presentations	0	Forestry Harvest	0
Request more Bldg. Permits	2	Conditional Use Permits	3
Extensions of Approval	2	Excavation permits	1 renewal
Zoning Ordinance Amend Mtg	8	•	

The Town of Auburn Subdivision and Site Plan Regulations can be found under the Town of Auburn's website or a hard copy can be viewed at the Town Hall. The Subdivision and Site Plan Regulations are there to assist builders and developers to better understand the requirements needed to construct within the Town of Auburn.

At the March election, Ronald Poltak and Karen Woods were re-elected as members of the board for another 3 year term. Mr. Poltak was also voted in as Planning Board Chairman by the Planning Board members. In September, Ms. Woods resigned from the Planning Board and Mr. Poltak elevated Mr. Grillo from an alternate position to a full voting member to fulfill Ms. Woods position.

All meetings are open to the public, and the Planning Board encourages public involvement in the planning process. Public meetings are generally held the first and third Wednesday evening of each month at 7:00 p.m., with Public Hearings held on the third Wednesday of the month, beginning at 7:00 p.m. All meetings are held at the Town Hall, 47 Chester Road unless otherwise noted. The Planning Board has established a submission schedule for public hearings, which can be found under the Forms and Regulations section of the Town website. The Board agendas and minutes are also available on line at the Town website along with the Town of Auburn's Master Plan and Capital Improvements Plan. A hard copy is also available for viewing at the Planning Office.

In 2009, the Town voted to adopt the procedure set forth in NH RSA 73:2, II, (b)(2) to have the planning board members elected as opposed to appointed as each appointed members term expires. The members of the Planning Board work diligently for everyone and appreciate the continued support of the citizens of Auburn. Thank you. The Board encourages every resident to participate in its efforts. The Board requests the citizens of Auburn willing to join us to submit a volunteer application form to the Select Board to become an alternate member of the Board. The Planning Board may have up to four (4) alternates appointed.

In October, the Planning Board along with the town engineering firm, Stantec began the process of rewriting Article 7, Clustered Development of the Zoning Ordinance. The Board also began working on the Master Plan as well as the Capital Improvement Plan. Letters were sent out to all department heads and a meeting is scheduled to take place during the month of February 2016.

I also wish to express appreciation to the members of the Board for a job well done. Each member commits many hours to meet the challenges of managing the growth and development of the Town.

Respectfully submitted,	Board members:	
Ronald F. Poltak, Chairman	Ronald F. Poltak, Chairman	2018
Chairman	Alan Côté, Vice Chairman	2016
	Paula Marzloff	2017
	Steven Grillo	2017
	James Tillery, Alternate	2016
	(2) Vacant, Alternate	2016
	Dale Phillips, Selectmen's Rep	oresentative
	Denise Royce, Land Use Adm	inistrator

POLICE DEPARTMENT 2015 TOWN REPORT

During 2014 the Auburn Police Department handled about 5000 calls for service. That number changed drastically during the year 2015. The members of the Police Department handled just over 8800 calls for service. The increase was due to a few different factors. First, the method of recording the stats changed to maintain better accuracy of what kind of calls were handled. Next, we tried staffing the day and evening shifts with two Officers instead of one. Finally, we added one new Full Time Police Officer position to our staff.

Early in 2015 the Police Department experienced a major disruption of our computer system. Someone hacked into the system causing a virus that shut us down for a while. The main gist of the hacking was delivering threats to one particular Officer. This initiated an investigation by the New Hampshire State Police Major Crime Unit, and the Federal Bureau of Investigation (FBI). This endeavor was very costly to the Town, and very time consuming to the members of this Department. Fortunately a suspect has been identified, and the FBI is handling the legal process of what transpires in the near future. Our computer system is now fully operational, and hopefully safe from any possible hacking attempts.

As I wrote in the first paragraph, early in the year we hired a new full time Officer. James Huard came to us after about two years serving as a full time Officer for the Town of Hopkinton, New Hampshire. His training and experience served him well as he got started here. He has been very active executing a variety of arrests, especially Driving While Intoxicated (DWI). He has been a great addition and fit in Auburn.

Between the new Officer, the hacking of our computer system, and the extra patrol coverage, the Police Department's operating budget ran pretty lean. Thanks to the assistance I received from my Command staff and my Office staff, the Police Department was able to finish the year a little under budget. This was in spite of nearly an unexpected \$13,000 cost to correct the computer system.

Speaking of finances, I graciously thank a group of citizens that donated funds to purchase a new Police Dog (K9). Their generosity provided enough money to purchase the dog and the equipment needed to get the K9 program operational. Our new K9 is "Athos", and is handled by Officer Cashman. They are presently in training with the New Hampshire State Police. You will see them on patrol in the near future.

Finally, I want to thank the residents of Auburn for their continued support of the Auburn Police Department. I want to stress to everyone that all the members perform their duties professionally with the welfare of the Town as their priority. If any resident has any concern what so ever about any function of the Police Department, you are more than welcomed to address your concern with me or a member of my Command Staff. The door is always open.

Respectfully	Submitted,

REPORT OF THE ROAD AGENT

The past year has been a challenging one both in terms of work to be performed and, on a more personal level, dealing with the ongoing allegations of misdeeds and suggestions that we haven't performed in the Town's best interests. This has been distracting to say the least, and certainly not productive for the public.

For all of us, 2015 began with a significant winter storm that resulted in a Presidential disaster declaration. The declaration lead to the Town being eligible for FEMA reimbursement of approximately \$26,000 in costs associated with the winter storm operations.

When spring weather arrived, our road work efforts turned towards the reconstruction of approximately 1,650-feet of Chester Turnpike, as well as 1,800-feet of Dearborn Road. The Town also repaired drainage capacity of Eaton Hill Road adjacent to the Auburn Village School, and worked with residents of Cottage Avenue and Manchester Water Works to permanently replace an aging waterline through a Betterment Assessment process.

Since 2006 when I first became Road Agent, we have worked on an overall effort of repairing the Town's roads to a condition that would generally enable basic maintenance to then be what would be needed throughout the Town. That had been the plan initiated by previous Boards of Selectmen. At this point, it would appear the Town is within four to five years of being able to realize that goal and, hopefully, be done with the major reconstruction work. With improved subdivision standards for new roads that are being built and having all current Town roads being in the best condition they can be, the Town should be in a position to maintain its roads through routine maintenance and an occasional shim or overlay of pavement.

During 2015, shim and overlay paving was completed on Rockingham Road, Lantern Lane and Margate Drive; in addition to cleaning out dozens of catch basins and miles of ditches in the Town's road network. In 2016, we will focus on completing improvements to approximately one mile of Dearborn Road, and then work on Nutt Road. We will also be completing a culvert project on Old Candia Road that has been approved for Hazard Mitigation funding from FEMA. Shim and Overlay activity will be performed on portions of Bunker Hill Road, Grapevine Drive, Old Towne Road and White Tail Crossing.

To the residents of Auburn, I very sincerely appreciate the many positive comments we continue to hear about the condition of our town roads. This reinforces our belief that we are achieving the Town's long-standing goal of improving and maintaining Auburn's roads. This represents the Towns biggest exposure.

I want to thank all of the local sub-contractors who have assisted us during the past year for their dedicated services to the Town of Auburn. Although residents don't always see it, these individuals work many long hours, and often in the worst of conditions, in order to make sure our roadways are as safe as they can be. I would also like to thank the Department heads, Town Hall staff, Board of Selectmen and Budget Committee for continuing to support our efforts.

Respectfully submitted, Michael Dross Road Agent

2015 Report of the Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants selected for their specialized skills or services. Each year, with the approval of appointed representatives, the Commission's staff designs and carries out programs of area-wide significance mandated by New Hampshire and federal laws or regulations, as well as local projects which pertain more exclusively to a specific community.

Technical assistance is provided in a professional and timely manner by staff at the request of the Planning Board and/or Board of Selectmen. The Commission conducts planning studies and carries out projects of common interest and benefit to all member communities; keeps officials apprised of changes in planning and land use regulations; and in conjunction with the New Hampshire Municipal Association, offers annual training workshops for Planning Board and Zoning Board members.

Services performed for the Town of Auburn during the past year are as follows. Hours listed represent work for the Town only; in projects involving multiple municipalities the total hours spent by SNHPC staff is higher. For example, 36 hours were spent by SNHPC staff working on the Planner's Roundtable Brown-Bag Sessions for the 15 municipalities in the region; equally dividing the total hours results in 2.4 hours of benefits that can be attributed to the Town.

No.	Hours	Project Description
1.	90	Conducted traffic counts at 19 locations, including 6 locations requested by the Town, forwarded traffic data to the Town;
2.	86	Provided staff support to Robert Frost/Old Stagecoach Scenic Byway, including meeting preparation, mapping (with assistance from GIS staff) and ongoing compilation/production of Corridor Management Plan;
3.	16	Compiled building permit data and certificate of occupancy permit records to record dwelling unit totals from all municipalities in the region;
4.	13	Updated ITS Architecture for the Southern NH Planning Commission Region;
5.	12	Provided staff support to the Regional Trails Coordinating Council: led correspondence efforts, organized meetings, recorded minutes, and assisted in the search for grant opportunities;

6.	10	Provided monthly information to the Planning Board on upcoming meetings, project and grant updates, webinars and other training opportunities through the planning commission's quarterly Newsletters, monthly Media Blasts and periodic E-Bulletins;
7.	6	Updated interactive maps displaying traffic count locations and traffic volumes for the Town of Auburn. Maps are now available on the SNHPC.org website;
8.	5	Provided technical assistance and facilitation with the Mutual Sharing Committee and established a regional electric purchasing cooperative with several other municipalities and school districts in the SNHPC Region. The combined savings for the first year will be \$287,462, or 24.4 percent. In addition to the significant savings, the majority of participants will be using at least 20 percent green energy.
9.	4	Represented the interests of the Town on the Region 8 Regional Coordinating Council for the Statewide Coordination of Community Transportation Services Project;
10.	3	Participated on the NH BPTAC (Bike-Ped Transportation Advisory Committee) Counting Subcommittee, preparing a statewide counting plan and conducting the inaugural counts using shared automated counting equipment;
11.	2.6	Provided an opportunity for all SNHPC communities to participate in a unique project that studies various aspects of complete streets along with the opportunity to participate with a corresponding pilot policy project. Project to be completed on 2016;
12.	2.6	Applied for and awarded a competitive US EPA funded Community Wide Brownfields Assessment Grant to be implemented in the region in 2016;
13.	2.4	Our Planner's Round Table Brown-Bag Sessions provided multiple opportunities for community staff, volunteer commissioners, and other community stakeholders to come together and discuss "hot topics", participate in webinars, and attend multiple planning and land-use related events throughout the year;
14.	2	Provided staff assistance to Statewide Coordinating Council for Community Transportation (SCC);
15.	2	Provided training in site plan review and analysis to SNHPC communities;
16.	2	Organized and facilitated a Legislative Event for NH Legislators and local officials in the SNHPC region. This year's topic was Growing the High Tech Corridor;
17.	.5	Provided a training opportunity for planning staff and land-use board volunteer to improve plan reading and analysis skills through a Site Plan Review Workshop.

Town of Auburn Representatives to the Commission

Charles M. Worster William G. Herman Ronald F. Poltak, Alternate

Executive Committee Member: William G. Herman

Auburn Zoning Board of Adjustment Annual Report 2015

The Zoning Board of Adjustment (ZBA) is the town board which is responsible for applying and interpreting the Zoning Ordinance. The Zoning Ordinance divides the town into "Zoning Districts" each with its own regulations. Specific property uses are permitted in each Zoning District, subject to particular restrictions. For example, you can have a house in the Residential District, or a store in the Commercial District. As long as the use or proposed use of your property is permitted under the Zoning Ordinance, you do not need to come before the ZBA. The ZBA does not have jurisdiction under certain other matters such as a building permit from the Building Inspector, site plan approval from the Planning Board, or a license from a state agency.

The Auburn ZBA considers applications for Special Exceptions, Variances, and Equitable Waivers. The ZBA also interprets the provisions of the Zoning Ordinance. In addition, when another town official or board makes a decision based on an interpretation of the Zoning Ordinance, that interpretation may be appealed to the ZBA.

Whether an applicant seeks a Special Exception, Variance, or Equitable Waiver, it is imperative that he/she understands the ZBA has very little, if any, subjective powers. The applicant must satisfy all of the requirements on which relief he/she seeks. These requirements are mandated by the State of New Hampshire, and are listed on the application, which the applicant must complete and provide to the ZBA several weeks before the hearing. Once accepted, a public hearing is scheduled and abutters are notified by certified mail. During the hearing, the ZBA decides whether the applicant has met all the legal requirements for the relief requested.

Certain uses are permitted by "Special Exception." If a person needs a Special Exception, application must be made to the ZBA. The ZBA then determines whether the use meets specific requirements. For example, home businesses are permitted only by Special Exception in the Residential One District.

Other uses are forbidden, either because they are not listed in the Zoning Ordinance as permitted uses (for example, having an automobile repair station in the Residential District), or because they violate some explicit restriction in the Zoning Ordinance (for example, building a structure too close to wetlands or setbacks). When the Zoning Ordinance deprives an owner of any reasonable use of his or her property, without a compelling benefit to the Town, the ZBA may grant a "Variance," which sets aside specific requirements of the Zoning Ordinance provided the property owner meets very specific requirements.

If prior construction or a subdivision violates the ordinance as the result of a good-faith error (*not* from ignorance of the Zoning Ordinance or failure to check relevant restrictions), the ZBA can grant an "Equitable Waiver;" provided certain conditions are met.

A use which is no longer permitted, but which has been in existence since before the Zoning Ordinance forbade it, is called a "nonconforming" or "grandfathered" use. Most nonconforming uses may continue unchanged, but an increase or change in a nonconforming use may forfeit the grandfathered status and require the owner of the property to apply to the ZBA for relief.

The Zoning Board consists of nine members. Five are appointed as full voting Members and the remaining are Alternate Members. All Board members are appointed by the Board of Selectmen to a three-year term. The Board of Selectmen also reappointed James Lagana as Vice Chairman of the ZBA to another three-year term. Also, the Board elevated Jeffrey Benson to fulfill Peggy Neveu's term as a full voting member of the Board and Peggy Neveu remained on the Board as an Alternate Member.

The Zoning Ordinance undergoes a yearly review by the Planning Board resulting in amendments presented in Warrant Article(s) for Town Meeting and Voted on during the March ballot voting.

The Auburn ZBA meets on demand at 7:00 p.m. on the fourth Tuesday of each month. The meetings are held at the Auburn Town Hall and are open to the public. The public is always welcome to attend ZBA meetings and, interested parties will be given the opportunity to address the Board as Cases are heard. The public hearings are announced under Legal Notices in *The Union Leader*. During 2015 the ZBA reviewed 24 applications in a 12-month period. Many of the applications were for multiple requests for relief. Of the 4 special exception requests, none were withdrawn, none were denied and 4 were granted. Of the 20 variance requests, 13 were granted, 6 were denied and 1 was withdrawn. There were no requests for extensions. In addition, the ZBA made decisions with regard to 4 requests for Rehearing; 1 was granted and 3 were denied. The ZBA also voted to approve the ZBA Rules of Procedures. ZBA Agendas, Minutes, Rules of Procedure, Zoning Ordinance and Application Forms can be reviewed on the Town of Auburn's web site at http://www.auburnnh.us. The Zoning Board would like to thank the Town Officials, citizens and businesses for their support, with special thanks to Carrie Rouleau-Cote, Building Inspector/Code Enforcement Officer for her input and support throughout the year.

On behalf of the Town, the Chairman extends appreciation to each and every Board member for their commitment of time, energy and ideas. I would also like to encourage other town residents to consider volunteering and joining the ZBA. If anyone has an interest in joining the ZBA, please contact the Selectmen.

Respectfully submitted,

Mark A. Wright Chairman

Members and Alternates of the Zoning Board of Adjustment are as follows:

Members: Mark A. Wright, Chairman James Lagana, Vice Chairman

Michael DiPietro Jeffrey Benson

Elizabeth Robidoux

Alternates: Peggy Neveu Kevin Stuart

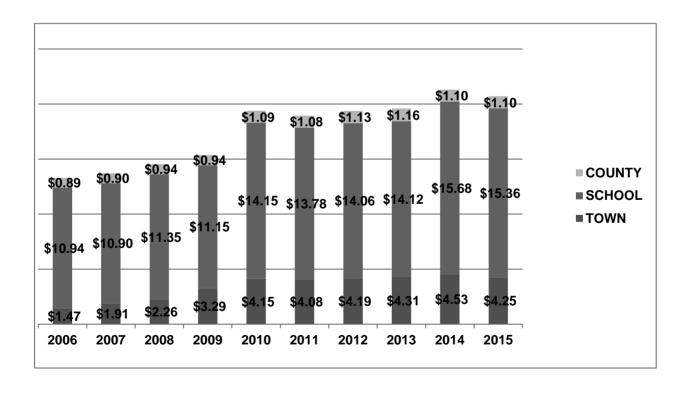

Robert Beaurivage

Administrator: Denise Royce

Incorporated: 1845

Origin: This area was first settled in 1720 as part of Chester known as Chester Woods, Chester West Parish, or Long Meadow. It was not incorporated as Auburn until 1845. The name comes from "The Deserted Village" by English poet Oliver Goldsmith, as did Auburns in New York, Massachusetts, and Maine. Auburn includes a large portion of Lake Massabesic, water supply for the city of Manchester and surrounding communities, once a popular resort area.

Villages and Place Names: Hooks Crossing, Severance

Population, Year of the First Census Taken: 810 residents in 1850

Population Trends: Population change for Auburn totaled 3,786 over 54 years, from 1,292 in 1960 to 5,078 in 2014. The largest decennial percent change was

5,078 953 4,706 1970 1980 1990 2000 2010 2014 a 58 percent increase occurring between 1960 and

1970, followed by a 42 percent increase over each of the next two decades. The 2014 Census estimate for Auburn was 5,078 residents, which ranked 66th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2014 (US Census Bureau): 199.3 persons per square mile of land area. Auburn contains 25.5 square miles of land area and 3.3 square miles of inland water area.

AUBURN SCHOOL DISTRICT MEETING MINUTES AUBURN, NH FEBRUARY 1, 2016

Moderator, James Tillery, called the meeting of the Auburn School District to order at 7:00 p.m. on Wednesday, February 1, 2016. Mr. Tillery began with the Pledge of Allegiance.

Mr. Tillery asked the Auburn School Board Members to introduce themselves. Alan Villeneuve, Chairman, Keith LeClair, Member, Anita Glldea, Vice-Chair, Maureen Murgo and Mark Comeau, Members and School District Clerk, Ms. Denise Royce.

Also Present: Dr. Charles P. Littlefield, Superintendent; Mrs. Marge Polak, Assistant Superintendent; Mrs. Karen Lessard, Business Administrator; Lori Collins, Principal, Ms. Michel O'Rourke, Assistant Principal, Mrs. Anne McSweeney, Director of Student Services; Ms. Diane Gorrow, Esquire.

Mr. Tillery indicated that he would take each Article in order except for Article #2 which he would take up last as the Board of Selectmen were in a meeting as we speak. Mr. Tillery announced that he would be rescinding his previous comment on moving Article #2 until the end and that they would be taking it up first because it was part of the RSA's that it shall be presented first.

Mr. Tillery pointed out that Attorney Diane Gorrow was not an Auburn resident and possibly would be called upon to help in any conversations that they may have and therefore was looking for a vote that would authorize her to speak on the Board's behalf.

At this time, Mr. Tillery stated that he would entertain a vote. A vote was taken, and the Moderator informed everyone that the vote passed.

Mr. Tillery read each article and opened the floor for discussion.

(2) Shall the Auburn School District vote to raise and appropriate the sum of \$23,150,321 for the addition/renovation to the Auburn Village School, and authorize the issuance of not more than \$23,150,321 of bonds or notes in accordance with the provisions of the Municipal Finance Act, (RSA 33:1, et. Seq., as amended;) to authorize the Auburn School Board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Auburn School Board to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Auburn School Board to take any other action or to pass any other vote relative thereto; and further to raise and appropriate an additional sum of \$578,758 for the first year's interest payment on the bond? (3/5 ballot vote required) (Recommended by the School Board) (Recommended by the Budget Committee)

Mr. Tillery asked if there was any discussion on Article 2. Mr. Vecchione asked what the number of classes they would be adding and what was the number of students expected to come in the next couple of years. In looking at the proposed plans for the new school, Mr. Vecchione stated that we already have a gym so why do we need a new gym. Lastly, Mr. Vecchione asked what the impact would be on the taxpayer's tax dollar. Ms. Gildea answered by saying that there was a fact sheet available for anyone that was interested and that they would be adding 9 additional classrooms which was inclusive of the space that they already have outside with the modulars' and would be adding 4 new additional learning spaces within the building which would be able to accommodate 110 additional students. Currently there have been approximately 560 to 600 students over the last 5 or 6 years. Ms. Gildea also pointed out that the cafeteria cannon accommodate all of the kids and therefore lunch is a long process. Mr. Vecchione asked what the number of students would be per classroom. Ms. Gildea stated that there would be 22 students per class and do not want to exceed 25 students because they would like it to be a manageable size.

Mr. Vecchione stated that the Board is asking for \$578,758 of interest per year and did that have to be added every year. Mr. LeClair answered by saying that it was interest only for the first year which there would be no principle payment the first year. Mr. LeClair added that the tax impact is about \$2.06 per thousand currently which would include principle and interest. Mr. LeClair also pointed out that the debt service is about \$1.3 million dollars.

Mr. Tillery asked if there was any other discussion. Ms. Hodgdon asked about how they would be minimizing the tax impact. Mr. LeClair reiterated that the total tax impact would be \$2.06 per thousand which does include the principle and interest. Mr. LeClair also talked about reducing the tax impact which they anticipate additional revenue coming in from the town as the town is building approximately 35 homes per year so that additional revenue plus any additional revenue from car registrations. The Selectmen are also talking about reducing the impact in other ways as well to offset this tax rate.

Mrs. Marzloff asked what the current cost per student was. Mr. LeClair stated that it was currently \$12,276 per student. Mrs. Marzloff did not believe that the new homes would not offset the cost. It was not know the number of students per household.

Discussion ensued with several residents regarding the current school condition as well as the teachers and the fact that Auburn has the lowest tax rate within the surrounding communities.

Mr. Galler asked what the dollar amount that would be spent over the next 10 years. Mr. LeClair indicated that it would be \$3 million dollars over the next 5 years which would impact taxes about \$1.00 over the next 5 years. This does not address portables or modular all coming to the end of life. It does not address any of goals that they set forth with the project which the major one was safety. Mr. Galler indicated that taxes would be impacted \$1.00 anyways so why not spend another \$1.00 they would get everything they were looking for. Several resident of Auburn are in favor of building a new school in order to make Auburn School a better place for students.

Mr. Worster informed everyone that over the 15 towns within the SNHPC that Auburn has the lowest tax rate.

Mr. Vecchione asked how much does the Town of Auburn pay Pinkerton to send each child to school. Mr. LeClair stated that it was \$11,400 per student. Mr. Vecchione also asked how long the loan was for. Mr. LeClair indicated that it was for 30 years.

Ms. Donelson asked if the new school would be a green school and if not why not. Mr. LeClair stated that he would let the contractors speak on that but the answer was mostly no and the reason being was that the return on the investment was so long and that it would take a long time to pay it back. Ms. Donelson asked if they considered solar. Mr. Tillery asked the audience if they would vote in favor to allow the contractors to speak. A vote was taken, and the Moderator announced that the contractors would be allowed to speak. At this time, Mr. McVeigh and Mr. Proctor stated that NH high performance school money is not available but what they would do is incorporating energy technology and LED lighting systems of that nature which would have high payback in the long term.

Ms. Donelson asked why they were looking at building a school this big. Ms. Gildea commented that it was not that they are planning to go big but that they did it in the most cost effective way possible to meet the objectives that they wanted to meet. The thing is that we just don't know what will happen in the future and unsure if people will be having 5 kids as opposed to 2 kids. Ms. Gildea explained that some of the feedback that they've been getting is that they would not be building it big enough and another was that education has changed a lot within the last 20 years and will be changing more in the next 10 to 15 years. They are trying to plan as conservatively as they can but are also trying to not be so short sighted that they have to come back in the next 10 to 15 years to say they have already built up that space.

Mr. Eaton stated that he had some ideas on how to help the town pay for the school which is really needed. Mr. Eaton pointed out that he was one of the Selectmen in the Town of Auburn and was only speaking on behalf of himself. Mr. Eaton believed that there was one way that they could do it that would work very well. Mr. Eaton pointed out that the amount of the debt services was \$1.3 million per year and the Town of Auburn does not have any debt service whatsoever. Mr. Eaton stated that within the budget that there was a line item with \$800,000 for road reconstruction. The roads are almost reconstructed and that he has talked with the Road Agent at the Board of Selectmen meetings and also at the Highway Safety meetings and he has another year or two to complete reconstructing our roads. Mr. Eaton indicated that his suggestion to this is that if we take \$600,000 of the \$800,000 and put it back into the general fund which would pay about half of the debt service of the \$1.3 million. By taking only \$600,000 from that line item we would still be leaving the Road Agent \$200,000 so if he needs to go out and do repairs or build a small road that he could do it. Mr. Eaton talked about the tax rate and how it will go up or go down. Mr. Eaton stated that the \$800,000 has been in there for the last 7, 8, 9 or 10 years so if you take \$600,000 out of the road reconstruction that you wouldn't even know it and it would pay almost half of the debt service. Mr. Eaton gave an example that if you have a \$200,000 house and the tax rate goes up \$1.00 that it would only be \$200 and that over the course of 30 years it would only be \$6,000 and if your house is on the high end such as \$600,000 then over the course of 30 years it would be \$18,000. Mr. Eaton talked about how Auburn is a great little town and how the school is in need of being renovated. Mr. Eaton also informed everyone that the \$800,000 road reconstruction is a Selectmen line item and at least 2 out of the 3 Selectmen need to vote on this so that we can take this money and shift it to help pay for the school and keep our taxes low. Ms. Donelson asked if it would be taking the money for one year and then wouldn't you have to start rebuilding the roads again and you would not be taking our \$600,000 every year. We've been rebuilding our roads to state standards and we've dug out all the roads and replaced it with good gravel and pavement. Every year they will still need to do maintenance on the roads and they will still be getting \$200,000 per year that will pay for any maintenance needed on the roads.

Mr. Speltz asked on what the interest rate on the bond was. Mr. LeClair stated that it was 4 percent. Discussion ensued with regard to the interest rate being low and if we were to revisit this in 10 years that it would be a whole different story.

Ms. Belcourt asked what the timeline on the last time anything was done to the school. Mr. Villeneuve went through the timeline and began by the gymnasium that was built in 1967 and after that there was an addition put on in 1988 and then in 1992 they added the modulars and then in the subsequent years they added the 3 portables. Mr. Villeneuve added that within the last 30 years there have been no major projects done except for the roof and some other miscellaneous items.

Mr. Tillery asked everyone present if there were any other questions or comments. None were noted.

At this time, Mr. Tillery stated that he would entertain a motion. A vote was taken, and the Moderator declared that Article 2 will appear on the ballot as written.

Mr. Tillery moved on to Article 3:

(3) Shall the Auburn School District vote to approve the cost items included in the collective bargaining agreement reached between the Auburn School Board and the Auburn Education Association, which calls for the following increase in salaries and benefits at the 2016-2017 staffing levels over the amount paid in the prior fiscal year:

<u>Year</u> 2016-2017 Estimated Increase \$85,930

and further to raise and appropriate the sum of \$85,930 for the 2016-2017 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? (Recommended by the School Board) (Recommended by the Budget Committee)

Mr. Tillery asked if there was any discussion on Article 3. Mr. Vecchione asked what the percentage of increase to the individuals working who will get this. Ms. Murgo stated that it would vary from teacher experience and teacher level and it would be a one percent increase for one year.

Mr. Tillery asked if anyone had any further questions or comments. None were noted.

At this time, Mr. Tillery stated that he would entertain a motion. A vote was taken, and the Moderator declared that Article 3 will appear on the ballot as written.

Mr. Tillery moved on to Article 4.

(4) Shall the Auburn School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$12,782,648? Should this article be defeated, the default budget shall be \$12,652,300, which is the same as last year, with certain adjustments required by previous action of the Auburn School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the School Board) (Recommended by the Budget Committee)

Mr. Tillery asked if there was any discussion on Article 4. A question was asked with regard to what the difference was between the two (2) budget amounts. Mr. Villeneuve pointed out that there was a curriculum coordinator position as well as some other miscellaneous items but that the majority of that amount was for the position because that position was over \$100,000.

At this time, Mr. Villeneuve wanted to thank the Budget Committee members that were present tonight.

Mr. Vecchione asked Mr. Villeneuve that he was asking for \$140,000 to do what. Mr. Villeneuve talked about special education drives the budget up and down and that with this they would like to take in a curriculum coordinator to enhance our education. Mr. Vecchione asked what the salary would be. Mr. Villeneuve indicated that it would be \$72,000.

Mr. Tillery asked if there were any further discussion. None were noted.

At this time, Mr. Tillery stated that he would entertain a motion for this article. A vote was taken, and the Moderator declared that Article 4 will appear on the ballot as written.

Mr. Tillery moved on to Article 5.

(5) Shall the Auburn School District authorize the Auburn School Board to sell, on such terms and conditions as the Auburn School Board determine are appropriate, land identified as Lot 10-19 located on Hooksett Road in Auburn, comprised of approximately 60 acres, and further to raise and appropriate up to the sum of \$2,000,000 from the proceeds of said sale to be added to the School Construction and Expendable Trust Fund established in March 2002? (Recommended by the School Board) (Not Recommended by the Budget Committee)

Mr. Tillery asked if there was any discussion on Article 5. Ms. Binda asked why it was not recommended by the Budget Committee. Mr. Tillery asked if a member of the Budget Committee would come up and speak on behalf of this question. Mrs. Marzloff answered by saying that her personal opinion was that this was short sighted. She did not believe that they would get anywhere near the amount of money that the School Board would like to get for this property and believed it was very poor planning. A question was asked to Mrs. Marzloff that if she believed it was poor planning, what should they do with the property. Mrs. Marzloff believed that if it was sold that it would only contribute to an additional number of building lots and that there was a huge pushback in this community about the growth rate and to add the potential of 25 or more additional building lots will only drive the town for a need for a school.

Mr. Tillery asked if there was anything else to add. Mr. Carpenter added that if we end up adding more residential then it ends up adding more students to our school and we have very little commercial and industrial land in this community. This piece of property is approximately half a mile from exit 2 and down the road it will only become more and more valuable. The Town of Auburn should develop this property for commercial use and if we hang onto it we will only end up getting more money for it. Mr. LeClair commented that the School Board discussed this at length and that this land was found approximately 10 years ago and all this article does is give the School Board the authority to exercise the contract so if it were to come in less than what they expect or less than market value then they still have the option and the right to decline any option. Mr. Vecchione stated that he believed that Mr. Carpenter had a good idea to hold the land for industry and asked the Board members what they paid for the land. Mr. LeClair stated that the purchase price was \$600,000.

Discussion ensued with the possibility of giving the land back to the town. Mr. LeClair did not know how that would work and could not answer that question.

Mr. Gonyea asked what the purchase price the School Board was asking for the property. Mr. Villeneuve stated that the asking price is one million dollars.

At this time, Mr. Tillery stated that he would entertain a motion for this article. A vote was taken, and the Moderator declared that Article 5 will appear on the ballot as written.

Mr. Tillery moved on to Article 6.

(6) Shall the Auburn School District vote to support the formation of a planning committee pursuant to RSA 194-C:2 to study whether Auburn should withdraw from SAU #15; and further to raise and appropriate the sum of \$20,000 for this purpose? (Recommended by the School Board) (Recommended by the Budget Committee)

Mr. Tillery asked if there was any discussion on Article 6. Mr. Vecchione asked what the cost was that the town gave to SAU every year. Mr. LeClair indicated that it was \$250,000 a year. Mr. Vecchione asked if we pull away from SAU and understood that the state allows each town to be their own SAU and asked if it would it be all volunteer or would it be a paid position. Mr. Comeau explained that the SAU is a school administration that is shared by the Town of Auburn, Candia and Hooksett and that Auburn carries 25 percent of the operating cost a share that is based upon student enrollment and valuation of each district. Mr. Comeau went on say that the RSA noted in the warrant describes that a planning committee would be formed to study Auburn leaving the SAU #15 and creating an SAU of its own or joining another SAU. Mr. Comeau further discussed this warrant article and pointed out that it would require a 3/5 vote in the affirmative to proceed. In conclusion, Mr. Comeau stated that the money in the warrant article would cover the legal and administrative fees encumbered during the year of the study. They do not intend to expend all of those monies; however, they want to be sure that the committee is sufficiently funded to complete their work. Any unexpended balance would be returned to the budget.

Mr. Tillery asked if there were any further questions or comments. None were noted.

At this time, Mr. Tillery stated that he would entertain a motion for this article. A vote was taken, and the Moderator declared that Article 6 will appear on the ballot as written.

Mr. Tillery stated that he would entertain a motion to adjourn.

Motion to adjourn was made and seconded, and the meeting was adjourned at 8:13 p.m.

Respectfully submitted,

Denise Royce School District Clerk

AUBURN SCHOOL DISTRICT WARRANT STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN THE DISTRICT AFFAIRS:

First Session of Annual Meeting - Deliberative

You are hereby notified to meet at the Auburn Village School, 11 Eaton Hill Road, in said District, on the 1st day of February 2016, 7:00 p.m. This session shall consist of explanation, discussion, and debate of warrant articles number 2 through 6. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended, (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended and (c) no warrant article shall be amended to eliminate the subject matter of the article.

Second Session of Annual Meeting - Voting

Voting on warrant articles number 1 through 6 shall be conducted by official ballot to be held in conjunction with Town voting on the 8th day of March 2016. Polls will be open from 7:00 a.m.to 7:00 p.m. at the Auburn Village School.

(1) To choose the following school district officers:

a)	Two School Board Members	3-year term
b)	School District Moderator	3-year term
c)	School District Clerk	3-year term
d)	School District Treasurer	3-year term

- (2) Shall the Auburn School District vote to raise and appropriate the sum of \$23,150,321 for the addition/renovation to the Auburn Village School, and authorize the issuance of not more than \$23,150,321 of bonds or notes in accordance with the provisions of the Municipal Finance Act, (RSA 33:1, et. seq., as amended;) to authorize the Auburn School Board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Auburn School Board to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Auburn School Board to take any other action or to pass any other vote relative thereto; and further to raise and appropriate an additional sum of \$578,758 for the first year's interest payment on the bond? (3/5 ballot vote required) (Recommended by the School Board) (Recommended by the Budget Committee)
- (3) Shall the Auburn School District vote to approve the cost items included in the collective bargaining agreement reached between the Auburn School Board and the Auburn Education Association, which calls for the following increase in salaries and benefits at the current staffing levels over the amount paid in the prior fiscal year:

<u>Year</u> <u>Estimated Increase</u> 2016-2017 \$85,930

and further to raise and appropriate the sum of \$85,930 for the 2016 – 2017 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? (Recommended by the School Board) (Recommended by the Budget Committee)

- (4) Shall the Auburn School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$12,792,648? Should this article be defeated, the default budget shall be \$12,652,300, which is the same as last year, with certain adjustments required by previous action of the Auburn School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the School Board) (Recommended by the Budget Committee)
- (5) Shall the Auburn School District authorize the Auburn School Board to sell, on such terms and conditions as the Auburn School Board determine are appropriate, land identified as Lot 10-19 located on Hooksett Road in Auburn, comprised of approximately 60 acres, and further to raise and appropriate up to the sum of \$2,000,000 from the proceeds of said sale to be added to the School Construction and Expendable Trust Fund established in March 2002? (Recommended by the School Board) (Not Recommended by the Budget Committee)
- (6) Shall the Auburn School District vote to support the formation of a planning committee pursuant to RSA 194-C:2 to study whether Auburn should withdraw from SAU #15; and further to raise and appropriate the sum of \$20,000 for this purpose? (Recommended by the School Board) (Recommended by the Budget Committee)

Given under our hands and seal at said Auburn, New Hampshire, this ____ day of January, 2016. SCHOOL BOARD OF AUBURN, NEW HAMPSHIRE
Alan Villeneuve, Chair
Anita Gildea, Vice Chair
Mark Comeau, Clerk
Keith LeClair
Maureen Murgo

Election Results AUBURN SCHOOL DISTRICT WARRANT STATE OF NEW HAMPSHIRE

Second Session of Annual Meeting - Voting

Voting on warrant articles number 1 through 4 shall be conducted by official ballot to be held in conjunction with Town voting on the 10th day of March 2015. Polls will be open from 7:00 a.m.to 7:00 p.m. at the Auburn Village School.

(1) To choose the following school district officers:

a) Two School Board Members

3-year term

Maureen Murgo	611
Keith Leclair	567
Brian D'Amelio	519

(2) Shall the Auburn School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$12,732,185? Should this article be defeated, the default budget shall be \$12,719,518, which is the same as last year, with certain adjustments required by previous action of the Auburn School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the School Board) (Recommended by the Budget Committee)

Yes 720 No 312

(3) Shall the Auburn School District vote to raise and appropriate up to \$75,000 to be added to the School Construction Expendable Trust Fund previously established? This sum to come from June 30, 2015 fund balance available for transfer on July 1, 2015. No amount to be raised from taxation. (Recommended by the School Board) (Recommended by the Budget Committee)

Yes 805 No 232

(4) Shall the Auburn School District vote to raise and appropriate up to \$25,000 to be added to the Special Education Expendable Trust Fund previously established? This sum to come from June 30, 2015 fund balance available for transfer on July 1, 2015. No amount to be raised from taxation. (Recommended by the School Board) (Recommended by the Budget Committee)

Yes 807 No 228

AUBURN SCHOOL DISTRICT REPORT OF THE SUPERINTENDENT OF SCHOOLS

I am pleased to make my tenth annual report to the Auburn School District. Having completed my tenth year as your Superintendent of Schools, I continue to be impressed with the commitment to excellence that is practiced daily by teachers, parents, support staff, the school administration and, most importantly, our children. In turn, I thank the Auburn community for its support of public schooling and for the high expectations that are held for the school district.

Education must challenge students with rigorous, personalized academic experiences, foster innovation and creativity, and embrace emerging technologies. To support the Auburn Village School community in achieving these goals, the instructional priorities for the 2014-2015 school year included the second year implementation of the new math program, continued effort in language arts to address and meet the new academic standards, and a focus on STEM (Science, Technology, Engineering, Math) Education.

Math in Focus was adopted as the K-8 math program a year ago. This instructional approach is especially strong in developing conceptual understanding. Throughout the series, concepts are learned through a sequence of concrete to pictorial to abstract representations. Math In Focus concentrates on fewer topics but teaches them thoroughly so they need not be retaught continually. Teachers and administrators continued to receive training throughout this school year to support an effective implementation. Our focus this year was on lesson structure, hands on activities and problem solving. At the end of the second year of this program, teachers report that students can articulate their math understanding more clearly and are able to solve real world problems with greater success.

As we strove to meet higher academic standards and prepare for the new Smarter Balanced Assessment in the spring of 2015, students and teachers also focused this year on improving writing skills. At the middle school level, writing across all content levels was stressed and in the elementary grades students practiced using research to support claims and arguments.

In the spring, students in grades three through eight had the opportunity to use these skills during the first administration of the Smarter Balanced Assessment. This statewide assessment in math and English language arts was designed to match the new, more rigorous state standards that focus on the critical thinking, problem solving and reasoning skills students need in today's world.

A number of important initiatives also took place across the three school districts in our SAU this year. These are introducing STEM education, finalizing the revised Professional Development Master Plan and piloting a new Teacher Evaluation System.

STEM Education is the interdisciplinary approach to learning that removes the traditional barriers separating the four disciplines of science, technology, engineering, and mathematics and integrates them into real-world, rigorous, and relevant learning experiences for students. It is also a vehicle for critical thinking, collaboration, creativity, communication, problem solving and global citizenship. This year, teachers and administrators took part in training offered by the STEM Center for Innovation and Excellence. Teachers used these new skills to create integrated hands-on units and lessons for grades K-8. Plans are in place to include additional STEM lessons and opportunities into the curriculum for the 2015-2016 school year.

This year, the SAU 15 Professional Development Committee completed the new 5-year Master Plan. The development of the plan is based on the premise that high quality, successful professional development leads to professional competence and directly impacts instructional practices, student learning and achievement. The plan was presented to the SAU 15 Board at the May 2015 meeting and was approved at that time.

The SAU #15 Teacher Effectiveness and Evaluation Committee also developed and piloted a new evaluation system this year. A group of 24 teachers and administrators worked throughout the year to create a collaborative evaluation model leading to improved teaching performance and increased academic achievement. Based on *Charlotte Danielson's: A Framework for Teaching* the model identifies those aspects of a teacher's responsibilities that promote improved student learning. The complex activity of teaching is divided into four domains: Planning and Preparation; Classroom Environment; Instruction; and Professional Responsibilities. The committee will continue to work and finalize the plan before presenting it to the SAU Board in the fall.

The 2014-2015 school year was a busy and productive year and all are to be recognized for their efforts in providing meaningful opportunities to allow all students to thrive and succeed.

The Auburn School District continues to work with the H.L. Turner Group on a renovation/addition project for Auburn Village School. There will be a warrant article on the March 2016 ballot asking for approval of this project. Residents can expect to hear a great deal about this exciting and necessary initiative well in advance of the March vote.

In closing, I have nothing but positive feelings about the Auburn School District and our future. Thank you for allowing me to be your Superintendent. I am so proud of our teachers, our administrators, and most importantly our youngsters. A special thanks to Assistant Superintendent, Marge Polak and Business Administrator, Karen Lessard for bringing their unique talents to the District.

Respectfully submitted,

Charles P. Littlefield, Ed.D. Superintendent of Schools

AUBURN VILLAGE SCHOOL PRINCIPAL'S REPORT 2014-2015

The 2014-2015 school year began on Monday, August 25th, with an enrollment of approximately 568 students in thirty classrooms from grades k-8. After 25 years, Sue Gannon retired as our middle school guidance counselor. We sadly lost our maintenance director, James Pantane, due to a long illness; however, we welcomed Scott Dube as our new facility director.

Lori Collins and Michel O'Rourke completed their first year as an administrative team with great success. The school theme was "Be Kind". The culture of Auburn Village School is a reflection of students and staff helping others, being respectful and making positive choices at school and in their community.

The school unveiled their new website that enables the community to access information through a very user-friendly web interface. We have also added information to a school Facebook page and Twitter account to increase communication.

The school and community worked together to rewrite our Emergency Management Plan. The Auburn Police and Fire Departments met with school administration and teachers monthly to fulfill recommendations made by the NH Homeland Security and to revise evacuation procedures and Incident Command processes. The majority of our staff successfully passed the NIMS IS-100 and IS-700 courses offered online by FEMA.

The Firefighter's Challenge took place on October 9th and provided a way for the Auburn Fire Department to interact with students while teaching them the importance of fire safety, physical fitness, and teamwork. All 5th and 6th graders took part in this compelling event. The winner of the 6th Annual Firefighter's Challenge was Mrs. Doar's 5th grade class. The winners of the obstacle race were Aliana Carbone and Declan Conroy. Both of these runners timed in under a minute for a challenging obstacle course filled with typical firefighter duties.

Despite the cloudy skies, Mrs. Smith's annual 7th Grade Astronomy Night on October 30th was a great success. Ten members of the New Hampshire Astronomical Society came out to share their knowledge and expertise with the seventh graders, parents, and siblings that attended the event. Although the clouds kept most of the night sky from view, with patience we were able to get a good view of the circumpolar constellations, the first quarter moon, and several star clusters and galaxies. A big thank you goes out to the NHAS members, the enthusiastic students and parents, and the volunteers that helped to make the night possible.

On November 19th, 200 AVS 3rd, 4th and 5th graders attended the Monarch's game at the Verizon Center in Manchester. All of the students used their official workbooks to write an account of the game events and edited their stories when they returned to school. Many of the teachers submitted these pieces in a Monarch's contest for the best-submitted game summary. Winning contestants will have their work featured on manchestermonarchs.com.

Our collaboration with the Auburn Historical Society was a great success with 72 students, and the entire 5th grade, participating in the poetry contest. Plans for next year include marking February as Auburn History Month at AVS with a traveling exhibit in the library and an Auburn Trivia Contest.

Reading support was offered to students in all grade levels. Mrs. McDaniel, Elementary Reading Specialist, supervised and provided support for students in grades K-4. While Mrs. Widdison provided reading support for students in grades 5 through 8. The two reading specialists also chaired the Student Assist Teams and served on the Language Arts Curriculum Committees at their respective levels.

All our athletic teams had impressive seasons; however, our girls' basketball team had a winning season and won the Division 4 championship.

Auburn Village School qualified for limited Title I funding for the 2014-2015 school year. These funds were used to partially fund the salary of the remedial math teacher. Math support is provided to selected students in grades 2-6. Qualification standards for services are determined by Title I grant requirements.

The Maintenance Department, under the direction of Scott Dube, worked diligently to provide a safe and clean learning environment for our students. The focus this year was replacing the original boiler and new hot water circulating pumps. There were numerous maintenance activities done such as fire sprinkler system improvements, painting, and office carpet replacement.

Auburn School District used two assessment programs to monitor students' progress and plan accordingly. The primary students in grades K-5 were assessed in early reading skills a minimum of three times per year using Dynamic Indicators of Basic Early Literacy Skills (DIBELS). Students in grades 1-8 were assessed in the fall and spring using Measures of Academic Progress (MAP) testing from Northwest Evaluation Association (NWEA). The students were tested individually through the use of computers in the areas of reading and math. The Smarter Balanced Assessment replaced the NECAP assessment in mathematics and English language arts and was administered during the spring of 2015.

The unified arts staff and other staff members worked with our 8th grade students in putting on a production of the musical *Honk, Jr.* to their peers, parents, and members of the greater Auburn community. Some students readied props, lights, and sound, while others sang, acted, and danced on stage. No matter what his or her role in this production, each student helped to make this a successful event.

Students in the 6th grade attended Camp MiTeNa for three days as a year ending culminating activity. Located in Alton, New Hampshire on Half Moon Lake, Camp MiTeNa provides students with activities including swimming, canoeing, kayaking, fishing, hiking, rope courses, zip lining, wall climbing, inline skating, archery, and much more. Students had the opportunity to participate in our Flower Power fundraiser to help defray the cost of the trip. We are also grateful for a number of full scholarships donated to us from staff members, parents, PTA, and Jack's Driving School.

Our Homework Club continues to provide homework assistance to our middle school students after school three days a week. Two staff members provide academic support and organizational assistance to participating students. We have initiated a partnership with Pinkerton Academy who sends two or three students to our Homework Club to offer additional assistance to our students. This has turned out to be a rewarding experience for all involved.

Our PTA continues to serve our school community in multiple ways. A fundraiser and membership drive was held in the fall. Monster Mash was held in late October and was well attended by many of the Auburn community. The Holiday Gift Shop occurred in December and the Reflections program, a celebration of student art based on yearly themes, took place in January. The PTA hosted three Book Fairs in September, December and May. They also hosted other events including an Ice Cream Social during our September Open House, and an incredibly well attended Bingo night in March. The PTA helped our student body tremendously by making a large donation towards our Camp MiTeNa activity. This year we were fortunate to have the PTA sponsor two visits from Children's Stage Adventures. In the fall, Children's Stage Adventures worked with our elementary students in a production of *The Sword Called Excalibur*. During the spring, Children's Stage Adventures was back to work with our middle school and kindergarteners in putting on a production of *Oliver Twist*.

All grade levels participated in the garden and an Earth Day celebration was attended by all elementary students and hosted, in part, by the middle schoolers who created recycled games and did face and rock painting with the elementary students. We were happy to have a visit from some baby chicks who were held and petted by many of our students.

In June, we held our Middle School Awards Assembly to recognize positive accomplishments of our middle school students in academics and beyond. The entire middle school gathered to acknowledge and

celebrate each other's achievements during the year. Awards were presented for academic excellence in all content areas.

Dollars for Scholars has been awarding scholarships to Auburn youth for twenty-eight years. This year's scholarships were awarded at a simple ceremony in June. Congratulations to our scholars!

On June 18^{th,} we held our graduation ceremony for 69 eighth grade students. As always, graduation was a time of celebration and reflection. This is our third class to attend Pinkerton Academy.

The school year closed on June 19th, but the educational process has no end. It is a collaborative effort between the school, home and the community at large. We greatly appreciate all the support we receive from all members of the Auburn community.

Respectfully Submitted,

Lori Collins Principal

SPECIAL EDUCATION DIRECTOR'S REPORT 2014 – 2015

During the 2014-2015 school year, the Auburn School District provided special education and educationally-related services to over 130 students between the ages of 3-21. These students have been identified through a comprehensive referral and evaluation process, and classified in one or more of the 14 areas of disability, as defined in state and federal regulations. The services provided by the Auburn School District are individually determined by a team of people, including parents, and are designed to ensure that each child's educational needs are met within the least restrictive environment, to the greatest extent that is possible and appropriate. The Auburn Village School also implements RTI – Response to Intervention – which also works to provide services to children in a less restrictive environment.

A full range of special education and educationally-related services are available to Auburn students through our community-based preschool program, the K-8 Auburn Village School, and Pinkerton Academy. These services are described in the Auburn Special Education Policy and Procedure Manual located in the Auburn Village School Principal's Office, Special Education Office, and the Office of the Superintendent of Schools. Through our local Child Find Program, referrals for students between the ages of birth and 21 who are suspected of having an educational disability can be made at any time by contacting the Director of Student Services, Principal, or Superintendent. A Child Find Screening Clinic is held once a year and is advertised through the local media.

A continuum of educational environments is available for students identified with special needs between the ages of 3 and 21 to ensure access to the general curriculum. Opportunities for students include full or part-time participation in regular classrooms with consultation, accommodations or modifications, and/or special education instruction; small group or individual support within a resource setting and, in some instances, placements outside the local public schools. Numerous educationally-related services are also available, again, based upon students' individualized education programs. Related services include physical therapy, occupational therapy, speech-language therapy, counseling, and behavior management.

The Auburn School District annually receives federal special education funds. Project applications are submitted to the NH Department of Education for approval and funding. During the past school year, this entitlement money was used to support programming for students. A special education teacher, instructional aides, and occupational therapist were hired to provide direct services to students. The last couple of years have seen an increase in the number of students with more involved disabilities. The district contracted with consultants in the following support areas: positive behavioral interventions, a teacher of the deaf, a teacher of the visually impaired, programming for students with autism, multiply handicapped students, and high school transitions.

This year, federal funds were also used to provide support in programming for our youngest students - in preschool, and to monitor their growth and development, also. We have used the federal funds for contracted evaluators, to enable us to complete all initial evaluations within the regulatory 45 days. Ongoing efforts are in place to help schools meet performance targets for students with disabilities. Activities focused on reviewing and adjusting our reading and math instruction to be more in line with current standards, providing training for our paraprofessionals, behavioral interventions, and programming for students with autism spectrum disorder have been priorities. We also purchased an online reading support program for elementary students. Faculty and staff are currently working on making the transition to promoting more upper level thinking skills, and students persevering with their thinking, and the newer Smarter Balanced Assessment.

On August 30, 1999, New Hampshire RSA32:11-a became effective. This law requires that each school district provide in its annual report an accounting of actual expenditures for special education programs and services for the previous two fiscal years, including offsetting revenues. This information is included in the Special Education Expenditure section of the School District Report.

Thanks are extended to the Auburn community for their efforts on behalf of all students and for their continued support of our students with educational disabilities.

Respectfully submitted, Anne McSweeney, Director of Student Services

HEALTH OFFICE REPORT 2014-2015

To the Superintendent of Schools, Principal, School Board and Citizens of Auburn:

It is the end of a busy school year once again! Through the Health Office I have:

- ♦ Continued to offer yearly CPR classes to staff and now have approximately 30% of the staff certified. Dave Walters of the Auburn Fire Department volunteered his time to teach the class to our staff. Thank you!
- Maintain the school's Automatic External Defibrillator (AED), and updated policy and protocol regarding its use
- ◆ Taught health related issues in various classrooms and puberty education in 5th grade
- Provided clinical rotation experience in pediatrics for Saint Anselm's nursing students
- Served as Chairperson for the School Wellness Committee whose activities included
 - P.A.C.K. (Pack Assorted Colors for Kids) Week for all students to encourage eating more fruits and vegetables.
 - Continued development and use of a school garden that has been used as part of the educational curriculum
 - Participated in our school's Earth Day Celebration. The celebration was arranged by our garden committee. I made and served fruit and vegetable smoothies to students grades K-5
- Served on the Emergency Management Committee
- Served as the liaison for employee health benefits and coordinator for our employee health challenge
- Developed 504 plans as needed for appropriate students
- Attend special education student meetings as needed and implement Individual Health Care Plans for students with chronic health conditions or allergies
- Monitor immunization status of students, addressing noncompliance as needed
- Organized and carried out ski/bike helmet ordering program
- ♦ Attend overnight camp at Camp Mi-Te-Na with 6th grade
- Served as ski program chaperone for elementary program January-February
- Monitored height and weight of students and screened students at various grade levels for vision or hearing issues and scoliosis
- Developed bimonthly health educational bulletin board located outside the Health Office
- Provided diagnosis and referral for acute health care problems, first aid, monitoring of chronic health care conditions, and counseling to over 650 students and staff as needed

Thank you to all school staff, parents, and students and have a healthy coming year!

Ellen Warecki MS, APRN

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board Auburn School District Auburn, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and aggregate remaining fund information of the Auburn School District as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and aggregate remaining fund information of the Auburn School District as of June 30, 2014, and the respective changes in financial position and the respective budgetary comparison for the general, food service, and grants funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information - Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (pages 3 through 10) and the Schedule of Funding Progress for Other Postemployment Benefit Plan (page 33) be presented to supplement the basic financial statements. Such information, although

Auburn School District Independent Auditor's Report

not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers them to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Auburn School District's basic financial statements. The individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Pladzik & Sanderson Professional Association

March 13, 2015

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

• Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

Read the full statute at <u>RSA 674:39-aa Restoration of Involuntarily</u> <u>Merged Lots.</u>
