News from the Auburn Town Hall

Looking Forward to 2017

As we look forward to the coming year and beyond, the Board of Selectmen was able to take some time in December and participate in a facilitated workshop meeting intent on identifying goals the Board of Selectmen had for the Town during the coming year.

During the workshop meeting, the Board was challenged in a positive way to identify what they felt was working well in Auburn, and then focus on areas they felt needed improvements.

In the not too distant future, the Board will have a formal document detailing their thoughts and discussions from this goal setting which will be shared with department heads, boards and committees, and the public as a whole.

But in advance, we are pleased to indicate in general what the four main goals our Board identified for our collective efforts in 2017.

- Focus on potential economic development efforts to bring either water and/or sewer service to areas on By-Pass 28 and/or the Wellington Business Park off Rockingham Road.
- Infrastructure improvements including potential garage & storage building on the Safety Complex property and improved storage capacity for salt storage at the Highway Department.
- Focus on the implementation of recommendations from the Operational Reviews and Risk Analysis of the Fire and Police Departments, and to have a similar review conducted of general Town Hall operations. The Town Hall review will include a focus on overall staffing and a look at Town building and property maintenance functions and responsibilities.
- Review all property owned by the Town to enable the Board to consider the Town's property holdings and make decisions as to whether continued ownership of the individual properties made sense for the Town.

As we head towards 2017, we are optimistic that these are goals that can be worked on an achieved or at least moved forward during the next 12 months.

Breakfast With Santa

On Saturday, December 10th Santa greeted over 100 children, their parents and volunteers at the annual Friends of the Griffin Free Public Library Santa Breakfast Fundraiser. Since there was no snow yet, Santa left his sleigh and reindeer at the North Pole and arrived atop a fire truck driven by Auburn's dedicated firemen.

While feasting on pancakes and sausages everyone listened to Christmas music from the Auburn Village School chorus led by Ms. Crissy Ouellette and the band led by Mr. Matt Szopa. The music was enjoyed by all, we have some very talented students at AVS!

The Friends would like to thank all who helped make this a wonderful morning.... The staff and students at AVS, the Fire Department, Gary Poulin, Lynne Howard, Frank Hanscomb, Roland Davis, Dave Sylvia, Bill Calder, Lori Miles, and most importantly, our special guest, Santa, who came all the way from the North Pole to be with us.

The Friends look forward to hosting this breakfast every year. The proceeds have supplied the many museum passes available at the library, as well as Humanities programs, Ancestry, and a telescope. If you are able to help in any way please join us for one of our meetings on the first Monday of every month at the Library at 7:00 PM.

LONGMEADOW SERVES!

Longmeadow Congregational Church, United Church of Christ sends to all of our Auburn neighbors best wishes for joy in this New Year. We invite you to join us in worship at 4 Wilson's Crossing Road in Auburn as together we worship the God who is Still Speaking. We come together for worship on Sunday mornings at 9:30 with Christian Education for children and child care available at the same time.

December was a very busy time for us and we thank all of our friends in town who supported our Snowflake Fair and joined us in worship at Christmas time. As we enter the new year, we do so with thanksgiving for all God has done for us and bright hope for all that God holds in store for our future together.

With the arrival of the New Year, the young people of our Christian Education program, which is active throughout the school year, look forward to one of our annual outreach projects. Learning to be God's hands in the world is a major objective of our program and so we organize opportunities for our children to learn the joy of working together to serve. This month the young people will be planning for our annual participation in the ***Souper Bowl of Caring***, gathering together to make soup and raise money for local food pantries.

We love working with the local Boy and Girl Scout troops and our Christian Education curriculum this year fulfills the requirements for the "God and Me" religious emblems for both organizations. We look forward to celebrating Boy Scout Sunday in February with Troop 127 who meet at the church, along with other Scouts in our church family. March will bring our celebration of Girl Scout Sunday.

Café Church: Have you been away from church... or have never been to church... but find yourself seeking? Then Café Church may be for you. Once a month (this month it will be **Monday, January 16th**) we will gather in the Fellowship Hall of the church at 6:00 for a light meal and time of interactive worship. No reservations are required, come as you are.

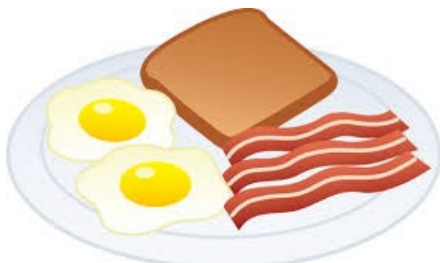

Community Office Hours: Pastor Ruth holds office hours out in the community on Wednesdays from 11-1:00, and is available to speak with anyone during that time. In January, she will be at Turnpike Pizza. The location may change throughout the year, please see our Facebook page for location or call the church office.

We of the Longmeadow Congregational Church, UCC wish to all our brothers and sisters in Auburn a very Happy New Year. In the United Church of Christ, *we seek to "Be the Church"* in the world. If you are looking for a church home, please join us. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907. Friend us on Facebook <https://www.facebook.com/groups/Longmeadow/>

Longmeadow Church Breakfast

Start the New Year with breakfast at Longmeadow Church. They are on **January 7th and 21st** from **6:30 - 10:00 am**. The breakfasts are the 1st and 3rd Saturdays of each month at Longmeadow Congregational Church, 4 Wilson's Crossing Rd. Where else can you meet your old friends, catch up on town gossip and enjoy an "all you can eat breakfast", of French toast, English muffins, eggs your way, pancakes, sausage, bacon, home fries, homemade beans and muffins, and beverages for a donation of \$6 for adults, \$3 for children 6-12 and under 5 free?

We look forward to seeing you in the new year - wishing you and yours a very **Happy New Year!**

School News

Please join the AVS Renovation & Addition public informational session on January 19th @6:30. We will be discussing renovation goals, plans, and projected costs. Free babysitting and building tours provided. Check out FIXAVS.com for more information.

Massabesic Seniors News

To all our senior friends...the Massabesic Seniors are going to be meeting at the Longmeadow Church starting on January 5, 2017. Our meetings are at 1:00 PM every Thursday. Make it your New Year's resolution to join us.

In December we decorated mini Christmas trees to bring to our members who are unable to come to our regular meetings.

We also celebrated the season with our annual Christmas Party. This year we went to the Manchester Buffet. Eighteen members and friends enjoyed the great food and an enthusiastic Yankee Swap was held. Everyone went home with a gift and a gingerbread man baked and decorated by Paul and Lyn Therrien.

Hope to see you at a meeting in 2017!

St. Peter Roman Catholic Church

Fr. Michael Gendron, Pastor

567 Manchester Rd.

603-623-5429

Mass Schedule:

Sat – 4:00 pm

Sun – 8:00 am & 10:30 am

Mon, Tues, Wed, Fri – 7:00 am

Bible Study – The Gospel of Matthew: The next 4-week session begins January 23 at 6:30 pm in the Church hall. See our website or contact the parish office for more details.

Youth Group Grades 5-8: Friday, January 13, 6-8 pm. Register on our website (stpeteraub@comcast.net).

Youth Group Grades 9-12: Thursday, January 19, 7-8:30 pm. Register on our website (stpeteraub@comcast.net).

Sock Drive: The St. Peter Parish Women's Guild will hold their annual Sock Drive on the last three weekends in January. Collection baskets will be located at the entrances to the church. The socks they collect will be donated to New Horizons, Liberty House, and Angie's Place.

Interested in learning more about the Catholic Church? The Rite of Christian Initiation of Adults (RCIA) is a ministry to adults who are interested in learning more about the Catholic faith, and growing in their relationship with God. If you have never been baptized, have been baptized in another Christian tradition, or were baptized Catholic but have not received the sacraments of First Eucharist and/or Confirmation, and are interested in learning more about the Catholic faith, please contact Jake Linxweiler, Director of RCIA at 483-5571, or the parish office at stpeteraub@comcast.net.

PARKS & RECREATION ADMINISTRATIVE ASSISTANT

The Town of Auburn, NH is seeking a part-time "hands on" administrative assistant for the Parks & Recreation Commission. The position is responsible for coordinating and organizing various events and programs offer by the Commission; manage the parks and recreation budget and finances; co-ordinating schedules for the use of various parks and recreation properties; performing administrative and clerical duties in support of the Commission, including taking minutes at their monthly meetings; plan, schedule and organizing two Senior Citizen recreation trips per year; maintain and update the Parks & Recreation web pages; writes monthly article for Auburn Village Crier; prepares annual reports, and other similar duties. The position is planned for 15 - 20 hours per week with of-ice hours to be scheduled on two or three days, with the balance attending evening meetings or events. The ideal candidate shall have a strong customer service orientation, be able to multi-task and coordinate between volunteers, officials and the public, and have a minimum of three years of experience, preferably in a municipal setting. Submit cover letter and resume to: William Herman, Town Administrator, PO Box 309, Auburn, NH 03032, by the end of business January 9, 2017. EEO

December 14, 2016

AUBURN HISTORICAL ASSOCIATION

1911 – Deerneck Bridge Tragedy

By Dan Carpenter – President

Winter brings ice but ice on a reservoir can be dangerous. The Manchester Water Works pumps water out of Lake Massabesic's back pond (West of Londonderry Turnpike) to supply water to the City of Manchester. The water flows from the front pond, under Deerneck bridge to the pumping station. In the winter, this flowing current creates thin ice, the surface appears to be safe but it can be dangerous!

Partial article recounting the tragedy - Manchester Library (no headline or date)

".....able to grasp the bundle and there horror was complete at finding it to be the body of a man frozen fast to the ice. By great effort they tore him loose and dragged him to safety, and reviving him, carried him to the home of William McPherson, where he was warmed and given dry clothing. When able to talk he gave the particulars of the accident and word was immediately sent to the authorities, who at once began a search for the bodies of the two missing men."

"Faust could tell nothing of the cause of the accident...but he did tell of his struggles in the water, his attempt to grasp one of his companions, and his battle for life amid the breaking ice. When he pulled himself to safety he was completely exhausted and numbed by the cold. His wet clothing was frozen fast to the ice and had his rescuers not reached him when they did, it is probable that HE WOULD HAVE FROZEN TO DEATH as he was too far gone to be able to move..."

This spot is one of the most treacherous in the lake – in addition to being one of the deepest, being about 30 feet deep, it is the last to freeze over. When other portions of the lake are perfectly safe this stretch has to be negotiated with extreme caution.

The Other Two Companions – the current sweeps toward the back pond and unless the progress of the other two bodies is stopped by some obstacle, they have probably been swept along with the current and the chances for recovery before spring is very slight. It would be almost impossible to find them under the ice, although the Auburn authorities will use every means in their power to locate them...."

The reporter informed Mrs. Hatch, mother of a two year old, of her loss - her husband, Arthur E. Hatch, age 26, and her brother, William H. Whidden, age 29, both had drowned in Lake Massabesic.

AUBURN TOWN REPORT – 1911

..."Paid to TF Dodge - \$13 for sundry persons to recover two bodies drowned in Lake Massabesic."

CMC

CATHOLIC MEDICAL CENTER

Winter Back Safety Tips.

Brought to you by CMC Outpatient Physical Therapy

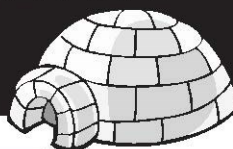

It's that time of year again. Soon the flakes will start falling and the sounds of shovels scraping the ground will fill the air. Shoveling is hard work and can put a significant strain on your muscles, spine and heart. According to the US Consumer Products Safety Commission there were over 200,000 visits to emergency rooms, doctor's offices and urgent care clinics in 2014 due to shoveling related injuries.

Here are some tips to prevent snow removal injuries:

- Warm-up before shoveling: 5-10 minutes of light aerobic exercise and gentle stretching can help to reduce muscle injuries.
- Use proper mechanics: Use the stronger muscles of the legs to lift snow. Keep your back straight and abdominal muscles tight. Avoid twisting your back by dumping snow directly in front versus over your shoulder. Push rather than carry snow whenever you can. Keep the weight of the shovel as close to you as possible.
- Use the right equipment: Have a variety of shovels for different types of snow. Ergonomic shovels have an "S" shape that reduces the amount your back has to bend. Make sure your boots have solid traction on ice. Gloves with rubberized palms help prevent the shovel from twisting as you lift.
- Make sure you're healthy enough to shovel: A recent injury or health issue may limit your ability to participate in a vigorous task like shoveling. Speak with your doctor if you are unsure. Have a back-up plan in case you are not able to shovel.
- Pace yourself: Take frequent breaks. Take smaller scoops to avoid overloading your spine. Stay hydrated.

If you are experiencing back pain, consider contacting your medical provider for a referral to CMC's Outpatient Physical Therapy. We have 3 convenient locations in Hooksett (603-314-5972), Manchester (603-641-6700) and Bedford (603-314-4560).

Cub Scouts Pack 127

by Jocelyn Malenchini

Happy New Year! Auburn's Cub Scouts wish you all a 2017 filled with trust, loyalty, helpfulness, friendliness, courtesy, kindness, obedience, cheer, thrift, bravery, cleanliness and reverence.*

Our Arrow of Light dens have been very busy over the past month. From Den 2, the Dragon patrol, den leader Jim Butts reports: Tommy Lacroix has been working with his Lego robotics team, and going hunting. Luke Melendy has been working on his Aware and Care elective and his Adventures in Science elective. He'll be working with a scientist and talking to someone that works with the disabled to learn more about their respective jobs. He also went onstage at a Trans Siberian Orchestra concert. The den also went to see the movie Moana.

Den 7, the Eagle patrol, has been working steadily on its Arrow of Light requirements. For the Aware and Care elective they've tried such things as playing wiffle ball while wearing ear plugs to experience what it might be like to have a hearing impairment, or trying to tie their shoes while wearing bulky gloves to simulate dexterity impairment. In addition, they have recently placed a box at the Griffin Free Library for battery recycling. Over the next few months they will be collecting spent batteries, size D or smaller, and delivering them for recycling on a weekly basis. Look for the box on top of the low bookshelf as you enter the library.

Other dens, Lion through Webelos, have been working steadily on their respective badges. We wish all the Scouts our best as they complete their requirements and enjoy the season.

Upcoming Cub Scout events include:

January 15, Sunday

Snowflake Shuffle water stop

January 20, Friday, 7-8 PM

Pack Meeting, AVS Gym

For more information on joining Auburn's Cub Scouts, please contact:

staceymelendy@gmail.com

*Scout Law: "A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent."

Parks and Recreation

January 2017

Hello everyone! Once more we turn the page to yet another year! We make resolutions, promises to ourselves, and clear the slate for a better year than the one that has passed. And so it is for all of us at your Parks and Recreation Department. We hope all of you had a good 2016' and find yourselves a little better off, a little more fortunate and more blessed going into 2017'. I know I am! Thanks to all of you that made 2016' the great success it was. From the town event at Wayne Eddows, to the concert series at Circle of Fun, to the senior barbecues and dinners and their senior trips, to the field usage and scheduling of same with several different athletic organizations, to the regular maintenance of all our parks, fields and facilities. Thank you for all your cooperation and help.

The only thing we have on the agenda for January is the use of the skating rinks that were repaired over the summer. Hopefully Mother Nature cooperates so we can use them more than last year. We will be having the winter fest on Saturday, 2/11/17'. There will be a DJ, open skating, events for the kids, a sliding hill (if we get enough snow, and thanks to Mike Dross and his crew) and several other fun things to make the day entertaining. That day we will also have the annual tree burning thanks to our wonderful Fire Department. It should keep everyone nice and warm. We hope to see all of you there and more details for the event will be in the February Crier.

Good luck with all your resolutions, anyone who knows me can guess what mine is!
Mike Dobmeier, Interim Secretary, Auburn Parks and Recreation Dept.

POLICE NEWS

Hello Auburn Residents,

Each month I sit down to write an article from the police department for the Crier. I try to keep it relevant, informative, and a connection to what is happening with the police department. Sometimes I struggle trying to find a topic. Tonight, is not one of those nights. There are not enough pages in the Crier to hold all I wish I could say in more detail, so I will keep it brief. And while I try to focus on the police department, this month I want to focus on each of you, the residents of Auburn, the community, and the organizations within this community.

Once again, I am humbled and blown away by the response of the Auburn Safety Complex Giving Tree. I came home after our Wrap Up Giving Tree Party, reflecting on all that you have done for members of the community over the last seven weeks. More than once I stepped out of the Safety Complex because I felt myself beginning to be overcome with emotions. I, too, live in a small town, and I love my small-town community. But they can't hold a candle to this community.

To the children of Auburn, you have amazed us with your generosity and we are thankful for all you have done to help us.

All the items have been successfully delivered to the families here in Auburn. With each delivery, the families were forever grateful for the assistance, and we wanted to pass that thanks along to each of you. Because of the overwhelming generosity of the residents, we can say with confidence that the residents and children of Auburn will have a magical and happy Christmas.

From the men and woman of the Safety Complex, thank you. We hope that everyone had safe and happy holidays.

JANUARY HAPPENINGS AT NHA MASSABESIC CENTER

Winter Tracking Series - Mysteries of the Forest:

Tracking NH's Animals (without snowshoes)

Saturday, January 14, 10-11:30 am Cost: Individuals \$7 M/\$9 NM; Families \$15 M/\$20 NM

Leader: Angie Krysiak, Program Director

The art of tracking is like learning to solve a mystery. Who left these prints? What were they doing?

Where were they going? Join us as we learn the basics of tracking some of NH's common winter animals. We'll put our new knowledge to the test with a walk to see what tracks and sign we can find. Suitable for any age. Dress to be outside.

Note: this program does NOT include the use of snowshoes.

Coastal Birding at Hampton Beach State Park with JoAnn O'Shaughnessy

Wednesday, Jan 18, 9am-2:30pm Cost: \$6 M/\$9 NM per trip

Enjoy looking for coastal bird with avid birder JoAnn O'Shaughnessy. Meet at the Hampton Beach State Park parking lot at 9 and carpool from there to coastal hot spots. Pre-registration is required as the meeting spot may change due to tides and bird activity. Call Joann at (603) 494-4209 to register. Adults only, please.

Nature Café Friday, Jan. 20th 7-8:30— Bird Friendly Buildings with Laura Demming

Cost: \$5 per person, Free for Massabesic Volunteers
Birds can't see glass and every year in the United States, hundreds of millions of birds die by colliding head-on with windows, doors, bus shelters, noise barriers, and other structures. Most deaths are from the millions of homes, schools, and other smaller buildings across the landscape. The good news is that there are solutions! Come learn about Bird-friendly Buildings and how you can make your home safer for birds.

Winter Shelter Building Workshop

Saturday, January 21, 1-3pm Cost: Individuals \$7 M/\$9 NM; Families \$15 M/\$20 NM

Jake King of Thrive Outdoors will go over tips and tricks to building your own winter shelter, then you'll go outside and build one! All ages welcome. Dress to be outside and playing in the snow.

ART EXHIBIT - The Whole Flock Through January 27

Artists from "The Art Group" and "Don's Carving Studio" collaborated on this exhibition of bird carvings and paintings in oils, pastels, and watercolors. These artists has been working together for over twenty years and are showcasing exceptional works!

Winter Tracking Series - Mysteries of the Forest: Tracking NH's Animals (WITH snowshoes)

Saturday, January 28, 10-noon Leader: Dorise Alexander, NHA naturalist

Cost: Individuals \$10 M/\$15 NM, Families \$25 M/\$35 NM (includes snowshoe rental)

Start with our naturalist for an indoor introduction to the art of tracking animals-learn about prints, scat, and other sign of a variety of NH's winter mammals. We'll also touch on the history and types of snowshoes, then put on a pair and head outside to look for animal signs. All ages welcome but snowshoes for children under 8 are limited. Dress to be outside.

Note: this program DOES include the use of snowshoes as part of the program.

Next Page...

Continued...

PRE-SCHOOL/HOMESCHOOL

Wednesdays, 10-11:30 Cost: \$12 M / \$15 NM (per child/parent pair)

Parents are required to stay and encouraged to participate. Please dress to be outside and wear appropriate footwear. Pre-registration required for all classes.

Call us at 668-2045 or visit <http://www.nhaudubon.org/learn/> to register online. Classes continue into June-check our website for listings!

Wee Wonders (ages 4-6) Led by Kim Murphy

Jan 18 Weathering Winter: Discover the changing seasons through hands-on activities, songs, crafts, stories, and outdoor discovery! Today's New England winters may be cold, or mild snowy or bare. But there is one thing you can always count on: they are always unpredictable! Come and learn about some of the winter weather we may see in our state, and how it happens. Be prepared to go outside, as we will want to experience it first hand!!

Junior Explorers (ages 7-12) led by Kelly Dwyer

Jan 18 Phenology Focus: Biodiversity Connections. Students will discover the interconnectedness of NH's biomes, habitats and ecosystems through the lens of phenology. We head outside for an assessment of MAC's winter biodiversity! Phenology is the study of cyclic and seasonal natural phenomena, especially in relation to climate and plant and animal life. Join us as we explore natural history topics and the effects of seasonal weather trends on our various plants and animal systems.

Snowshoe Rentals!

Tuesday through Saturday between 9 am and 2 pm

Cost: \$8 M / \$10 NM dollars per pair

Enjoy nature in winter at the Massabesic Audubon Center as you trek the trails on snowshoes! Snowshoes for use on-site and only if there is at least 6" of snow cover. Limited pairs available for little children. Call to reserve if bringing a large party.

Please send all articles in a word document, e-mail attachment to: townhall@townofauburnnh.com 603-483-2281 Ext. 106

Auburn Village Crier
c/o Patricia Rousseau
PO Box 146
Auburn, NH 03032

EDITORIAL POLICY

The AUBURN VILLAGE CRIER is a monthly newsletter (11 issues/year) published by the Town of Auburn. It is intended to serve the community by providing information of interest to Auburn residents. As a monthly publication, the newsletter is not a forum to air opinions as it is not able to provide equal time standards. With a diversity of views and opinions among the residents of the Town, it is the policy of the AUBURN VILLAGE CRIER not to publish editorials or letters to the editor that advocate any political or policy viewpoint.
