News from the Auburn Town Hall

Board of Selectmen Organization

At the first Board meeting following the March elections, the Board of Selectmen re-elected Jim Headd to serve as Selectmen Chairman, while Rick Eaton was re-elected as Vice Chairman.

The Board also delegated its ex-officio committee assignments by including Jim Headd as the Selectmen's representative to the Budget Committee and to the Parks & Recreation Commission. Rick Eaton will continue to serve as the Selectmen's representative to the Highway Safety Committee, while Dale Phillips will serve as the Selectmen's representative to the Planning Board.

Town Boards and Committees

As a new year gets underway after Town Meeting and elections, a number of Auburn residents have been appointed by the Board of Selectmen to positions on various town boards and committees.

Reappointed to the Highway Safety Committee for one year terms were Dan Carpenter, Mike DiPietro and Eva Komaridis, while Lisa Canavan and Patrick Kelly were re-appointed to three-year terms on the Parks and Recreation Commission.

Michael DiPietro and Kevin Stuart were re-appointed to three-year terms on the Zoning Board of Adjustment (ZBA), while Sharon Bluhm and Jean Worster were re-appointed to one-year terms as Library Trustee Alternates.

Jeffrey Porter and Edward Fehrenbach were re-appointed to three year terms on the Conservation Commission.

Patricia Rousseau was confirmed for re-appointment as both Deputy Town Clerk and Deputy Tax Collector, while Linda Dross was confirmed for re-appointment as Deputy Town Treasurer.

Thank You!

Alex Eisman tendered his resignation as a member of the Parks and Recreation Commission after many years of service. Currently serving as the Vice Chairman of the Commission, Alex leaves some big shoes to be filled in the months ahead.

Operational Review to Get Underway

With the approval of the FY 2017 operating budget, the Town has initiated a contract for an operational review and risk analysis of the Auburn Town Hall functions intended to highlight what is working well and identify what might be improved. The Board of Selectmen agreed to contract with Municipal Resources, Inc., of Meredith for this effort.

The Board had approved two similar efforts in 2016 for operational reviews and risk analysis of the Auburn Fire Department and the Auburn Police Department. The Police Department review was completed at the end of July, while the Fire Department review was completed in October 2016.

The review of the Town Hall operations is expected to commence in May and would likely be completed by July or August.

Shred Day will be held on May 13th

Don't forget. The Town of Auburn will again be sponsoring a paper shredding event for any resident who has documents they wish to have shredded and discarded.

The event will be held on Saturday, May 13th from 9 AM until Noon in the parking lot of the Town Hall. It is free of charge to Auburn residents.

FRIENDS OF LIBRARY TO CREATE AUBURN COOKBOOK

The Friends of the Griffin Free Public Library are creating a custom cookbook featuring favorite recipes from great cooks in Auburn. These cookbooks will be professionally published and are sure to be a treasured keepsake for us all. Money raised will be used by the Friends to support the Library's programs.

We are inviting Auburn residents and people who work in Auburn to submit up to four of your favorite recipes in one of the various categories; appetizers, beverages, soups, main dishes and more. Many recipes from a variety of residents will ensure that our cookbook is a success. We are using Morris Press Cookbook's web site to easily submit recipes online. For those who prefer to submit a hard-copy, you can pick up the submission form at the Library and the committee will be happy to enter it for you.

For further information on how to submit your recipes online, please go to www.griffinfree.com.

When complete, the books will be available for purchase at the Auburn Day celebration and at the Library. You can also pre-purchase them at the Library.

Please submit your recipes either online or in person by May 15 so that we can meet our deadline.

The Griffin Library 19th Annual Book Sale!

Hey, you want to get rid of them and we would love to have them! I am referring to your books, DVD's, audio books, computer software, vinyl records, games, puzzles and radios. It's a win win for all of us. We can take your donations until the week before the sale.

The dates for the Book Sale are Saturday July 29, 8-3pm and Sunday, July 30, 11-3pm

For 19 years this has been a community driven fund raiser. Without the dedication of the many families, organizations & volunteers that help us move, organize, box up and clean up, we could never be so successful. Please note that proceeds from the sale benefit the Griffin Library.

We are looking for volunteers' on Thursday 7/27@ 6pm to move books from the library to AVS. We'll also need people to help with organizing books Thursday evening, and Friday 7/28 at AVS from 6pm until 8pm. On Sunday 7/30 @3pm, we also will need help with clean up at the end of the sale.

The Friends of the Library will also be holding their very popular bake sale and selling yummy popcorn.

Please email fay.frank@comcast if you have any questions or would be interested in signing up to help, or contact the staff at griffin Library.

Boy Scouts Troop 127

By Jonathan Wallin

First off Boy Scout Troop 127 would like to thank the Auburn Community for purchasing Krispy Kreme Doughnuts. The Fundraiser helps the Scouts pay for summer camp which gives the Scouts the opportunity to learn and advance to higher ranks.

On April 8, the Boy Scouts helped the Cub Scouts in the Chuck Wagon Derby. The Scouts help the Cubs by running through a skills course to test the Cub Scout knowledge. This year was the largest derby because it consisted of 24 wagons which is a huge number compared to other races in the Danial Webster Council history. Thank you to all that helped participate to make the derby run smoothly.

Troop 127 meets Monday nights 6:30 at Longmeadow Church. Please visit our website if you are interested in coming to a meeting. <http://auburn127.mytroop.us>

BUILDING SAFETY MONTH **MAY**

INTERNATIONAL CODE COUNCIL

Building Safety Month (BSM), founded by the ICC, is celebrated by jurisdictions worldwide during the month of May.

Building Safety Month is a public awareness campaign to help individuals, families and businesses understand what it takes to create safe and sustainable structures. The campaign reinforces the need for adoption of modern, model building codes, a strong and efficient system of code enforcement and a well-trained, professional workforce to maintain the system.

The campaign is presented by the ICC and its 57,000 members worldwide along with a diverse partnership of professionals from the building construction, design and safety community. Corporations, government agencies, professional associations, nonprofits and more come together to support Building Safety Month because they understand the need for safe and sustainable structures where we live, work and play.

The themes for Building Safety Month 2017 are Week #1 Mentoring the Next Generation of Building Professionals, Week #2 Building Design Solutions for All Ages; Week #3 Managing the Damage – Preparing for Natural Disasters and Week #4 Investing in Technology for Safety, Energy and Water Efficiency.

Your community building department is building permits and a WHOLE lot more. When planning your home improvements be sure to start with a call to the Building Department to guide you with permitting, construction and zoning requirements.

Longmeadow Serves!

Are you looking for a place to worship, a place where you can ask questions, a place where you can make a difference and find a community? Longmeadow Congregational Church, United Church of Christ is at 4 Wilson's Crossing Road in Auburn and invites you join us as together we worship the God who is Still Speaking. We come together for worship on Sunday mornings at 9:30 with Sunday School and child care available at the same time. As we continue through the Spring, we are planning a number of activities and invite you to join us:

Water for Tanzania and Costa Rica: For several years, Longmeadow has been engaged with serving both locally and around the world. Following presentations by a local representative of Engineers Without Borders, who are helping to locate water and dig wells, our Mission Committee felt led to help with these efforts to alleviate the suffering. And so, **at our Community Breakfasts on Saturday, May 7 and 21**, we will be selling "Water for Tanzania and Costa Rica", individual bottles of water for \$2.00 with all proceeds going to Engineers Without Borders to help in drilling wells and providing clean drinking water. Quench your thirst and make a real difference in someone's life!

In May we also begin our annual offering for the **Church World Service Blankets+ program**. CWS provides blankets and tools for rebuilding after major natural disasters. In 2016, CWS distributed over 5,000 blankets in 17 US states alone following floods, hurricanes, tornadoes, etc. In addition, funds raised provided Church World Service with the resources to help people around the world gain the resources and develop the skills necessary to sustain themselves and their families and to build viable communities. A donation of just \$5 provides a blanket to those in need. If you

would like to participate in this outreach, please speak to one of our Mission Committee members at a church breakfast or contact the church office. A receipt for tax purposes can be provided.

As we approach the end of the program year, we look forward to many milestone events. Early in the month we will join with churches all over New Hampshire in delivering School Kits and emergency Personal Hygiene Kits assembled by our Sunday School classes at the Café Church. On May 14th, we will celebrate Mother's Day with the dedication of blankets donated to disaster and emergency workers through Church World Service to make sure that these needed supplies are available when disaster strikes. .

Longmeadow Congregational Church, UCC is a place where you can really make a difference in the world. Through both large and small efforts, our motto of "Longmeadow Serves" guides our life together as we seek to be a light in the world. We provide a spiritual home where all faith questions are honored and respected. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a place to worship, we hope you will join us. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

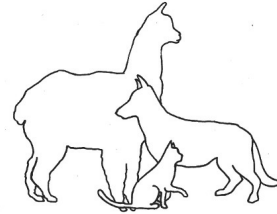

Longmeadow Church Breakfast

Please come to the May breakfasts, the last ones until September, at Longmeadow Church! In **May**, they are on the **6th** and the **20th** from 6:30 - 10:00 am. The breakfasts are the **1st and 3rd Saturdays** of each month from September until May at Longmeadow Congregational Church, 4 Wilson's Crossing Rd. Where else can you meet your old friends, catch up on town gossip and enjoy an "all you can eat breakfast", of French toast, English muffins, eggs your way, pancakes, sausage, bacon, home fries, homemade beans and muffins, and beverages for a donation of \$6 for adults, \$3 for children 6-12 and under 5 free? We look forward to seeing you and your friends in May!

Technical Rescue Gear

Recently the Auburn Firefighters Association donated Six Thousand dollars to complement the equipment already owned by the Fire Department. Technical Rescue represents a low volume high risk incident. The department trains monthly with the Candia Fire Department on these types of events. Each town purchases identical equipment so that in the event of a rescue both town can function as one team. Joint training of this or any type benefits both communities and improves cooperation and relationships between the two departments. In the near future we hope to expand these trainings to include Chester and Deerfield.

Police News

Greeting Auburn Residents...

I think we are safely out of the winter storm zone! We have already had some great weekends. Please keep in mind that with the warm weather, comes a lot of road hazards to be aware of.

Kids playing in the yards, behind every bouncing ball usually comes a running child.
A lot more people taking walks or jogging with or without their pets
Kids waiting for the bus, may be standing outside instead of sitting in a warm car now.
Motorcycles on the roads

The Auburn Fire and Police Departments have been working in conjunction with the school staff creating more efficient evacuation plans. We plan to conduct a drill in the next few weeks. There will be more information as it comes available through the school and our website.

April was Distracted Driver Awareness Month. With grant money awarded to the department from the State of New Hampshire, officers were able to conduct targeted patrols in reference to those violations. While currently the total numbers for the month of April are not in yet, I can tell you that as of the 15th of April officers had conducted over 240 motor vehicles stops and 63 of them were for distracted driver violations.

Lastly, SAVE THE DATE!!!!!! We are so excited that we have been working with the fire department and Parks and Rec on a project for the town. The personnel of the three departments really wanted to create a family event for the town residents to all be able to enjoy, we have pooled our resources together and have created:

Auburn Old Home Day JUNE 3RD 4PM-830PM!!!

Check out the FD and Parks and Rec Articles as well as our flyer in this month's Crier for more details. We have all kinds of things plans, entertainment, demos, games for kids and adults. Food, snacks, and FIREWORKS!!! We just keep adding on to the plans, so feel free to keep an eye out on our Facebook pages for updates through-out the month May!!!!
