News from the Auburn Town Hall

Tax Bills to Come with the Season's Change

For municipal government through New Hampshire, the fall is a busy time of year as budgeting for the next year is in full gear, while the setting of tax rates, the mailing of property tax bills and the preparation to close out financial records for the current year are also underway.

With property tax bills in the mail by the first week of November, it is no longer news to property owners that rates have decreased for the second year in a row.

The 2016 tax rate was set at \$20.25 per thousand by the NH Department of Revenue Administration – a reduction of 46-cents. The tax rate includes four components -- \$4.43 for the town; \$12.26 for the local education; \$2.47 for the state education, and \$1.09 for the county. For comparison purposes, the 2015 total rate of \$20.71 per thousand, was inclusive of \$4.25 for the town; \$12.87 for local education; \$2.49 for state education and \$1.10 for the county.

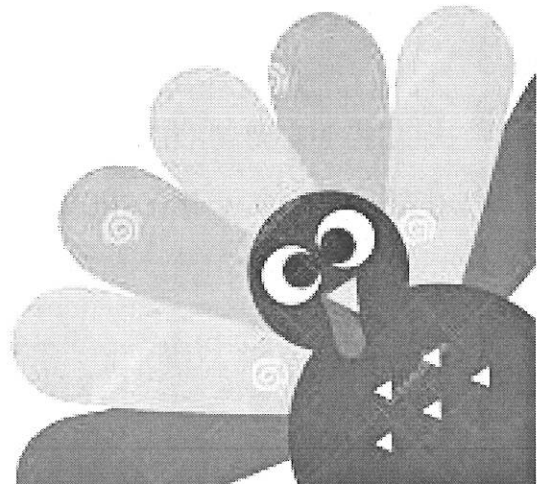

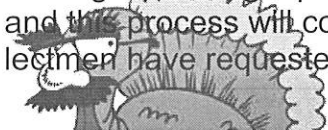

Various budgets and warrant articles approved by local voters last March established total appropriations of \$16,868,927 for the town and school district combined. And the Town's share of the Rockingham County budget adds another \$711,798. Of that total amount, \$13,230,561 needs to be raised by taxes.

In general terms, due to the reduction in the tax rate, the second issue property tax bill was less than the first bill that came out in June. And it will also generally lead to a lower bill next June than the first issue bill of this year.

All Attention Turns to Budget

As the seasons have changed, the leaves have turned color and are falling, and the temperatures are on a downward slide, Town officials have begun work in earnest on the development of the proposed budget for 2017.

Department heads and elected officials have begun presenting their budget proposals to the Board of Selectmen, and this process will continue through November. The Selectmen have requested departments work to level fund or

slightly reduce their budget proposals for the coming year. But that can't always be the case for all functions.

The Budget Committee began its work at the end of October to meet with town officials, review department requests and Selectmen recommendations, and ultimately, present budget recommendations to the voters.

All activity is focused towards the Budget Committee presenting a recommended Town budget at a public hearing to likely be held on Thursday, January 12, 2017, and ultimately at the Deliberative Session of Town Meeting to be held on Saturday, January 28, 2017.

Earlier this year, Town Moderator Jim Tillery had re-appointed Paula Marzloff and Peter Miles to their second terms on the eight-member Budget Committee.

Another Successful E-Waste Collection Event

Hundreds of Auburn residents turned out on September 24th to rid their homes of televisions, computers, radios, microwave ovens, printers, vacuum cleaners, air conditioners and other electronic items at the Town's annual E-Waste Collection event.

Held in the front parking lot of the Auburn Village School, the materials collected completely filled one tractor trailer truck and a portion of a smaller box truck.

Many thanks to AVS Principal Lori Collins and AVS Technology Director Michael Lessard for their assistance and support in hosting this annual activity on the school property.

Salute Our Veterans and Happy Thanksgiving

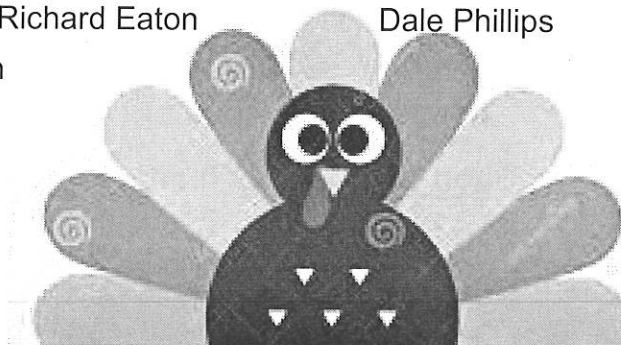

As we head into November, please remember to honor our veterans and say "Thank you for your service" on Veterans Day November 11th. And we wish everyone a very Happy Thanksgiving holiday.

Lions Club News

Submitted by Dave Rogers

There are some updates to the Lions Club I would like you to know. First of all we nominated Dave Nye as our president for the 2016-2017 Lions year and wish him well, as well as a successful surgery.

As you know the old firehouse on Raymond road has been sold and we had to get our handicap equipment removed. It was given to the Loaners Closet in Londonderry, address is 1B Commons Drive, Unit 10, phone 432-0877 x-3. You may pick up there or if you have a problem doing so, please call Dave at 627-1036 and I should be

able to help. The next subject is the annual Community Birthday Calendar. Because of a record number of drops, we decided to cancel this year because of cost. All money has been refunded as of October 12 and we thank you for your past support. The good thing is we're still ALIVE. We hope to have an eye screening soon and we are always looking for interested people to join us to support the club. Call the two Dave's at 483-0740 or 627-1036 for information.

AUBURN SAFETY COMPLEX GIVING TREE

Dear Auburn residents,
Would you like to help my elves this year? Feel free to take an ornament off the Christmas tree in the Auburn Safety Complex lobby. The ornament will have a name, age, and gift or gift suggestion for someone who is in need of a little assistance this year. Help make the Christmas wish come true by purchasing the gift, then return the gift, unwrapped with the ornament to the Auburn Safety Complex by December 12th.

The Safety Complex will ensure your item is delivered by my elves and I to families in time for Christmas.

Don't have time to shop, or not sure you can commit to a specific item? Don't fret my little helper elves. The safety complex is willing to take donations to do the shopping for you. Or I can always use extra wrapping paper, tape, and ribbons...

After all, gifts can't be unwrapped under the tree.

Thank you
Merry Christmas to all, and to all a good night.

Cub Scouts Pack 127

by Jocelyn Malenchini

The fall and cooler weather bring more learning opportunities, community service and fun adventures to the Cub Scouts. In mid-October, Scouts camped out for our annual overnight at Camp Carpenter, despite the chilly fall weather. While there, the Scouts took part in many activities that taught scouting skills like knot tying and outdoor cooking, as well as team building activities and target shooting. They also learned how to stay warm on a cold night outdoors! Also in the past month, the Scouts sold popcorn to attendees of the Safety Complex's Open House, and Den 2 climbed Mt. Shannon at the Hidden Valley Scout Reservation in Gilmanston, NH. Way to go, boys!

Scouting for Food

As Scouts, we pledge "to help other people at all times". As the weather cools off, our thoughts turn to those around us who might need a helping hand in this colder, leaner season. It has been reported that children make up one-third of the people served by food banks, and nearly one-quarter of people in soup kitchen lines.

Each year, the "Scouting for Food" effort benefits more than 150 pantries, kitchens and closets throughout the state. On November 5th, Auburn's Scouts will deliver "Scouting for Food" door hangers to residences throughout the town. On the following Saturday, November 12th, Scouts will return to those same residences to retrieve any bags or boxes of non-perishable food items that have been generously donated.

Please leave your donations by the base of your mailbox by 8:30 AM on Saturday, November 12th. Thank you, in advance, for your support in this important community service project.

Police News

Hello Auburn Residents,

Fall is upon us, and with it.... Hunting season. You will most likely see an influx of vehicles not familiar to you. You will also probably hear gun shots, when the leaves drop off the trees, gun shots can sound a lot closer than they are. NH Fish and Game advised us that at the moment this is the height of the hunting season, and will continue till about the first of the year.

Currently the hunting season dates are as follows:

9/15 Archery deer season opens

10/1 Small game season opens

10/4 Duck season opens

10/4 Rifle season, bear season opens

10/19 Baiting deer begins (a lot of people will be refreshing their baits)

10/29 muzzle loader season opens

11/9 general fire arms season opens

1/1 Nighttime Coyote season opens

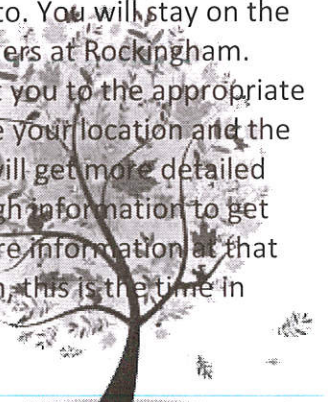

While on the topic of suspicious vehicles, we at APD want to stress that calling about suspicious vehicles is welcome, we believe in the phrase "better safe than sorry," and we want our residents to be safe.

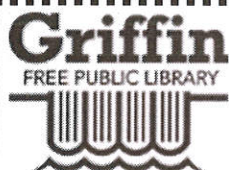

Never approach a vehicle you do not know, this is taught to our young children, but it is important for our adults to remember too. If there is a vehicle parked in your neighborhood, at the playground, at a park, that you feel is suspicious, call us. If you can safely, from a distance, see a license plate, it is a big help to us, if you cannot then a vehicle description is the next best thing for us.

We have a 24/7 dispatch through Rockingham Sheriff's Office, the number is (603)483-2922. We realize it is easy to read the dispatch number right now, but it may not always be easy to commit to memory. In the moment, trying to find the number may not be an option. As children we are taught that dialing 911 is only in an "emergency." Is a suspicious vehicle really an emergency if they aren't doing anything wrong? **YES IT IS!** New Hampshire E911 considers suspicious activity an emergency reason to dial 911.

What happens when you dial 911? An operator will answer the phone, they will ask your location and the type of emergency. From those two questions they determine who you need to talk to. You will stay on the phone with the E-911 operator who will be connecting the call to one of our dispatchers at Rockingham. Don't hang up! The E-911 operator will tell you to stay on the line while they connect you to the appropriate agency. You will hear the Rockingham dispatcher answer and the E-911 operator give your location and the reason you are calling. E-911 then releases the call to the dispatcher, and he or she will get more detailed information from you at that time. The goal of the E-911 operator is to get just enough information to get you the help you need. Do not be surprised if they cut you off from trying to give more information at that time. When speaking with the Rockingham Dispatcher they will ask more information, this is the time in which you will give more details. We hope this helps you.

We hope everyone has safe and happy holiday season.

Kathy Growney, Library Director

www.griffinfree.com

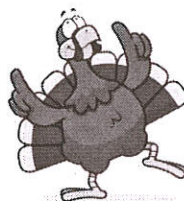

November marks the start of the holiday season and we have lined up lots of great programming for you to enjoy! Our big event will be "Harnessing History: On the Trail of NH's State Dog, the Chinook" presented by Bob Cottrell. This program looks at how dogsledding developed in New Hampshire and how the Chinook played a major role in this story. Explaining how man and his relationship with dogs won out over machines on several famous polar expeditions, Bob Cottrell covers the history of Arthur Walden and his Chinooks, the State Dog of New Hampshire. Cottrell's Chinook, Tug, will be at the presentation.

As we expect a bigger turnout than the library can hold, this event will be held at the Auburn Safety Complex at 55 Eaton Hill Road. This free event is open to the public through a grant from the New Hampshire Humanities.

Also in November children are invited to play "Stuff the Turkey". For each book a child reads an entry will be stuffed in the "Turkey". The person who reads the most as of November 22 will win a MP3 player. Stop by the library for details.

Following is a list of additional programming coming up at Griffin Free. Be sure to check our website and Facebook page often for additional programming.

Longmeadow Serves!

October brought a flurry of activity at Longmeadow and November is looking to be equally blessed! We would love to have you join us at the Longmeadow Congregational Church, United Church of Christ, 4 Wilson's Crossing Road in Auburn. We invite you to join us as together we worship on Sunday mornings at 9:30 as we learn, serve, and worship together.

Scarves in the Park: Our Missions Committee would like to thank our wonderful Auburn neighbors who came out to help at our "Tagging Party" when counted and tagged 380 scarves created by so many generous hands. On November 1 we will be bringing them to parks in Manchester. Would you like to be part of this ministry? Please contact the church office for more information.

We would also like to thank the community for your support of our young people who helped to stock Chester Food Pantry's shelves by hosting a **Cans for Candy** stand on the church lawn, giving out candy to all Trick-or-Treaters on October 30th and accepting donations of non-perishable food for the Food Pantry. Thank you also to all who joined us for our **Annual Harvest Supper** on October 29th prepared and served by the Ladies' Circle.

November brings our annual **Thanksgiving Basket Ingathering**. Each year we collect non-perishable food to provide to local families (referrals are received from the Town Welfare Officer and local food pantry) and have received additional generous donations from the families of Tiny Tots Pre-School, the Massabesic Seniors and residents of the Wethersfield neighborhood. We invite you to assist your neighbors in need, by joining in this project.

Our greatest need is for donations of grocery store gift cards in denominations of not more than \$25 each (makes distribution easier for different sized families) to allow families to purchase perishable foods for their holiday meals. Gift cards in smaller amounts are very welcome, just not more than \$25. Contact Pastor Ruth for more information.

Advent Begins: On Sunday, November 27th, we will enter the great season of waiting called Advent with our annual **Greening of the Church** service in which our young people lead us in adorning our sanctuary and explain the meaning behind the different liturgical and decorative elements. It is a festive worshipful event and we welcome all who would like to take a break from the commercialization and to start the season in a less hectic and more centered way.

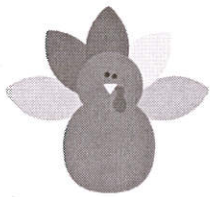

Snowflake Fair: Another way to decrease the stress of the season is to do a little shopping in your own home town, chat with your neighbors and enjoy the many handmade crafts and edibles of an old fashioned Christmas. Mark your calendar on **Saturday, December 3rd** for this wonderful annual event.

We of the Longmeadow Congregational Church, UCC seek to provide a spiritual home where all faith questions are honored and respected. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a place to worship, we invite you to join us as we listen to the God who is Still Speaking and seek to follow. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

Longmeadow Church

Where else can you meet your old friends, catch up on town gossip and enjoy an "all you can eat breakfast", of French toast, English muffins, eggs your way, pancakes, sausage, bacon, home fries, homemade beans and muffins, and beverages for a donation of \$6 for adults, \$3 for children 6-12 and under 5 free?

Parks and Recreation News

It's been a good year for us at Parks and Recreation. There have been many changes and challenges that we have dealt with and through it all we have had a safe and productive year. It's time to wrap up the closing of our Parks for winter, complete final painting projects, retrieve the flags we so proudly display, collect all the picnic tables, do final maintenance to all the Park equipment, gather all the garbage cans and prepare ourselves for the coming white stuff. You get the idea. It's also time to start planning for our Winter Carnival (the date will be in next month's Crier) and annual tree burning at the Skating rinks. Before the year is out, we will be making further improvements to those rinks and further enhancing that facility. Hopefully we will have some better weather than last year to have this event.

We would like to send out a special thanks to all of those who helped in the cleaning of our old fire house! The Police and Fire Departments, Auburn Village School, the Auburn Little League and Auburn Soccer Leagues, the Boy Scouts and Cub Scouts, Dan Carpenter, Rick Eaton, Jim Headd, The Auburn Town Hall staff, the Auburn Lions Club and last but not least, Dave Nye and your own Auburn Parks and Recreation Department. (Please forgive me if I forgot to mention anyone) We would also like to extend a hearty welcome to the new owner. I think they will come to appreciate the value of our community and how truly special this town really is.

Finally, from all of us at the Parks and Recreation Department! By the time you read this, you will probably already be planning for what is one of my personal favorite holidays, Thanksgiving!! Not only is it a great time to get together with family, but also to reflect on how lucky we really are and to give special thanks for the blessings bestowed upon us during the year. We are blessed to have such a great community and we truly give thanks for all your support and help in making us successful. Our job is mainly to support all of the children and seniors in our community and maintain all the parks and programs that let them know how important they are. Thank you again for that support. The recurring theme in this, and past articles (as if you didn't know already) is community and as it has been stated many times before "We can't do it, without your support" Thank you all again for a successful and productive year and as you go on about your busy lives, take a minute and help someone out! Random acts of kindness and support are the bedrock of Auburn and are their own reward!
