Scouting for Food – Collection Date is November 4th

Did you realize that one of every three people served by food banks are children? It is reported today nearly one of four people in soup kitchen lines is likely to be a child. More than one in three households being helped by local food banks and pantries includes children. This year's "Scouting for Food" effort will benefit more than 150 pantries, kitchens, and closets throughout New Hampshire.

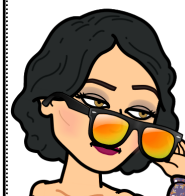

On the last Saturday in October (October 28), boys from Auburn Cub Scout Pack 127 and Boy Scout Troop 127, and their leaders will deliver door hangers explaining the program and instructions on how to participate throughout the town. On the next Saturday (November 4), Scouts will return to collect the donated non-perishable food items left outside with and take them to a convenient drop-off location. A Cub Scout and a Boy Scout promises "to help other people at all times." There is no better way to show our Scouting spirit than by donating this important cause.

Longmeadow Church Breakfast

The bi-monthly breakfasts are continuing at the Longmeadow Church! This **November**, they are on the **4th** and the **18th** from 6:30 – 10:00 am. The breakfasts are the **1st and 3rd Saturdays** of each month from September until May at Longmeadow Congregational Church, 4 Wilson's Crossing Rd. Where else can you meet your old friends, catch up on town news and enjoy an "all you can eat breakfast", of French toast, English muffins, eggs your way, pancakes, sausage, bacon, home fries, homemade beans and muffins, and beverages for a donation of \$6 for adults, \$3 for children 6-12 and under 5 free?

We look forward to seeing you and your friends this month!

Tax Bills to Come with the Season's Change

For municipal governments throughout New Hampshire, the fall is a busy time of year as budgeting for the next year is in full swing, while the setting of tax rates, the mailing of property tax bills and the preparation to close out financial records for the current year are also underway. And Auburn is no different.

With property tax bills in the mail by the last week of October, it is no longer news to property owners the tax rate increased by 90-cents after two years of decreased rates.

The 2017 tax rate was set at \$21.15 per thousand by the NH Department of Revenue Administration – an increase of 90-cents. The tax rate includes four components -- \$4.09 for the town; \$13.59 for the local education; \$2.38 for the state education, and \$1.09 for the county. For comparison purposes, the 2016 total rate of \$20.25 per thousand, was inclusive of \$4.43 for the town; \$12.26 for local education; \$2.47 for state education and \$1.09 for the county.

Various budgets and warrant articles approved by local voters last March established total appropriations of \$18,176,488 for the town and school district combined. And the Town's share of the Rockingham County

budget adds another \$734,269. Of that total amount, \$14,214,535 needs to be raised by taxes, which results in the \$21.15 tax rate.

In general terms, due to the increase in the tax rate, the second issue property tax bill will be higher than the first bill that came out in June.

All Attention Turns to Budget

As the seasons have changed, the leaves are turning color and are falling, and the temperatures are on a downward slide, Town officials have begun work in earnest on the development of the proposed budget for 2018.

Department heads and elected officials have begun presenting their budget proposals to the Board of Selectmen, and this process will continue into early December.

The Budget Committee began its work in mid-October to also meet with town officials, review department requests and Selectmen recommendations, and ultimately, present budget recommendations to the voters.

All activity is focused towards the Budget Committee presenting a recommended Town budget at a public hearing to likely be held on Thursday, January 11, 2018,

Continued....

and ultimately at the Deliberative Session of Town Meeting to be held on Saturday, February 3, 2018.

Earlier this year, Town Moderator Jim Tillery had re-appointed Dan Carpenter to a new term on the eight-member Budget Committee and appointed Kevin Downing to an open seat on the committee.

Successful E-Waste and Household Hazardous Waste Collection Events

Hundreds of Auburn residents turned out on October 14th to rid their homes of unused televisions, computers, radios, microwave ovens, printers, vacuum cleaners, air conditioners and other electronic items at the Town's annual E-Waste Collection event.

Held in the front parking lot of the Auburn Village School, the materials collected completely filled five roll-off containers and a box truck, in addition to a portion of a sixth roll-off container.

Many thanks to AVS Principal Lori Collins and AVS Technology Director Michael Lessard for their assistance and support in hosting this annual activity on the school property.

The prior weekend a record of more than 245 cars went through the Household Hazardous Waste Collection Event held on October 6th in Raymond. Hosted jointly by the Towns of Auburn, Nottingham and Raymond, event organizers report this was a record number of attendees in the 20 + years of the event.

Salute Our Veterans and Happy Thanksgiving

As we head into November, please remember to honor our veterans and say "Thank you for your service" on Veterans Day November 11th. And we wish everyone a very Happy Thanksgiving holiday.

Donald Stritch Remembered...

In recognition of more than 53 years of service to the residents of Auburn, town and state officials gathered at a special evening to dedicate the meeting room at the Town Hall as the "C. Donald Stritch Meeting Room". The Board of Selectmen had decided to provide the formal recognition in recognition of generations of service as School Principal, Town Moderator, School Board member, School District Moderator, Cemetery Trustee, State Representative and County Commissioner. During the evening ceremony, remarks were pro-

vided from former Rockingham County Commissioner Maureen Barrows, a Resolution from the NH State Senate by Senator Sharon Carson, a letter of recognition from Governor Chris Sununu, remembrances from Secretary of State William Gardner and a commendation by the Board of Selectmen.

Looking over the commendation of Don Stritch are State Senator Sharon Carson, Secretary of State William Gardner, Mrs. Bertha Stritch and Auburn Selectmen Richard Eaton, James Headd and Dale Phillips.

In Memory of...

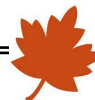

Nancy Gagnon – former Town Clerk of Auburn has passed away. Nancy held the position of Town Clerk from 1984 until her retirement in 2006.

Born and raised in Auburn, she served the town and the people in it with care and enthusiasm. She always had a smile on her face and was willing to help

everyone. Hers was the first face most people would see when coming into Town Hall.

Her warm and friendly personality was a bright spot of the day for the people around her. Nancy will be greatly missed.

Auburn Village School Renovation/Addition NEWS!

The School Improvement Committee met in October to review conceptual plans for possible renovations/additions to Auburn Village School. Members of BPS and The Turner Group were present to discuss the conceptual plans and initial cost study. Many options were presented, including the removal of portable/modular classrooms, adding a 2 story classroom addition, renovating nursing and administration spaces, increasing cafeteria space and renovating kitchen space to serve more children in less lunch periods. The committee toured the building to better understand the needs and compare against proposed plan options. In the next meeting, the committee is focused on finalizing a recommendation to the board of a modest renovation, given financial considerations, while maintaining the look and feel of our village school. This recommendation will be provided to the school board

in November on what final proposal should be brought forward to a warrant article in March 2018. The School Improvement Committee is comprised of Community Members, School Administration, School Board and Town Government representatives.

The School Improvement Committee will be meeting again on Wednesday, October 25th, Wednesday, November 8th and Wednesday, November 29th. Meetings are at 6pm in the AVS Media Center. Public is welcome and encouraged to attend all meetings. More information will be shared in each edition of the Crier so please stay tuned!

If you have questions and cannot attend a meeting to discuss them in person, please contact Committee Chairperson - Peter Miles at peter.miles316@outlook.com or Vice Chairperson – Jason Tyburski

Massabesic Seniors

The Auburn Massabesic Seniors, along with other Auburn seniors, enjoyed the Town's Senior Outing on 04 October. Sponsored by the Parks & Rec commission, hosted by Amy, a very pleasant P&R member. The outing took us to Lincoln NH, and a ride on a 1930's passenger car, on the Hobo Railroad. Lunch, prepared in a kitchen car was served on board. A real look at the past! Our attending members were Louise Abbot, Jackie Baroody, Pat Clement, Midge Dinsmoor, Chris Hrycuna, Yolande Labbe, Pauline Sampson and Dick Vee.

On Monday 16 Oct, several of us went to Tuckaway's Restaurant in Raymond for lunch of lobster rolls. Sweet!

On Saturday, 21 Oct, we met at our safety complex and carpoled to the open house at Raymond's Historic Society's train station and caboose. The station, built in 1893, is original and loaded with antique artifacts. A pleasure! If you haven't been there, consider doing so. Go online for their winter schedule.

Our own Paul Therrien, after minor surgery recovered, by taking a relaxing fishing trip to Pittsburg, one of NH's northern most town. Paul advised he did catch his limit. I didn't get to eat any though!

The Massabesic Seniors meet at the Longmeadow Church, lower level, Thursdays, at 1 PM. Local seniors are welcome. Come and socialize with old friends, we'd love to see you!

Time may be a great healer, but it's a lousy beautician! - - - Hope to see you Thursdays!

BOY SCOUT TROOP 127

The Scouts had a great time at Chucksters. They raced each other on go-carts and climbed on a rope obstacle course. It was a lot of fun and a great team building exercise.

Troop 127 also went on a bike ride on October 21st. They rode from Candia to Manchester to have ice cream at Goldenrods. The scenery was great and the Scouts had a good time.

Congratulations to Jeremy Gagnon who completed his Board of Review and became an Eagle Scout this October! Jeremy served many leadership positions in the Troop and has earned 31 Merit Badges and counting! (A Boy Scout is required to earn 21 Merit

Badges to become an Eagle Scout). Jeremy did his Eagle Service project at the Massabesic Audubon Center. He raised funds and installed a birdhouse with an integrated camera for their Blue Bird study with Cornell University. The Audubon is able to have a live stream video in the center of the nesting birds and eventually they'll have access on their website. Jeremy also replaced 10 of their aging bird-houses.

Troop 127 meets Monday nights at 6:30 at Longmeadow Church. Please visit our website if you are interested in coming to a meeting.

A Note from Sam Rooney:

Many thanks to all who participated in the Auburn Road Rally fundraiser supporting my Eagle Project. The weather cooperated and everyone learned some amazing details and facts about our town. All funds will be used to purchase and erect a roadside sign identifying the historical Dockham Store located on the property of The Auburn Historical Association. Congratulations to the Winners: Ann Robinson, Chip Goodrich, Pat Clement, and David Reynolds. They were able to answer all the clues correctly!

Longmeadow Serves!

October brought a flurry of activity at Longmeadow and November is looking to be equally blessed! We would love to have you join us at the Longmeadow Congregational Church, United Church of Christ, 4 Wilson's Crossing Road in Auburn. We invite you to join us as together we worship on Sunday mornings at 9:30 as we learn, serve, and worship together.

We would also like to thank the community for your support of our young people who helped to stock Chester Food Pantry's shelves by hosting a **Cans for Candy** stand on the church lawn, giving out candy to all Trick-or-Treaters on October 29th and accepting donations of non-perishable food for the Food Pantry. Thank you also to all who joined us for our twice monthly community breakfasts, it is such a joy to welcome our friends and neighbors as together we break bread and share our joy in this community.

Our church was especially blessed this month by the gift of time and landscaping talent by one of our Auburn neighbors, **Kenny Hooker of Kenny's Yard Care**. We want to thank him for donating his services of tree cutting & shrub trimming among other things. It was greatly appreciated.

Scarves in the Park: Our Missions Committee would like to thank our wonderful Auburn neighbors who have been knitting and crocheting scarves for this annual project. Please contact the church if you would like to drop them off at the church or have Pastor Ruth pick them up.

November brings our annual **Thanksgiving Basket Ingathering**. Each year we collect non-perishable food to provide to local families (referrals are received from the Town Welfare Officer and local food pantry) and have received additional generous donations from the families of Tiny Tots Pre-School, the Massabesic Seniors and residents of the Wethersfield neighborhood. We invite you to assist your neighbors in need, by joining in this project. **Our greatest need is for donations of grocery store gift cards in denominations of not more than \$25 each (makes distribution easier for different sized families) to allow families to purchase perishable foods for their holiday meals. Gift cards in smaller amounts are very welcome, just not more than \$25. Contact Pastor Ruth for more information.**

Advent Begins: On Sunday, December 3rd, we will enter the great season of waiting called Advent with our annual **Greening of the Church** service in which we adorn our sanctuary and explain the meaning behind the different liturgical and decorative elements. It is a festive worshipful event and we welcome all who would like to take a break from the commercialization and to start the season in a less hectic and more centered way.

Snowflake Fair: A great way to decrease the stress of the season is to do a little shopping in your own home town, chat with your neighbors and enjoy the many handmade crafts and edibles of an old fashioned Christmas. Please mark your calendars for **Saturday, December 2nd** for this wonderful annual event. Please see the article elsewhere in the Crier for more information

We of the Longmeadow Congregational Church, UCC seek to provide a spiritual home where all faith questions are honored and respected. No matter where you are on your spiritual journey, you are welcome here. If you are seeking a place to worship, we invite you to join us as we listen to the God who is Still Speaking and seek to follow. If you have any questions, please contact our Pastor, Rev. Ruth Gallot at 483-2907.

Cub Scout Pack 127 Gets in Shape – Let the Games Begin!

Cub Scout Pack 127 enjoyed its first two pack meetings at Camp Carpenter in Manchester. The first took place on the sports field where the boys stayed physically fit learning some exercising fundamentals and playing a game of kickball. The second was held at Fort Friendship around an evening campfire.

On Tuesday, October 10th, eight boys and their families hiked around Long Pond at the camp. They identified tree species, ideas for healthy snacks, and the six essential items you should carry in you backpack when hiking.

The Pack is never full; they always have room for more. Scouting is a year round activity. Boys age 5 and up can join anytime. Please contact staceymelendy@gmail.com for more information.

Police News

Hello Auburn Residents,

Fall is upon us, and with it... hunting season. You will most likely see an influx of vehicles not familiar to you. You will also probably hear gun shots, when the leaves drop off the trees, gun shots can sound a lot closer than they are. NH Fish and Game advised us that at the moment this is the height of the hunting season, and will continue till about the first of the year. As always please feel free to contact us with any concerns.

As of November 1st the Auburn Giving Tree will be up in our lobby. For those of you not familiar or new to town. Each year through the month of October The Safety Complex accepts forms filled out by residents who might need some assistance with Santa's holiday magic. We then put out a tree with ornaments on it.

Each ornament has a gift or gift suggestion for someone on our list. Take the tag, purchase the item, and return both to the safety complex by December 15th. Santa's helpers here at the Safety Complex will ensure the items are delivered in time for Christmas morning.

Lastly, As of September 1st, Officer David Fletcher retired after a long Police career with Derry and 15 additional years with Auburn Police Department. You may recognize Officer Fletcher from riding the motorcycle around town, or if there was a town event involving food... he was there. We had a nice gathering in celebration of his career last month. We wish him the best of luck on his next adventure. We are sad to see him go, but as he has told us, this isn't good-bye, it's just see you later.

From all of us at the police department, we hope each of our residents have a safe and happy Thanksgiving! We will be out there if you need us.
